SIR,

In continuation of my telegram dated the 20th instant, I have the honour to report as follows:—

to report as follows: -
On Tuesday evening 19th December,
two Mohammodans - a father and son - were
found suffering from plague in the
Loco Firemen's lines at Guntakal Junction
and they were at once removed to the Plague
camp along with ¹⁰ 8_{PM} contacts by the
Medical Officer in charge of Plague inspection
station, Guntakal. On receipt of a telegram
from him the Medical Officer, the District
Medical and Sanitary Officer came here on
20th morning from Anantapur and im-
mediately inspected the patients and did
what was necessary.
Remained here this morning and in

was necessary.
I arrived here this morning and in

in Company with the Medical Officer on
Plague duty here, inspected the patients
as well as the house occupied by them.
I have ascertained that the younger man
Sheik Ali was working at Marikanama in
the Tumkur District of the Mysore Province
where his father Sheik Hamed went to
visit him. The father fell ill with feverish
symptoms and his son conveyed him by
cart to Bellary to the house of one Mahsum
Saib, Eastman near Masjid Dalwallah
Gully Cowle Bazaar. The old man's wife
who lives with another son at Guntakal
Junction heard of the illness and travelled
by train to Bellary and brought the two
men to Guntakal, leaving Bellary at 2 P.M.,
on Saturday the 16th December, in the cart
of Moulah who lives in the next street.

I have intimated the same to the Collector
of Bellary today by means of a telegram and
also suggested to him that necessary measures
of disinfection and segregation should be
taken at Bellary.

I have also made arrangements for the
disinfection of the blocks C & B occupied
by the patients and also for the im-^{mediate} evacuation of the whole block which
consists of 20 houses. I have authorized
the Medical Officer here to engage at once
for a month the marginally noted menial
staff

1 Ward attendant
1 Joty
4 Dhooly bearers
6 Disinfecting
coolies

5
staff and requested him that Hospital
assistant Anasami Dyer whose services
were already ordered to be dispensed with
as soon as the old patient in the Plague
camp is discharged, might be kept till the
end of January 1900.

I have wired for a Hospital assistant
and a Sanitary Inspector and ordered
four extra constables to be sent. I have
also directed the Stationary Submagistrate
at Gooty to come at once to Guntakal
Junction and stay here till the end of the
Christmas holidays to assist the medical
staff in Plague work.

I request that my action may be
approved of and sanction accorded for the
appointment of the temporary staff above
referred to.

I also request that Government will
be pleased to sanction the appointments
of a Plague Deputy Tahildar at Guntakal
on Rs. 120/- and two peons on Rs. 7/- each
under him, to assist the medical staff
in Plague work.

I have the honour to be,
Sir,
your most obedient servant,
M. Madhok
Collector
