Memo of the Chairman

I have repeatedly noticed that for want of authority, our Sanitary Inspector and the ward maistries working under him are not able to apprehend persons committing nuisance by the road-sides and thorough-fares; also on tank bunds &c. I have been often addressing the Police to cooperate with the municipal staff to put a stop to this great nuisance. The work is however not quite satisfactory. If a person commit nuisance in the very presence of a municipal servant, he cannot detain him if he does not let out his name: he must either pass by without taking notice of the matter or inform the Police nearest to the place so that action may be taken against him; but by this time, the person may run away and thus evade punishment. The Amended Act gives power to the Council to recommend such of the municipal servants as it deems sufficient to be empowered with Police powers exercisable under the Act. I therefore request the Council to solicit the Government, under Section 282 (4) of the Amended Municipal Act to empower the Sanitary Inspector and the Ward maistries to exercise the powers of a Police officer under the Act.
