GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following paper:—

From Surgeon-General D. SINCLAIR, M.B., C.S.I., I.M.S., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 1st November 1899, No. 326.

In accordance with G.O., No. 2067 L., dated the 27th October 1898, Local Boards and Municipal Councils are drawing their supply of medicines, &c., required for their institutions from the Madras Medical Store Depot with effect from 1st April 1899. Some of these bodies have now indented for articles which are not borne on the authorized list of medicines sanctioned by the Government of India.

2. In paragraph 1 of G.O., No. 1157 L., dated the 26th May 1893, it was decided that the Surgeon-General should obtain sanction to purchase in the country such medicines as could not be supplied by the Storekeeper. But now that the control of the depot has passed from this office to the Director-General, Indian Medical Service, Simla, I have the honour to enquire if the above order still holds good. It appears to me that under instructions from the Director-General the Medical Storekeeper should arrange to meet such demands, or that the bodies referred to should get such medicines from the local market through its medical adviser, *i.e.*, the District Medical and Sanitary Officer, especially as no check on Local Fund and Municipal indents is exercised by this office.

Order—No. 2334 L., dated 16th November 1899.

Under article 206 of the Local Fund Code, Presidents of Local Boards are authorised, in urgent cases, to purchase European medicines locally, on their own responsibility, and with the advice of the District Medical Officer, and apply formally for the retrospective sanction of Government. The same procedure should be followed in all cases in which a local body finds that the Madras Medical Depot is unable to supply any of the medicines required by it.
