LOCAL AND MUNICIPAL DEPARTMENT.

26 January 1899.

Sir,

I am directed to acknowledge the receipt of your letter V. No. 1980-M, Miscellaneous, dated 24th November 1898, forwarding, for information, copies of a report from the Resident of the Municipal Commission of Madras explaining the circumstances under which the Municipality undertook the reclamation of certain land attached to the Harness and Saddlery Workshop at Madras for the purpose of filling it up on sanitary grounds and of one from the Health officer, Madras, on the unhealthiness of the land as it existed before the Municipality commenced to fill it up and the Municipality's action on the sanitary condition of the place and its neighbourhood.

2/ With reference thereto, I am to say that there is no objection to the filling up with silt of the land in question as the objections raised by the local Military Authorities were on account of the deposit of town refuse and sewage on the site. It is understood that this can be continued without cost to the Military Department.

I am,

Sir,

Your most obedient servant,
