First Grade Hospital Assistant
 Syed Mohideen Sahib

To
 The Chairman
 Municipal Council
 Canniyambadi

Thro' the District Medical and
 Sanitary Officer Salem.

Sir,

I beg to state that I have hitherto been
 occupying a house within 200 yards of the
 hospital for which the municipality was
 paying me the house rent; the owner having
 compelled me in spite of my consenting to
 pay higher rent from my pocket and
 insisting on my vacating the house, I had
 to leave the house.

I tried my best to procure another one
 close to the hospital but to no purpose.
 After all I had no other go than to remove
 myself to Amburpet. As the present
 building is not within 200 yards from
 the Hospital I have not submitted my
 bill for house rent. I have to forego the
 house rent.

house rent for no fault of mine. Therefore I request that the municipality will be kind enough to arrange for my accommodation by providing me with free quarters or to secure a suitable rented house close to the hospital.

Government has granted the Concession of providing Civil Hospital assistants either with free quarters or house rent in lieu, there being neither free quarters provided here nor suitable house being also available within 200 yards of the hospital, I have to pay an exorbitant rent from my pocket for the house which I now live in.

I beg the municipality will be pleased to arrange for my accommodation or to allow me the special Concession after obtaining the necessary sanction to pay me the house rent provided for in the budget. Considering the pecuniary circumstances explained above.

I beg &c

MUNICIPAL OFFICE, VANIYAMBADI.

Reference on No. *169* Dated *26th November 1899*.

John Gunn Barr Esquire I.C.S.
Chairman Municipal Council,
VANIYAMBADI.

To
The Surgeon General
with the Government of Madras.

Sir,

I have the honor to forward herewith
a copy of the report received from the
Hospital Assistant Vaniyambady regarding
the payment to him of house rent in lieu
of free quarters.

2. The Hospital Assistant had a rented
house close to the hospital and was
receiving rent therefor from the municipality
until 20th August 99, when as seen from
his report he had to vacate the building
through the owner's Compulsion. Not having
been able to secure another building
within 200 yards of the hospital in spite
of

of all his endeavours, he was obliged
to remove himself to a house beyond
that distance from the hospital.

3. He now requests that since no free
quarters have been provided for him by
the municipality and no rented house
is also available within 200 yards of the
institution, house rent may be paid to him.
The District Medical Officer endorses
that this request may be granted if possible.

4. Under G. O. No. 1542 dated 24th
January 1895 para 2, the grant of house
rent in lieu of free quarters is conditional
on the rented quarters being within 200
yards of the institution to which a Hospital
assistant is attached. For want of
funds, the municipality has not been
as yet able to provide free quarters
for the Hospital assistant nor can a
rented house be secured for him within
the prescribed distance.

In view of these considerations, the
Council at its meeting held on the 11th
instant has resolved to obtain sanction
for the payment of house rent asked
for

for by the Hospital assistant under
the exceptional circumstances stated
above. I request you will be so good
as to move Government to accord
the necessary sanction as a special
Case.

I have the honor to be
