Note for the Secretary.

In its Progs No. 7075 mis,
of 8th December last, the
Board of Revenue (S.H.L.R.
and Agri.) reported that Mr.
B. Mannas, Dy. Superintendent
Civil Veterinary Dept., was
prevented by the after effects
of inoculation from discharging
his duties for a period of
9 days. As he could not,
under existing orders, be
granted casual leave for
that period, the Board
submitted the case for the
orders of Government.

The Financial Dept.
to which the B.P. was trans-
ferred by the Revenue Dept.
has transferred it to L & M,
observing that orders in the
matter should issue in L &
M.

G.O. No. 1532 P. of 7.12.28,
which authorizes the grant
of 3 days' casual leave on
full pay to all Govt. Ser-
vants for the purpose of
being inoculated, does not

Concerning Mr. Manna's case,
as the period of his absence
exceeds the limit sanctioned
therein. In para 3 of its
Propo the Board, while con-
sidering "that so long as the
"head of the department is
"satisfied that the case is
"bona fide, such an absence
"from duty may fairly be
"treated on the same footing
"as that covered by G.O. No.
"626 Financial, of 18th July
"1898", makes no reference to
G.O. No 1532 of 7.12.98. The
casual leave granted under
either of the two G.O.s. quoted
does not count against ^{the} casual
leave otherwise due. It would
appear that Mr. Manna's case
does not strictly come under
G.O. No 626 Fin. of 18.7.98, as
he was not "directed by the
"head of his office to absent
"himself from his duties
"in consequence of the pre-
"valence of infectious disease
"in his house". The reason
which led to his absence

was just the same as that
which ~~led~~ induced Govt.
to issue its Order No 1532^P of
7.12.98 and it would there-
fore appear that his case
should be dealt with under
that order. As moreover
cases like this are not, as
observed by the Chief Secy,
likely to be many and as
the Board's proposal
would, if approved, prac-
tically supersede G.O. No.
1532 of 7.12.98, it is submitted
that Mr. Manna's case may
be treated as a special one.

In the C.S.

Before transferring the file to L. & M. to pass orders, it seems necessary to consider ⁽ⁱ⁾ whether this order should issue in L. & M. or in Fint. ~~Intervention~~ ⁽ⁱⁱ⁾ what the terms of the order should be.

General
The Board's decision is that the order should issue in L. & M. and the terms of the order should be that the leave should be granted for 3 days.

In the C.S.

L. & M. agree with

the Board in its para 3 (please see end) to that effect in the docket. The Board's proposal is that absence on account of inoculation may at the discretion of the head of the dept be treated on the same footing as that covered by G.O. 626 Fint. 9.15.

A. July 1898, which places no limit on the period of absence which shall not count against casual leave.

C. G.O. No. 1532 P. & 7. Decr 1898 limits inoculation casual leave to 3 days. If the

Board's present proposal is approved there will be a conflict between the order to be issued & G.O. 1532 P. 7. C
 7th December 1898, & if final now issues any order on the subject of inoculation casual leave then will be an additional anomaly of his depts of for. issuing the different orders on the same subject. It would seem that either Mr. Manas' case should be treated as special or G.O. 1532 P. C should be modified. It has been customary for all orders re casual leave to issue in Financial & G.O. 1532 P. 7. 12. 98 should have gone out from this Dept. Orders are solicited

Mr. Langford to have looked at to final. but forget that casual leave was dealt with then.

W. L. F.

C. S.
 13.1.99 I think it will be best to treat Manas' case and other similar cases as special. The 11th proposal practically supersedes G.O. 1532 P. C. Even like Manas' case not likely to be many and it is well that Govt. should know of them for the present.

Read the following letter from B. Mannas, Esq., Deputy Superintendent, Civil Veterinary Department, No. 960 dated 9th November 1898 *To the Sups, Civil Veterinary Dept, through the Secy of Coimbatore :-*

In submitting herewith the certificate given to me by the Local Civil Apothecary for my having been inoculated, I beg to report that I was inoculated here on the evening of the 30th October '98 and confined to bed till the 3th instant, and so I was unable to attend to my work during that period.

Read also the following endorsement from J.A. Cumming, Esq., Ag. Collector of Coimbatore, dated 15th November 1898:-

Forwarded.

Rather severe after effects.

Read also the endorsement from the Superintendent, Civil Veterinary Department, No. 1012 dated 1st November 1898, submitting

the

the above letter to the Board for orders.

Resolution:-

The case will be submitted to Government for orders.

2. The Deputy Superintendent, Civil Veterinary Department,
was inoculated on the evening of October 30th, and the after-
effects prevented him from discharging his duties until the

3th November: he was therefore absent from duty for 9 days,
and cannot, under existing rules, be granted casual leave.

3. It appears to the Board that, so long as the head of the
Department is satisfied that the case is bona fide, such

an absence from duty may fairly be treated on the same footing

as that covered by G.O. No. 626 Financial, dated 18th July
