Sir,

With reference to Para 4 of the G.O. no. 1950. M - dated 19th November 1898 enjoining the publication of the lists of persons qualified to vote and to be elected as councillors on or before the 1st January 1899, I have the honour to report that owing to ^{the} oversight of the office, lists were not prepared and published before the 12th instant. It was only on the 10th instant that the omission was perceived. The lists were prepared at once and duly published on the 12th instant. There was no difficulty in preparing them as the

as the lists under the old Rules which had been correctly prepared in October last had only to be modified with reference to the new rules.

2. I very much regret this irregularity in the publication of the lists, though such irregularity has been provided for under no. 12 of the new rules. I shall take care that similar irregularities do not occur again and I request that the Government will be pleased to condone it or if necessary to extend the period fixed for the presentation of objection petitions to the Chairman and the Collector under the Rules nos 7, 8, 9, 10 and 11, by 12 days.

3. I may add that the new lists will not be brought into use before the end of April as one vacancy among the Councillors will occur only by the 10th of March next.
