182. Read Government endorsement No 642 dated 16th June 1899 requesting to report the steps taken for the construction of the feeder roads to the Bezwada–Madras railway line in the Kistna District.

Resolution.— The President will be requested to inform the Government that there are in existence cart tracks leading to all the stations on the B. M. Railway though some of them might well be improved, that by resolution No 170 dated 19th August 1899, Rs 1950 were allotted for the construction or improvement of approach roads to the stations of Tenali, Ponnur and Bapatla, that the Unions of Chirala and Perala have constructed approach roads at the Chirala station and that the improvement of other roads will be taken in hand as funds become available.

It is possible, but cannot be absolutely stated as a fact now, that the Board may find itself in a position to allot further funds at next meeting.
