FEBRUARY.

Municipal Budget.

Reviewing the Srírangam — for 1899–1900

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From M.R.Ry. K. SESHADRI AIYANGAR Avargal, Chairman, Municipal Council, Srírangam, to the Secretary to Government, Local and Municipal Department, (through the Revenue Divisional Officer, Trichinopoly), dated 31st December 1898, No. 643.

I have the honour to submit for sanction of Government the revised estimates for the current year and the budget estimates for the ensuing year 1899–1900 of this Municipality, passed at the meeting held on the 29th instant.

REVISED ESTIMATE FOR 1898–99.

Receipts.

2. The total receipts excluding the opening balance amount to Rs. 28,920, showing an increase of Rs. 2,440 over the budget estimate of Rs. 26,480. The increase is mainly due to the collection of arrears under tax on arts, buildings, lands and vehicles and to the arrears of contribution from the Local Board and the Trustees of Srírangam Pagoda towards the festival sanitary arrangements and the maintenance of the hospital, respectively, expected to be realized.

3. The variations under other heads of receipts are explained in statement VI.

Expenditure.

4. The total expenditure is Rs. 28,610 which exceeds the budget allotment of Rs. 27,050 by Rs. 1,560 which is due to the following reasons.

5. *Grant 1, Repair—(a) Communications.*—The cost of repairing some of the metalled roads has exceeded the budget allotment, as they had been much damaged by the heavy and continuous rain during the monsoon.

6. (*b*) *Buildings.*—The hospital buildings with all its out-houses were thoroughly whitewashed. The doors and windows of the buildings were painted and varnished.

7. *Grant 3*, (5) (*c*) *Cholera and Plague Charges.*—Subsequent to the submission of the budget for the current year, a sum of Rs. 1,600 was allotted towards the expenditure under this head under the sanction of Government in G.O., Mis. No. 1817 M., dated 25th October 1898 and Mis. No. 2016 M., dated 29th November 1898.

8. (*d*) *Contingencies—Festival Sanitary Arrangements.*—The expenditure under this head exceeds the budget allotment by Rs. 450 and this is due to the contribution paid to the Trichinopoly Municipality on account of plague arrangements made during the Ekadasi festival of 1897–98 by the order of the Collector in his No. 435-Rev. of 1898

9. The difference under other heads of expenditure is explained in statement VI.

BUDGET ESTIMATE FOR 1899–1900.

Receipts.

10. The total estimated income of the year excluding the opening balance is Rs. 30,680, showing an increase both over the revised estimate and the budget of 1898–99 by Rs. 1,760 and Rs. 4,200, respectively. The increase is attributable to

the rate of taxes on buildings and lands having been raised from $6\frac{1}{4}$ to $7\frac{1}{2}$ per cent., and to the contribution expected from the Provincial fund towards the plague expenditure. A separate application will be submitted for sanction of Government for the said grant. The Council has to allot Rs. 4,000 under this head as suggested by the District Medical and Sanitary Officer, Trichinopoly, while it was required to allot in the budget only Rs. 1,000 towards this epidemic charge by Rule 27 of the rules embodied in G.O., No. 1985 M., dated 18th November 1896, for combating bubonic plague in Municipalities.

11. The difference between the revised estimate of 1898–99 and the budget estimate of 1899–1900 is explained below :—

	Rs.
Budget estimate, 1899–1900	1,200
Revised „ 1898–99	1,370
Decrease ..	170

12. *Tax on Arts, &c.*—The Council hopes that there will not be so much arrears as in the current year ; hence the decrease.

	Rs.
Budget estimate, 1899–1900 ..	13,840
Revised „ 1898–99	11,570
Increase ..	2,270

13. *Tax on Buildings and Lands.*—The increase is due to the raising of the percentage of taxation, as stated in paragraph 10 above and also to the quinquennial revision of assessment.

	Rs.
Budget estimate, 1899–1900	1,400
Revised „ 1898–99	1,480
Decrease ..	80

14. *Tax on Vehicles with Springs, &c.*—This is a fluctuating item of receipt. The income is estimated according to the number of vehicles registered during the year. The increase in the current year is due to the realization of arrears.

15. *Avenue Receipts.*—In the revised estimate, the amount of deposit by renters to be adjusted is also included in the receipts as suggested by the Assistant Inspector of Local Fund Accounts, and there will be no such deposit during the ensuing year, as the lease will continue for two more years.

