CURRENT No. 3151 L.

Sir,

In submitting herewith copies of para 1 of Treasury Deputy Collector's letter No. 500 Audit dated 7th October 1899 to the Inspector of Local Fund Accounts on his Results Statement for March 1899, and the reply thereto, I have the honour to state that in making the adjustment of the amount Rs. 25,862 on account of -- Plague Contribution for other Districts by this District, the Inspector ought to have shown the whole amount under District Board instead of under Taluk Boards and made the necessary recovery on that account by transfer of proportionate amount from Taluk funds. The fact was however pointed out to him and the balance under District, Taluk and Union funds as per correct classification communicated to the Inspector and to Government-Vide amounts shown as balance in columns 7 to 9 of the alteration memo for IA and IB submitted to Government on 15th October 99. Nevertheless, the Inspector suggests - that as the balance as worked out by him in his Result statement was communicated to Government prior to the receipt by him of the balances advised by Treasury Deputy Collector as per correct classification, the necessary adjustment to the debit of District Board and credit of Taluk Boards may be made in the current year's accounts. This step would be unnecessary if Government could adopt the balances advised by the Treasury Deputy Collector and submitted to Government in this office No. 299 dated 15th October 1899.
