1

Sir,

I have the honor to submit herewith an extract of the audit notes No. 19 for favour of your perusal and request that you will be good enough to accord sanction for the rate already paid owing to the necessity.

2. It was impossible to secure a carriage for less than 12 annas a day and the rate was therefore sanctioned by the Council.

3. The Inspector of Local Fund Accounts is not satisfied with the resolution

of the Council and insists
to obtain Government sanction,
hence the reference.

I have the honor to be
Sir,
Your most obedient servant.

Extract from the Audit notes of the
Brewada Municipality.

19. The Civil Apothecary attached
to the Municipal Hospital was
paid a carriage allowance of
8-12- per diem for several months
together, on account of Cholera duty.
This is opposed to the orders of
Government (vide L.P. No 924m
of 25th July 1889.) under which
the Council should itself hire
the necessary carts or gathas in
such cases for the actual days
on which the Medical subordina-
-ate may have to travel rapidly
over a large area. The special
sanction of Government should
therefore be now obtained for
admitting the charge, and in the
absence of a modification of the
order, the procedure above
described should be followed
for the future.