	Rs.
Budget estimato, 1899–1900	700
Revised „ 1898–99	1,050
Decrease ..	350

16. *Grants and Contributions—(a) From Government.*—Rs. 100 is provided under item "(ii) Medical" as grant for the one-eighth pay of the medical subordinate in charge of the hospital under the recent orders of the Government and the whole pay of the subordinate will have to be paid from the Municipal fund. Rs. 1,500 is also entered as against "(iii) Other Purposes" for the reasons explained in paragraph 10 *supra.*

	Rs.
Budget estimate, 1899–1900	1,600
Revised „ 1898–99	..
Increase ..	1,600

17. (*b*) *From Local Boards*—(iii) *Other Purposes.*—The one-third contribution due from the Taluk Board towards the expenditure on account of the special festival sanitary arrangements made during the last and the current years is to be drawn this year ; hence the increase in the revised estimate.

	Rs.
Budget estimate, 1899–1900	300
Revised „ 1898–99	900
Decrease ..	600

18. (*c*) *Other Grants and Contributions*—(iii) *Other Purposes.*—It is hoped that the arrears of contribution payable by the trustees of the Srírangam Pagoda on account of the maintenance of the hospital will be realized before the end of the current official year and there will be no such arrears for the ensuing year ; hence the decrease.

	Rs.
Budget estimate, 1899–1900	180
Revised „ 1898–99	420
Decrease ..	240

19. *Recoveries on account of services rendered to Private Individuals.*—This is also a fluctuating item of receipt. Rs. 1,500 is sufficient to make the system self-supporting. The cartage for the removal of the night-soil had been debited under "Private scavenging" till 1st April 1898; but in 1898–99, it has been charged under "Conservancy" according to the provision of the Amended Act, section 217. A new scale of fees will be submitted to Government in due course for sanction.

	Rs.
Budget estimate, 1899–1900	1,500
Revised „ 1898–99	1,860
Decrease ..	360

20. The other items of receipt call for no special remarks.

Expenditure.

21. *Grant 1, (a) New Works.*—The works detailed in statement II-A, Part I, should be undertaken during the ensuing year. These works are considered unavoidably necessary for the good of the public; hence the increase.

	Rs.
Budget estimate, 1899–1900	580
Revised „ 1898–99	250
Increase ..	330

22. *(b) and (d) Buildings and Water-Supply.*—No allotments under these heads are made, the Council having proposed to effect savings to meet the large expenditure on account of plague.

	Rs.
Budget estimate, 1899–1900	..
Revised „ 1898–99	320
Decrease ..	320

23. (2) *Repairs—(a) Communications.*—Increased provision has been made to make a thorough repair of the famine relief road, as the attention of the Council was drawn by Government in paragraph 4 of their order in G.O., No. 1282 M., dated 18th July 1898, reviewing the administration report of this Municipality for 1897–98 to the unsatisfactory state of this road. The road has, however, been repaired and kept in a tolerably good condition during the year with the fund allotted in the budget.

	Rs.
Budget estimate, 1899–1900 ..	2,710
Revised „ 1898–99	1,900
Increase ..	810

24. *(b) Buildings.*—The increase in the revised estimate is due to the works mentioned in paragraph 6 *supra*.

	Rs.
Budget estimate, 1899–1900	100
Revised „ 1898–99	230
Decrease ..	130

25. *(d) Water-supply*—(i) *Repairs to Works, Machinery, &c.*—A small provision is made for repairing the bathing ghaut of the irrigation channel at Kondayampettai, Vellala street. An increased allotment is also made for diverting the water course in the Coleroon river during summer.

	Rs.
Budget estimate, 1899–1900	130
Revised „ 1898–99	60
Increase ..	70

26. *Grant 2, Education—Municipal School (Girls' School)*—(i) *On Salary System.*—The educational authorities have recommended an increase in the salary of the headmaster from Rs. 7 to Rs. 10 and that of the assistant from Rs. 6 to Rs. 7. The Council was not able to adopt the suggestion for want of funds. The school shows an improvement under its present headmaster and the Council resolved to give him an increase of Re. 1 only. The assistant will be replaced by a mistress with a good knowledge of needle-work and her pay is proposed to be Rs. 7. The recommendation of the Sub-Assistant Inspector to pay result stipends is not adopted, as the school works on salary system and not on salary-result system.

27. (ii) *Municipal Schools on Salary-result System—Result Stipends.*—The educational authorities have recommended the payment of result stipends at 75 per cent.; but the Council has proposed to pay at 50 per cent.

28. *Furniture Grant.*—No allotment was made under this head. In other respects, the recommendation of the department is adopted.

