Sir,

per 27.

With reference to para 2 of G.O.No.1741, Judicial, dated 30th. October 1899, I have the honor to report that the statement contained in para.157 of the Administration Report of the Madras Municipality for 1898-99 that "one constable is set apart for all Municipal cases" is incorrect. Two constables at the Presidency Magistrates Court, Egmore, and six at the Court in Black Town are set apart for serving Municipal processes only. I find that out of 9036 summonses, taken out by the Municipality during the year 1898, 3085 were unserved and out of 418 warrants issued, 141 were un-executed.

2--- I may state that it was not the fault of the Police that so many processes remained unserved, as the persons against whom summonses were taken out were not known to the Police and the Municipal peons, who attended to point out the parties, were unable to afford sufficient time to do so. Consequently from the want of means of identifying the Police were unable to do more.

3--- I consider that there is no need for a special constable, as suggested, for vaccination processes only, but for more attention on the part of the Municipal peons in helping the Police to identify the parties summoned.

I have the honor to be,

Sir,

Your most obedient servant,

A. D. Agar
