Office of Sanitary Commissioner,
Madras, 24th November 1899.

From

Lieut. Colonel W. G. King, M.B., C.M., D.P.H., I.M.S.,

To

Sanitary Commissioner for Madras,

The Secretary to Government,

Local and Municipal Department.

Enclosure.

Sir,

I have the honour to state, with reference to para 3 of G.O.NO. 1646 M., dated 7th November 1899, that I have already advised the Chairman of the Municipal Council, Kodai-kanal, on receipt from him of an extract from the list of establishment proposed to be employed for the Municipality, that the number of sweepers be reduced by one and that of scavengers raised by that number (one). I have also lately recommended a Certificated Sanitary Inspector for employment in the Municipality on the pay and allowance sanctioned by the Council. The other items of expenditure under Grant III do not call for special remarks from me.

2. The Municipal Council does not appear to have considered the question of undertaking the cleaning of private latrines by Municipal agency. This subject should receive the Council's early attention, as should also the desirability of

of making vaccination compulsory in the town.

I have the honour to be,
Sir,

Your Most Obedient Servant,

W. H. Jones

Lieut-Colonel, I.M.S.,
Sanitary Commissioner for Madras.