29. *Grants 3, Hospital and Dispensary.*—Rs. 50 is provided for bedding instead of Rs. 100. Provision for the increased rate of pay to the compounder will be made in the revised estimate, if he passes the required examination by that time. In other respects, the recommendation of the District Medical and Sanitary Officer is adopted.

	Rs.
Budget estimate for 1899–1900 ..	2,946
Revised „ for 1898–99	2,710
Increase ..	236

30. *Conservancy, &c., (a)* (i) *Establishment.*—The provision of the last year for the maintenance of the conservancy staff is adopted.

	Rs.
Budget estimate for 1899–1900 ..	3,968
Revised „ for 1898–99	3,810
Increase ..	158

31. *(a)* (ii) *Other Charges, such as purchase or hire of Carts, &c.*—Provision is made for repairing the wooden rubbish and iron night-soil carts belonging to this Municipality; hence the increase.

32. *(b) Private Scavenging* — (i) *Establishment.*—The allotment of last year for the maintenance of toties is repeated; but the cartage for the removal of night-soil has been charged under "Conservancy," as stated in paragraph 19 *supra*.

	Rs.
Budget estimate for 1899–1900 ..	4,000
Revised „ for 1898–99	2,600
Increase ..	1,400

33. *(c) Cholera and Plague Charges.*—The estimate framed by the District Medical and Sanitary Officer, Trichinopoly, for the plague charges is adopted; hence the increase.

34. *(d) Contingencies. — Festival Arrangements.*—The payment of contribution to the Trichinopoly Municipality for plague arrangements described in paragraph 8 *supra* is the cause for the increase in the revised estimate.

	Rs.
Budget estimate for 1899–1900 ..	1,050
Revised „ for 1898–99	1,500
Decrease ..	450

35. *Grant 4, Lighting, &c.—Lighting.*—The allotment of the last year is repeated, the value of kerosine-oil not being favourable.

	Rs.
Budget estimate for 1899–1900 ..	2,290
Revised „ for 1898–99	2,060
Increase ..	230

36. (5) *Avenues.*—No new plants are proposed to be planted during the ensuing year; hence the decrease.

	Rs.
Budget estimate for 1899–1900 ..	400
Revised „ for 1898–99	540
Decrease ..	140

37. The other items of expenditure under all grants call for no special remarks.

38. The proposition statement for the revision of the establishment is herewith submitted.

39. The budget, as proposed by the Council, closes with a balance of Rs. 2,566 or 8·4 per cent. of the total receipts.

Endt. on Cur. No. 1-Rev.

Submitted.

The provision made in the budget for private scavenging both under receipts and charges is inadequate, considering the figures for the current year and the year 1897–98 and the necessity of improving and extending the system.

(Signed) M. SRINIVASA ROW,
Deputy Collector.

2nd January 1899.

Endt. Ref. on Cur. No. 42-Rev.

Forwarded.

2. The Council's proposal to increase the house-tax may be approved in view of the increased expenditure rendered necessary by the plague precautions and of the proposals to extend the water-pipes to Srírangam.

3. *Paragraph* 10.—I do not understand on what grounds the Council expects a contribution of Rs. 1,500 from the Government. Their hopes are illusory and this item will probably be struck out.

4. *Paragraphs* 19 *and* 32 (*b*), *Private Scavenging.*—The reason for not leasing the night-soil depot should have been given. It has been stated that there was no demand for the night-soil manure, but this is very strange considering that it is eagerly bought on the south side of the river.

5. *Paragraph* 21, *New Works.*—In statement No. II-A., the total mileage of roads and streets metalled or gravelled and unmetalled should have been given. The state of the roads should have been reported by the Divisional officer. I have found the main roads in good order but the side streets might well be improved.

6. *Paragraph* 26, *Education.*—It is not known whether the teachers under the Municipality are all trained men. It would be better if the Council gave this information.

7. The estimated receipts from markets for 1899–1900 is Rs. 300 against Rs. 20,8[illegible]0 in the Trichinopoly Municipality—a very poor return. The Council should endeavour to improve this source of income.

8. The balance of Rs. 100, 80 and 50 respectively, under tax on arts, buildings and lands referred to in statement No. IV-A, should be collected soon.

9. The closing balance is reported to be Rs. 2,566. If the recommendation of the Council referred to in paragraph 3 *supra* for the grant of Rs. 1,500 as contribution is not sanctioned, the balance will be only Rs. 1,066, far below the prescribed limit of 10 per cent.

(Signed) R. H. SHIPLEY,
Collector.

10*th January* 1899.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, Madras, to the Secretary to Government, Local and Municipal Department, dated 18th January 1899, No. 595.

