Sir,

We the people of Chidambaram
Village beg to state that we contemplate
the construction of a temple dedicated to
Mahavishnu in the midst of the Village
and to request you will be good enough
to recommend to the Government of Madras
the sanction of a plot of ground adjoining
the existing Siva Temple for the same.

The Village shows no signs
of prosperity but on the other hand declines
gradually. On consideration and consul-
tation with great men of Vedic lore, it
has been found and we believe that nothing

short

1
2958/m/99

Shore of a Mahavishnu Temple erected
in the Village will make it flourish and
prosper.

The Construction of the temple
has long been under Consideration, so much
so that even fifteen years ago we petitioned
the Municipality for a plot of ground
in the eastern end of the Village and
obtained Sanction to build it thereon.
A Copy of the order is hereto Appended.

On certain Local Considerations
that piece of ground is found unsuitable
now for the erection of the temple and the
Site proposed instead is that adjoining to
the existing Siva Temple.

The above mentioned order
allowed us to build a Temple leaving 12
feet of ground on either Side for passage.
As will be seen from the plan attached
hereto we require 21 feet which will leave
14 feet for passage. According to this, the
ground now required is less than what was
originally accorded to us.

Apprehending further decline

We are constrained to exert ourselves to have
the Temple erected at an early date and
preparations are being made for it.

We therefore request you
will be kindly pleased to let us have the
piece of ground for the erection of the
Temple for which the whole Village shall
feel highly obliged.
