Car Festival and Cattle Fair at Karaimadai.

Ordering the publication, in the Fort St. George and certain District Gazettes, of a notification prohibiting the attendance of persons from plague-infected parts at the ensuing — in the Coimbatore taluk, Coimbatore district, from the 16th February to the 2nd March 1899, and also the sale of railway tickets to certain stations on the Madras Railway to persons intending to attend the festival or the fair.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following paper :—

From C. H. MOUNSEY, Esq., Acting Collector and District Magistrate of Coimbatore, to the Plague Commissioner (through the Sanitary Commissioner, Madras), dated 21st January 1899, R.O.C. No. 3584 (*b*) Rev. of 98.

I have the honour to inform you that the car festival at Karaimadai falls on the 21st of February next and lasts for 10 days, when a large cattle fair is also held at the place.

2. It is believed that people from North Arcot and other districts attend the festival, and the Tahsildar of Coimbatore says that he learns that people from Krishnagiri and other parts of the Salem district attend the cattle fair. I believe people from Bangalore and other parts of the Mysore State also bring cattle to the fair. I first thought of prohibiting the cattle fair altogether, but Mr. Wood, the Divisional officer, is of opinion that if the cattle fair is absolutely prohibited the festival may as well be prohibited also, as it will be nothing without the fair and thinks the absolute prohibition of either unnecessary.

3. I have since discussed the matter with the Deputy Tahsildar of Méttuppálaiyam in whose division Karaimadai is, and have come to the conclusion that both the festival and the fair may be allowed to be held, and the attendance of people coming to either, with or without cattle, from any infected area or any tract bordering thereon prohibited, though the drawing of a line of distinction between those coming from uninfected parts and those from infected parts, in the case of visitors by road, may not in practice be easy.

4. I send herewith the usual statement in the prescribed form and also a notification under the Epidemic Diseases Act.

Enclosure.

2. Undersigned considers that in his paragraph 1 the Collector discloses ample reason for stopping attendance from outside the district. A large cattle fair of the nature indicated will certainly attract cattle-dealers from Salem, North Arcot and Mysore. The danger does not exist solely as to the point of assembly, but along the routes through which the cattle-dealers pass. He would therefore advise prohibition of pilgrims and of the cattle fair, and the retention—by local celebration—of the festival.

Ref. on C. No. 1328.

The Plague Commissioner agrees with the Collector and requests that the draft notification as amended may be approved and ordered to be published in the *Fort St. George Gazette.* It is doubtful whether the persons from infected areas are likely to attend the fair and festival, and, as the Collector says, the prohibition of the fair would practically amount to a prohibition of the festival.

2. The Collector is requested to make the necessary arrangements for enforcing the prohibition.

Order—No. 189 P., dated 6th February 1899.

The Plague Commissioner's recommendation is approved, and the following notification will be published in the Fort St. George and the Coimbatore, Salem and North Arcot District Gazettes :—

NOTIFICATION.

Whereas the Governor of Fort St. George in Council is satisfied that there is danger of an outbreak of plague at Karaimadai village in the Coimbatore taluk of Coimbatore district if persons from the Mysore State, the districts of Salem and North Arcot or other plague-infected parts are permitted to assemble at that place on the occasion of the ensuing Car festival and cattle fair in that village :

In exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, His Excellency the Governor in Council prohibits the attendance at the festival and fair of persons, with or without cattle, from the Mysore State, the districts of Salem and North Arcot and other plague-infected parts from 16th February to 2nd March, both days inclusive. His Excellency in Council also directs that no tickets to travel by railway to the railway stations of Mettuppálaiyam, Karaimadai, Periyanaikanpalaiyam and Tudiyalur on the Madras Railway shall be sold at any station in the Madras Presidency from the 16th February to 2nd March, both days inclusive, to any pilgrims or other persons intending, or believed to be intending, to proceed on pilgrimage to the said festival or attend the said fair. Persons proceeding to the festival or the fair in contravention of this notification will be turned back.

2. The Collector of Coimbatore will make the necessary arrangements for enforcing the prohibition in consultation, if necessary, with the Commissioner of Salt, Abkári and Separate Revenue and the Inspector-General of Police.

3. The Mysore Government will be requested to notify that, in consequence of danger of plague, attendance at Karaimadai, in the Coimbatore taluk of the Coimbatore district, on the occasion of the ensuing car festival and cattle fair in that village, of persons with or without cattle from the Mysore State has been prohibited by this Government under the Epidemic Diseases Act, 1897, from 16th instant to 2nd proximo.

4. The Agents and Managers of the Madras, the South Indian, the Southern Mahratta, and His Highness the Nizam's Guaranteed State Railways and the Manager of the East Coast Railway are requested to instruct stationmasters that the issue, within the Madras Presidency, of railway tickets to Méttuppálaiyam, Karaimadai, Periyanaikanpalaiyam and Tudiyalur stations on the Madras Railway, from the 16th instant to the 2nd proximo, both days inclusive, to pilgrims and other persons, intending, or believed to be intending, to attend the festival or the fair, has been prohibited under the Epidemic Diseases Act.