Referring to the budget estimate of the Srírangam Municipality for 1899–1900, I have the honour to state that the allotments made therein under the several heads of Grant 2 may be accepted with an addition of Rs. 50 for building, furniture and other special grants to enable the Municipal Council to pay such grants to managers of results schools. With this addition, the net expenditure on education will be Rs. 2,700 (Rs. 3,540—840), which is about 13 per cent. of the estimated income of the Municipality from taxation and markets.

2. The heading "Result grants" in Statement II should be altered into "Fixed and result grants."

From Surgeon-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 20th January 1899, No. 73.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the Srírangam Municipality for the year 1899–1900 is sufficient and calls for no further remarks.

ORDER—No. 189 M., dated 13th February 1899.

The estimated receipts and charges of the Srírangam Municipality for 1899–1900, as passed by Government, are compared below with the budget and revised estimates for the year 1898–99 and the actuals of 1897–98.

Balance	2,692	3,040	3,280	1,310

Revised Estimate for 1898–99.

2. The current receipts and charges are now estimated at Rs. 28,920 and Rupees 28,610, respectively, against Rs. 26,480 and Rs. 27,050 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under the taxes on arts, buildings and lands, avenue receipts and contributions from Local Boards, and that in the charges under Grant 3. With reference to G.O., No. 1259, Financial, dated 28th December 1898, communicated with G.O., No. 44 L., dated 11th January 1899, the provision for plague charges will be reduced from Rs. 1,600 to Rs. 1,320. The balance to be carried forward to the next year's budget will then be Rs. 3,280.

Budget Estimate for 1899–1900.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 30,680 against the revised estimate of Rs. 28,920. An increase appears mainly under the taxes on buildings and lands and grants from Government, but it is partly counterbalanced by a decrease under avenue receipts, contributions from Local Boards and other bodies and private scavenging fees. The Municipal Council's proposal to raise the rate of the taxes on buildings and lands from $6\frac{1}{4}$ to $7\frac{1}{2}$ per cent. of the annual value is sanctioned. The grant of Rs. 1,500 taken credit for from Provincial funds towards plague charges will be struck out, as there is no necessity for it. The communication promised in paragraph 19 of the Chairman's letter is awaited. The attention of the Municipal Council is drawn to the remarks of the Collector in paragraph 7 of his endorsement.

4. *Charges.*—(1) The probable charges are put down at Rs. 31,110 against Rs. 28,330 in the revised estimate, the increase being mostly under Grants 1 and 3.

(2) *Grant 2.*—The increase of one rupee each in the salaries of the two teachers of the Municipal girls' school, proposed in paragraph 26, is approved. As recommended by the Director in paragraph 1 of his letter read above, a sum of Rs. 50 will be provided for building, furniture and special grants to aided schools.

(3) *Grant 3.*—The remarks of the Sanitary Commissioner on the allotments for vaccination, registration of vital statistics and sanitation are awaited.

(4) *Grant 4.*—The increase from Rs. 5 to Rs. 5–8–0 in the salary of one of the lighting masalchies, which from Statement II-B appears to be contemplated, but which is neither referred to in the Chairman's letter, nor shown in the proposition statement, cannot be approved.

5. As revised by Government, the budget closes with a balance of Rs. 1,310 or 4·5 per cent. of the estimated receipts.

FEBRUARY.

Municipal Budget.

Reviewing the Srírangam — for 1899–1900.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From M.R.Ry. K. SESHADRI AIYANGAR Avargal, Chairman, Municipal Council, Srírangam, to the Secretary to Government, Local and Municipal Department, (through the Revenue Divisional Officer, Trichinopoly), dated 31st December 1898, No. 643.

I have the honour to submit for sanction of Government the revised estimates for the current year and the budget estimates for the ensuing year 1899–1900 of this Municipality, passed at the meeting held on the 29th instant.

REVISED ESTIMATE FOR 1898–99.

Receipts.

2. The total receipts excluding the opening balance amount to Rs. 28,920, showing an increase of Rs. 2,440 over the budget estimate of Rs. 26,480. The increase is mainly due to the collection of arrears under tax on arts, buildings, lands and vehicles and to the arrears of contribution from the Local Board and the Trustees of Srírangam Pagoda towards the festival sanitary arrangements and the maintenance of the hospital, respectively, expected to be realized.

3. The variations under other heads of receipts are explained in statement VI.

Expenditure.

4. The total expenditure is Rs. 28,610 which exceeds the budget allotment of Rs. 27,050 by Rs. 1,560 which is due to the following reasons.

