SALEM COLLECTOR'S OFFICE,

Ref No. 368

P.C

Despatched on 8<sup>th</sup> February 1899

FROM

Robert B. Hegg Esq.,  
Collector and District Magistrate,  
Salem,

To

Plague  
THE SECRETARY TO THE COMMISSIONER OF

Madras.

SIR,

Cno 1426.  
sent to P.C.

With reference to my telegram of the 2<sup>nd</sup> instant, I have the honour to ask for another batch of 50 sappers for Hosur taluk. We have at present 50 men under a native officer (Jinnad) and they are employed in the disinfection of Mattigiri and Thulagiri which is not nearly yet completed, the reason being that their services have had to be employed in disinfecting houses and camps in surrounding villages where stray cases have occurred.

There have been indigenous cases in Hosur town and yesterday I reported an outbreak at Perikhal, which has been totally quarantined and consists of nearly 400 houses.

you will see therefore that in Hosur town  
 and Berikhal a good deal of work will be  
 necessary letting aside smaller villages  
 around the Remount Depot, Kothapalli,  
 Guzmudi, Bedarahalli and Adahalli.  
 The epidemic seems to be spreading  
 and we cannot trace how with any  
 certainty, though on account of prompt-  
 ness in evacuation it has not done  
 very serious damage in any one village.  
 Labour for <sup>building and</sup> disinfection it is impossible  
 to get. The men now employed are being  
 supervised by Captain French and have  
 been giving a lot of trouble. It would be  
 very desirable that 50 more men <sup>be</sup> sent.  
 There should be an European officer  
 in charge of them. The matter is urgent and  
 I should be pleased if early orders are  
 obtained.

Yours truly,  
 I have the honor to be,  
 Sir,  
 Your most obedient servant,  
 McCallin.
