Pay and allowances of Military Officers on Plague Duty.

Stating, with remarks, that the present practice of showing the — as Direct charges under
24-D. GRANTS FOR MEDICAL PURPOSES should continue.

GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—again the following paper:—

G.O., No. 698, Financial, dated 15th August 1898.

ABSTRACT.—Explaining the distinction between *Direct* and *Indirect* charges, and issuing a revised appendix to G.O., No. 547, Financial, dated 18th June 1898, directing that the plague charges incurred in frontier districts shall, with effect from the 1st April 1898, be distributed in certain proportion among all the districts of the Presidency.

READ—also the following paper:—

From the Plague Commissioner, dated 5th January 1899.

ORDER—No. 185, Financial, dated 4th February 1899.

The pay and allowances of Special Plague officers (*i.e.*, Military officers employed on plague duty) have hitherto been shown as *Direct* charges under 24-D. GRANTS FOR MEDICAL PURPOSES. The Plague Commissioner points out that this procedure appears to be opposed to rule 1 of the general instructions appended to G.O., No. 698, Financial, dated 15th August 1898, which requires that only *Medical* expenditure on account of plague should be recorded as *Direct* in the accounts. The Staff Corps officers appointed for districts are, he points out, really Special Divisional officers under Additional Mufassal Regulation 26 and the charges on account of their salaries and allowances seem debitable to 3. LAND REVENUE.

2. It is advantageous to treat expenditure connected with appointments created exclusively for plague duty as *Direct*, and it is for this reason that the Plague Commissioner and his establishment are shown as *Direct* charges under 24-D. GRANTS FOR MEDICAL PURPOSES. The Government considers, therefore, that the present practice as regards Military officers employed on plague duty should continue.

(True Extract.)

G. STOKES,
Chief Secretary.

To the Plague Commissioner.