5. *Grant 1, Repair*—(*a*) *Communications.*—The cost of repairing some of the metalled roads has exceeded the budget allotment, as they had been much damaged by the heavy and continuous rain during the monsoon.

6. (*b*) *Buildings.*—The hospital buildings with all its out-houses were thoroughly whitewashed. The doors and windows of the buildings were painted and varnished.

7. *Grant 3*, (5) (*c*) *Cholera and Plague Charges.*—Subsequent to the submission of the budget for the current year, a sum of Rs. 1,600 was allotted towards the expenditure under this head under the sanction of Government in G.O., Mis. No. 1817 M., dated 25th October 1898 and Mis. No. 2016 M., dated 29th November 1898.

8. (*d*) *Contingencies—Festival Sanitary Arrangements.*—The expenditure under this head exceeds the budget allotment by Rs. 450 and this is due to the contribution paid to the Trichinopoly Municipality on account of plague arrangements made during the Ekadasi festival of 1897–98 by the order of the Collector in his No. 435-Rev. of 1898.

9. The difference under other heads of expenditure is explained in statement VI.

BUDGET ESTIMATE FOR 1899–1900.

Receipts.

10. The total estimated income of the year excluding the opening balance is Rs. 30,680, showing an increase both over the revised estimate and the budget of 1898–99 by Rs. 1,760 and Rs. 4,200, respectively. The increase is attributable to

Srirangam Municipal Budget for 1899–1900.

DEPARTMENT.

the rate of taxes on buildings and lands having been raised from 6¼ to 7½ per cent., and to the contribution expected from the Provincial fund towards the plague expenditure. A separate application will be submitted for sanction of Government for the said grant. The Council has to allot Rs. 4,000 under this head as suggested by the District Medical and Sanitary Officer, Trichinopoly, while it was required to allot in the budget only Rs. 1,000 towards this epidemic charge by Rule 27 of the rules embodied in G.O., No. 1985 M., dated 18th November 1896, for combating bubonic plague in Municipalities.

11. The difference between the revised estimate of 1898–99 and the budget estimate of 1899–1900 is explained below :—

		Rs.
Budget estimate, 1899–1900	.. ..	1,200
Revised „ 1898–99	.. ..	1,370
	Decrease ..	170

12. *Tax on Arts, &c.*—The Council hopes that there will not be so much arrears as in the current year; hence the decrease.

		Rs.
Budget estimate, 1899–1900	..	13,840
Revised „ 1898–99	.. ..	11,570
	Increase ..	2,270

13. *Tax on Buildings and Lands.*—The increase is due to the raising of the percentage of taxation, as stated in paragraph 10 above and also to the quinquennial revision of assessment.

		Rs.
Budget estimate, 1899–1900	.. ..	1,400
Revised „ 1898–99	.. ..	1,480
	Decrease ..	80

14. *Tax on Vehicles with Springs, &c.*—This is a fluctuating item of receipt. The income is estimated according to the number of vehicles registered during the year. The increase in the current year is due to the realization of arrears.

15. *Avenue Receipts.*—In the revised estimate, the amount of deposit by renters to be adjusted is also included in the receipts as suggested by the Assistant Inspector of Local Fund Accounts, and there will be no such deposit during the ensuing year, as the lease will continue for two more years.

		Rs.
Budget estimate, 1899–1900	.. ..	700
Revised „ 1898–99	.. ..	1,050
	Decrease ..	350

16. *Grants and Contributions*—(*a*) *From Government.*—Rs. 100 is provided under item "(ii) Medical" as grant for the one-eighth pay of the medical subordinate in charge of the hospital under the recent orders of the Government and the whole pay of the subordinate will have to be paid from the Municipal fund. Rs. 1,500 is also entered as against "(iii) Other Purposes" for the reasons explained in paragraph 10 *supra.*

		Rs.
Budget estimate, 1899–1900	.. ..	1,600
Revised „ 1898–99	.. ..	..
	Increase ..	1,600

17. (*b*) *From Local Boards*—(iii) *Other Purposes.*—The one-third contribution due from the Taluk Board towards the expenditure on account of the special festival sanitary arrangements made during the last and the current years is to be drawn this year; hence the increase in the revised estimate.

		Rs.
Budget estimate, 1899–1900	.. ..	300
Revised „ 1898–99	.. ..	900
	Decrease ..	600

18. (*c*) *Other Grants and Contributions*—(iii) *Other Purposes.*—It is hoped that the arrears of contribution payable by the trustees of the Srírangam Pagoda on account of the maintenance of the hospital will be realized before the end of the current official year and there will be no such arrears for the ensuing year; hence the decrease.

