I really do not see what good effect is served in my making remarks as I note that my last recommendation to appoint Mr Schmidt was negatived by the Hon. Member because the President does not select him; & I presume that if he was not to recommend anyone but Mr Vaughan, it would be rejected for the same reason. I will only say, therefore, that Malabar wants new blood in its Engineering staff & experience in road making very badly; Mr Vaughan represents the former but not the latter, & if an experienced man cannot be obtained will probably serve as well as any other candidate on the list.

LOCAL & MUNICIPAL DEPT.
CURRENT No. 3024 L.

From

G. W. Dance Esq., I.C.S.,
President, District Board,
MALABAR.

To

The Secretary to Government,
Local and Municipal Department,
MADRAS.

Sir,

I have the honor to report that Mr. B.W. Blackwell, who was appointed Assistant Engineer at Tellicherry in G.O.No.1215 A.L. Mis:, dated 12" June 99, has resigned his appointment, having been given a much better one in the Irrigation Department in the Punjab. This shows that the pay of the Assistant Engineers under the Dt. Board, although it was recently raised by Government on my suggestion, is not sufficient to induce men of good attainments and experience to remain.

2. Under these circumstances I propose to appoint Mr. Charles James Vaughan, No.8 in the list of applicants submitted with my letter Ref on C No.546/L.F. dated 10" May 99. Mr. Vaughan is fresh from the Roorkee Engineering College and is therefore wanting in experience. But he ~~pay~~ may perhaps be induced to remain, in which case there will probably be no difficulty about breaking him in.

G.O. 1215 A.L.
12-6-99

3. I request that the Government may be pleased to communicate its orders to me by wire. I have ascertained from the Principal of the Roorkee Engineering College that Mr. Vaughan is willing to accept the appointment.

I have the honor to be,
Sir,
Your most obedient servant,
G W Dance
President.
