Negapatam, 2nd December 1899

C. 3861-P

From

The Chairman,

Municipal Council,

Negapatam.

To

The Collector of Tanjore.

Sir,

I have the honour to inform you that since the opening of the Negapatam-Nagore Extension of the South Indian Railway for traffic on the 1st Instant, the Railway station at Negapatam which was hitherto a terminal station has ceased to be so, as all the trains with the exception of one, run direct to Nagore. As the majority of the passengers from the Tiruvalur side alight at this station, I have ordered the Plague Inspector to remain at the Negapatam Station and examine the passengers both within the carriages and those that have alighted, and furnish the passengers proceeding to Nagore and other intermediate stations also, with passports. The Plague Inspector informs me that the incoming trains from the Tiruvalur side are allowed to stop at this station only 13 minutes before proceeding to Nagore, and that it is difficult for him to examine the passengers in all the carriages as the time allowed is quite insufficient. If in case separate plague Inspectors are to be appointed to the stations from Negapatam to Nagore, there at present 4 Railway Stations within the Municipal limits, and the appointment of 4 plague Inspectors would become necessary, a step which will impose a heavy burden upon the Municipality. Under these circumstances, I request that you will kindly address the Agent of the South Indian Railway Company to arrange for the stoppage of the trains at the Negapatam Station for 30 minutes, to

Flag

enable the Plague Inspector to conduct a careful examination and issue passports. If this is not feasible the only other alternative is to appoint the Station Masters at Velipalayam Kadambady and Nagore as Passport Officers.

I request the favour of your early instructions in the matter.

I have &c.,

Submitted to Government in the Local and Municipal Department for orders.

2. I consider that trains should be inspected and passports issued to all travellers from infected parts at Negapatam Station. I therefore request that the Government will be pleased to issue orders to the Railway authorities to arrange for stopping the trains at Negapatam for 30 minutes or for such period as experience elsewhere may have shown to be sufficient.

Sir,

In reply to your letter No. 923/P dated 6th December 1899 regarding the observation of passengers at Negapatam under the Plague Regulations I have the honour to inform you that the Station Master at Negapatam has been instructed that the trains for Nagore must not be started till plague inspection is finished.

The Plague inspection may not in every case take 30 minutes.. It will often be finished within the time allowed, or take not much more than the time allowed if the Inspectors expedite the inspection and it does not seem advisable to lay down a hard and fast halt of 30 minutes.