		Rs.
Budget estimate, 1899–1900	.. ..	180
Revised „ 1898–99	.. ..	420
	Decrease ..	240

19. *Recoveries on account of services rendered to Private Individuals.*—This is also a fluctuating item of receipt. Rs. 1,500 is sufficient to make the system self-supporting. The cartage for the removal of the night-soil had been debited under "Private scavenging" till 1st April 1898; but in 1898–99, it has been charged under "Conservancy" according to the provision of the Amended Act, section 217. A new scale of fees will be submitted to Government in due course for sanction.

	Rs.
Budget estimate, 1899–1900	1,500
Revised „ 1898–99	1,860
Decrease ..	360

20. The other items of receipt call for no special remarks.

Expenditure.

21. *Grant 1, (a) New Works.*—The works detailed in statement II-A, Part I, should be undertaken during the ensuing year. These works are considered unavoidably necessary for the good of the public; hence the increase.

	Rs.
Budget estimate, 1899–1900	580
Revised „ 1898–99	250
Increase ..	330

22. *(b) and (d) Buildings and Water-Supply.*—No allotments under these heads are made, the Council having proposed to effect savings to meet the large expenditure on account of plague.

	Rs.
Budget estimate, 1899–1900	..
Revised „ 1898–99	320
Decrease ..	320

23. (2) *Repairs—(a) Communications.*—Increased provision has been made to make a thorough repair of the famine relief road, as the attention of the Council was drawn by Government in paragraph 4 of their order in G.O., No. 1282 M., dated 18th July 1898, reviewing the administration report of this Municipality for 1897–98 to the unsatisfactory state of this road. The road has, however, been repaired and kept in a tolerably good condition during the year with the fund allotted in the budget.

	Rs.
Budget estimate, 1899–1900	2,710
Revised „ 1898–99	1,900
Increase ..	810

24. *(b) Buildings.*—The increase in the revised estimate is due to the works mentioned in paragraph 6 *supra*.

	Rs.
Budget estimate, 1899–1900	100
Revised „ 1898–99	230
Decrease ..	130

25. *(d) Water-supply*—(i) *Repairs to Works, Machinery, &c.*—A small provision is made for repairing the bathing ghaut of the irrigation channel at Kondayampettai, Vellala street. An increased allotment is also made for diverting the water course in the Coleroon river during summer.

	Rs.
Budget estimate, 1899–1900	130
Revised „ 1898–99	60
Increase ..	70

26. *Grant 2, Education—Municipal School (Girls' School)*—(i) *On Salary System.*—The educational authorities have recommended an increase in the salary of the headmaster from Rs. 7 to Rs. 10 and that of the assistant from Rs. 6 to Rs. 7. The Council was not able to adopt the suggestion for want of funds. The school shows an improvement under its present headmaster and the Council resolved to give him an increase of Re. 1 only. The assistant will be replaced by a mistress with a good knowledge of needle-work and her pay is proposed to be Rs. 7. The recommendation of the Sub-Assistant Inspector to pay result stipends is not adopted, as the school works on salary system and not on salary-result system.

27. (ii) *Municipal Schools on Salary-result System—Result Stipends.*—The educational authorities have recommended the payment of result stipends at 75 per cent.; but the Council has proposed to pay at 50 per cent.

28. *Furniture Grant.*—No allotment was made under this head. In other respects, the recommendation of the department is adopted.

29. *Grants 3, Hospital and Dispensary.*—Rs. 50 is provided for bedding instead of Rs. 100. Provision for the increased rate of pay to the compounder will be made in the revised estimate, if he passes the required examination by that time. In other respects, the recommendation of the District Medical and Sanitary Officer is adopted.

	Rs.
Budget estimate for 1899–1900 ..	2,946
Revised „ for 1898–99	2,710
Increase ..	236

30. *Conservancy, &c., (a)* (i) *Establishment.*—The provision of the last year for the maintenance of the conservancy staff is adopted.

	Rs.
Budget estimate for 1899–1900 ..	3,968
Revised „ for 1898–99	3,810
Increase ..	158

31. *(a)* (ii) *Other Charges, such as purchase or hire of Carts, &c.*—Provision is made for repairing the wooden rubbish and iron night-soil carts belonging to this Municipality; hence the increase.

32. *(b) Private Scavenging* — (i) *Establishment.*—The allotment of last year for the maintenance of toties is repeated; but the cartage for the removal of night soil has been charged under "Conservancy," as stated in paragraph 19 *supra*.

