(Through the Divisional Officer & Collector.)

Sir

In submitting herewith an extract from
the proceedings of the Municipal Council
Elloor dated 16.11.98, I have the honor to
request that you will be good enough to
extend the provisions of sub section 122 of
Section 282 A of Act IV of 1884 as amended by
Act III of 1897 to all Municipal
Cart drivers in the Municipality whose
salaries are being paid by the owners

1/448 M/99

2 This will prevent the drivers from striking work and thus avoid inconvenience to the Municipality.

I have the honor to be
Sir,

Yours most obedient servant

Chairman.

The cart drivers are not under the immediate control of the Municipality; they are in the pay of the owners who have entered into contracts with the Municipality. That being so, they can hardly be termed Municipal servants to whom S 282 A is intended to apply. The carts herein referred to are required for the removal of rubbish

and other filth of the Municipality—experience any trouble in respect of these then they can easily turn in some of their staff of scavengers to this kind of work. The proposed extension does not seem to be quite necessary.

2. I concur in the view and think that the extension of the provisions referred to, to such cart drivers as they are not paid servants of the Municipality but of private individuals.
