Note for the Secretary

C. No. 2867.

With the current read above the Plague Commissioner forwards a letter from the Collector of Anantapur regarding the prohibition of pilgrimage to 7 festivals taking place at different stations in the district during March and April. In forwarding the Collector's letter, the Sanitary Commissioner remarked that no special action would be necessary except in the case of festivals (5) and (6), please see enclosure to Collector's letter, flagged A. The Plague Commissioner agrees with the Sanitary Commissioner and submits a draft notification prohibiting pilgrimage only to the two festivals above referred to.

It seems ~~necessary~~ better to prohibit pilgrimage to festival No. 4 also. Jaliki, the place where it is held is as yet uninfected, but Gooty is one of the places from which people proceed to attend it and as there

have

have ~~been recently a~~ number of plague cases in the Gooty town itself, it seems desirable that people from Gooty should not be permitted to attend it.