	Rs.
Budget estimate for 1899–1900 ..	4,000
Revised „ for 1898–99	2,600
Increase ..	1,400

33. *(c) Cholera and Plague Charges.*—The estimate framed by the District Medical and Sanitary Officer, Trichinopoly, for the plague charges is adopted; hence the increase.

	Rs.
Budget estimate for 1899–1900 ..	1,050
Revised „ for 1898–99	1,500
Decrease ..	450

34. *(d) Contingencies. — Festival Arrangements.*—The payment of contribution to the Trichinopoly Municipality for plague arrangements described in paragraph 8 *supra* is the cause for the increase in the revised estimate.

	Rs.
Budget estimate for 1899–1900 ..	2,290
Revised „ for 1898–99	2,060
Increase ..	230

35. *Grant 4, Lighting, &c.*—*Lighting.*—The allotment of the last year is repeated, the value of kerosine-oil not being favourable.

	Rs.
Budget estimate for 1899–1900 ..	400
Revised „ for 1898–99	540
Decrease ..	140

36. (5) *Avenues.*—No new plants are proposed to be planted during the ensuing year; hence the decrease.

37. The other items of expenditure under all grants call for no special remarks.

38. The proposition statement for the revision of the establishment is herewith submitted.

39. The budget, as proposed by the Council, closes with a balance of Rs. 2,566 or 8·4 per cent. of the total receipts.

Endt. on Cur. No. 1-Rev.

Submitted.

The provision made in the budget for private scavenging both under receipts and charges is inadequate, considering the figures for the current year and the year 1897–98 and the necessity of improving and extending the system.

(Signed) M. SRINIVASA ROW,
Deputy Collector.

2nd January 1899.

Endt. Ref. on Cur. No. 42-Rev.

Forwarded.

2. The Council's proposal to increase the house-tax may be approved in view of the increased expenditure rendered necessary by the plague precautions and of the proposals to extend the water-pipes to Srírangam.

3. *Paragraph* 10.—I do not understand on what grounds the Council expects a contribution of Rs. 1,500 from the Government. Their hopes are illusory and this item will probably be struck out.

4. *Paragraphs* 19 *and* 32 (*b*), *Private Scavenging.*—The reason for not leasing the night-soil depot should have been given. It has been stated that there was no demand for the night-soil manure, but this is very strange considering that it is eagerly bought on the south side of the river.

5. *Paragraph* 21, *New Works.*—In statement No. II-A., the total mileage of roads and streets metalled or gravelled and unmetalled should have been given. The state of the roads should have been reported by the Divisional officer. I have found the main roads in good order but the side streets might well be improved.

6. *Paragraph* 26, *Education.*—It is not known whether the teachers under the Municipality are all trained men. It would be better if the Council gave this information.

7. The estimated receipts from markets for 1899–1900 is Rs. 300 against Rs. 20,800 in the Trichinopoly Municipality—a very poor return. The Council should endeavour to improve this source of income.

8. The balance of Rs. 100, 80 and 50 respectively, under tax on arts, buildings and lands referred to in statement No. IV-A, should be collected soon.

9. The closing balance is reported to be Rs. 2,566. If the recommendation of the Council referred to in paragraph 3 *supra* for the grant of Rs. 1,500 as contribution is not sanctioned, the balance will be only Rs. 1,066, far below the prescribed limit of 10 per cent.

10*th January* 1899. (Signed) R. H. SHIPLEY,
Collector.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, Madras, to the Secretary to Government, Local and Municipal Department, dated 18th January 1899, No. 595.

Referring to the budget estimate of the Srírangam Municipality for 1899–1900, I have the honour to state that the allotments made therein under the several heads of Grant 2 may be accepted with an addition of Rs. 50 for building, furniture and other special grants to enable the Municipal Council to pay such grants to managers of results schools. With this addition, the net expenditure on education will be Rs. 2,700 (Rs. 3,540—840), which is about 13 per cent. of the estimated income of the Municipality from taxation and markets.

2. The heading "Result grants" in Statement II should be altered into "Fixed and results grants."

From Surgeon-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 20th January 1899, No. 73.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the Srírangam Municipality for the year 1899–1900 is sufficient and calls for no further remarks.

ORDER—No. 189 M., dated 13th February 1899.

The estimated receipts and charges of the Srírangam Municipality for 1899–1900, as passed by Government are compared below with the budget and revised estimates for the year 1898–99 and the actuals of 1897–98.

REVISED ESTIMATE FOR 1898–99.

