BELLARY DISTRICT BOARD OFFICE.

CR No. 1386

Dated the 23rd October 1899.

Despatched 21- " "

From *E. A. Eluri Esquire,*
COLLECTOR AND PRESIDENT DISTRICT BOARD,
BELLARY.

To
THE CHIEF SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
MADRAS.

SIR,

With reference to Government memorandum
No. 896 dated 30.8.99 pointing out certain dis-
crepancies in the Administration Report of the
District Board for the year 1898-99, I have the honour
to report as follows:—

Para (1). In columns 5 to 7 of Statement A the figures
of the revised estimate for 1898-99 were incorrectly given
instead of those of the budget estimate for the year
including subsequent allotments &c if any. Revised
figures for columns 5 to 7 are herewith furnished.

Para (3). In statement No. VI the number and details
of the dasabandam inams were not given under the
impression that figures for each taluk board were

Sufficient

Insufficient as in the case of markets. Details have been called for but have not yet been received from Bellary Taluk Board. The information will be furnished on receipt of a reply from the above Taluk Board.

Para (5). Out of 1028 Schools that were visited and prepared for examination 41 were Local Fund Schools and the remaining 987 other Schools.

Para (c). In statement VIII the Schools was shown
Talukwar, and Kottur where there is a School
being in the Kudligi taluk, the name of the
taluk was mentioned instead of the village. There
is no Salary system primary School at Kudligi.

Para (7). In the year 1897-98 there was no separate heading for watershed charges and these were included in the amount shown against 'miscellaneous' which was Rs 818, but ~~in~~ the year reported on, a separate heading was opened and hence there is apparently an increase of Rs 610 under this head whereas ~~there was~~ there was actually a decrease as will be seen from the total expenditure under "miscellaneous"

and

and "watersheds" for the two years.

I have the honour to be,
Sir,

Your most obedient Servant,

Memorandum.

resp

The following points are noticed in the President's report and in the statements submitted with it.

(1) In columns 5 to 7 of Statement I-A, the figures ~~relating~~ of the revised estimate for 1898-99 are given instead of those of the budget estimate for the year including subsequent allotments &c. as required by the heading. ~~The revised figures should now be reported.~~

(2) In columns 8 and 11 of the same statement, the balance under the District Fund and the total balance on 1st April 1898 are given as Rs 28,006 and Rs 25,938 respectively, instead of Rs 25,938 and Rs 28,006.

(3) In Statement VI, the number and details of the Dasabandam Ina
han

have not been given.

(4) Columns 6 and 7 of Statement VII should be filled in as regards land-cess, after obtaining the necessary information from the Collector.

(5) In para. 35 of the President's report, the number of Local Fund schools prepared for examination, as distinguished from other schools, has not been given.

(6) From para. 39 it appears that there was a primary school at Kotturu, whereas in Statement VIII this school is omitted, but a new one at Kudligi is given instead.

(7) In para. 52, the difference between the total outlay under Grant 4 during the year under report and the previous year, is stated to be due to the decrease in the lighting and water-shed charges, whereas according to Statement I-B, there was an increase

of

of Rs 610 under the latter head.

The necessary correction has now been made with reference to clause (2) above. The discrepancies pointed out in clauses (6) and (7) should be explained and the omissions noticed in clauses (3) and (5) and the information required in clause (1) should be supplied as soon as possible.