2. The current receipts and charges are now estimated at Rs. 28,920 and Rupees 28,610, respectively, against Rs. 26,480 and Rs. 27,050 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under the taxes on arts, buildings and lands, avenue receipts and contributions from Local Boards, and that in the charges under Grant 3. With reference to G.O., No. 1259, Financial, dated 28th December 1898, communicated with G.O., No. 44 L., dated 11th January 1899, the provision for plague charges will be reduced from Rs. 1,600 to Rs. 1,320. The balance to be carried forward to the next year's budget will then be Rs. 3,280.

BUDGET ESTIMATE FOR 1899–1900.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 30,680, against the revised estimate of Rs. 28,920. An increase appears mainly under the taxes on buildings and lands and grants from Government, but it is partly counterbalanced by a decrease under avenue receipts, contributions from Local Boards and other bodies and private scavenging fees. The Municipal Council's proposal to raise the rate of the taxes on buildings and lands from 6¼ to 7½ per cent. of the annual value is sanctioned. The grant of Rs. 1,500 taken credit for from Provincial funds towards plague charges will be struck out, as there is no necessity for it. The communication promised in paragraph 19 of the Chairman's letter is awaited. The attention of the Municipal Council is drawn to the remarks of the Collector in paragraph 7 of his endorsement.

4. *Charges.*—(1) The probable charges are put down at Rs. 31,110 against Rs. 28,330 in the revised estimate, the increase being mostly under Grants 1 and 3.

(2) *Grant 2.*—The increase of one rupee each, in the salaries of the two teachers of the Municipal girls' school, proposed in paragraph 26, is approved. As recommended by the Director in paragraph 1 of his letter read above, a sum of Rs. 50 will be provided for building, furniture and special grants to aided schools.

(3) *Grant 3.*—The remarks of the Sanitary Commissioner on the allotments for vaccination, registration of vital statistics and sanitation are awaited.

(4) *Grant 4.*—The increase from Rs. 5 to Rs. 5–8–0 in the salary of one of the lighting masalchies, which from Statement II-B appears to be contemplated, but which is neither referred to in the Chairman's letter, nor shown in the proposition statement, cannot be approved.

5. As revised by Government, the budget closes with a balance of Rs. 1,310 or 4·5 per cent. of the estimated receipts.

REVISED ESTIMATE FOR 1898-99.

2. The current receipts and charges are now estimated at Rs.28,920 and Rs.28,610 respectively, against Rs.26,480 and Rs.27,050 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under the taxes on arts, buildings and lands, avenue receipts and contributions from Local Boards and that in the charges under grant 3. With reference to G.O. No. 1259 Financial, dated 28th December 1898, communicated with G.O. No.44 L dated 11th January 1899, the provision for plague charges will be reduced from Rs.1,600 to Rs.1,320. The balance to be carried forward to the next year's budget will then be Rs.3,280.

BUDGET ESTIMATE FOR 1899-1900.

3. Receipts. The receipts for the ensuing year are placed at Rs.30,680, against the revised estimate of Rs.28,920. An increase appears mainly under the taxes on buildings and lands and grants from Government, but it is partly counterbalanced by a decrease under avenue receipts, contributions from Local Boards and other bodies and private scavenging fees. The Municipal Council's proposal to raise the rate of the taxes on buildings and lands from 6¼ to 7½ per cent of the annual value is sanctioned. The grant of Rs.1,500 taken credit for from Provincial funds towards plague ~~and expenditure~~ charges will be struck out, as there is no necessity for it. The communication promised in para 19 of the Chairman's letter is awaited. The attention

of

of the Municipal Council is drawn to the remarks of the Collector in para.7 of his endorsement.

4. Charges. (1) The probable charges are put down at Rs.31,110 against Rs.28,330 in the revised estimate, the increase being mostly under Grants 1 and 3.

(2) Grant 2. The increase of one rupee each, in the salaries of the two teachers of the Municipal Girls' school, proposed in para. 20, is approved. As recommended by the Director in para.1 of his letter read above, a sum of Rs.50 will be provided for building, furniture and special grants to aided schools.

(3) Grant 3. The remarks of the Sanitary Commissioner on the allotments for vaccination, registration of vital statistics and sanitation are awaited.

(4) Grant 4. The increase from Rs.5 to Rs.5-8-0 in the salary of one of the lighting masalchies, which from statement II B appears to be contemplated, but which is neither referred to in the Chairman's letter, not shown in the proposition statement, cannot be approved.

5. As revised by Government, the budget closes with a balance of Rs.1,310 or 4.5 per cent of the estimated receipts.

V.R.
11/2/99
