establishments and ... pal Funds, amounted to Rs. 7,62,899 or 33 ... maintenance of roads.

LOCAL AND MUNICIPAL DEPARTMENT.

Letter—from

H. TREMENHEERE, Esq., I.C.S.,
Secretary to the Government of Madras,

To

The SECRETARY to the GOVERNMENT of INDIA,
Home Department.

Sir,

I am directed to forward the statements showing the working of the Local Boards and Union Panchayats in this Presidency for the year 1898-99, with a brief report explaining the main features of their administration.

I have the honour to be,
Sir,
Your most obedient servant,

H. TREMENHEERE,
Secretary to Government.

Fort St. George,
21*st November* 1899.

APPENDIX.

REPORT to accompany the statements showing the working of the Local Boards and Union Panchayats in the Madras Presidency during the year 1898–99.

I.—CONSTITUTION OF THE LOCAL BOARDS AND UNION PANCHAYATS.

District Boards.—As in previous years, there were 21 District Boards with a sanctioned maximum strength of 700. On the 31st March 1899 these Boards consisted of 645 members against 647 in the previous year. Of these, 79 were *ex-officio* members, 275 (85 officials and 190 non-officials) were nominated by Government and 291 (88 officials and 203 non-officials) were elected by the Taluk Boards, the corresponding figures for the previous year being 79, 272 (77 officials and 195 non-officials) and 296 (67 officials and 229 non-officials). Classed according to race, there were 126 Europeans or Eurasians and 519 natives against 126 and 521, respectively, in the previous year. Under the election rules in force, one-half of the sanctioned number of members for each District Board was elected by the Taluk Boards in all the districts except the Nilgiris, in which there are no Taluk Boards. The number of meetings held by the District Boards was 230 or seven less than in 1897–98; but the average attendance of members at each meeting continued to be seventeen (six officials and eleven non-officials) out of an average strength of 31 for each Board. The working of these Boards continued to be, on the whole, statisfactory.

2. *Taluk Boards.*—There were eighty Taluk Boards as in the previous year. These Boards had on the 31st March last 1,121 members against 1,122 in the preceding year, while the sanctioned maximum strength continued to be 1,172. Of these, 290 were officials and 831 non-officials against 289 and 833, respectively, in the previous year. Classified according to nationality, 70 were Europeans or Eurasians and 1,051 natives against 68 and 1,054, respectively, in 1897–98. The appointment of these members rested with Government, while the powers of re-appointing the members who were originally appointed by Government continued to be exercised by the Presidents of District Boards. The Taluk Boards held altogether 1,030 meetings or four less than in the previous year, and each meeting was as in that year attended, on an average, by eight members (two officials and six non-officials) out of an average strength of fourteen for each Board. These Boards continued to work, on the whole, satisfactorily.

3. *Union Panchayats.*—There were altogether 381 Union Panchayats, or five more than in 1897–98, in all the districts except South Canara, Malabar and the Nilgiris, where no unions have yet been formed. At the end of the year these Panchayats had an aggregate strength of 3,626 members against 3,551 in the previous year, out of a sanctioned maximum strength of 3,728 against 3,668. The powers of appointing and removing these members continued to be exercised by the Presidents of District Boards under the authority delegated to them by Government. Of the Panchayatdars 845 were village officers, who were *ex-officio* members, 292 other officials and 2,489 non-officials, the corresponding figures for the previous year being 840, 281 and 2,430. Fifty-seven of the members were Europeans or Eurasians and the remaining 3,569 were natives against 49 and 3,502, respectively, in 1897–98. In twelve of these Panchayats there was a preponderance of the official element; but the necessary steps to reduce this have since been taken or ordered to be taken. The Panchayats met in all 5,046 times against 4,938 in the previous year; but the average number of meetings for each Panchayat continued to be thirteen. Excluding the Panchayats newly formed during the year, 53 of these bodies failed to meet once a month, as required by section 129 of the Local Boards Act, and the Presidents of the Taluk Boards concerned have been directed to adopt the necessary measures for avoiding this irregularity in future. The average attendance at each meeting continued to be six (two officials and four non officials). The work of these bodies continued the same as in previous years and it was discharged, on the whole, in a satisfactory manner.

II.—RECEIPTS.

4. *Land-cess.*—This tax, which forms the principal source of local revenue, was, as in the preceding years, levied at two annas per rupee of the assessment in Malabar and the Nilgiris (except South-East Wynaad), at As. 1–6 in South Canara and at one anna in the remaining districts and in South-East Wynaad. The collections under this head amounted to Rs. 50,89,165 or 94 per cent. of the demand against Rupees 51,85,000 or 93 per cent. in 1897–98.

5. *House-tax.*—This was levied in 380 unions or six more than in the previous year. The maximum rates were in force in 248 unions, three-fourths rates in 64, two-thirds rates in eight and half rates in the remaining sixty. The collections rose from Rs. 4,14,011 or 90 per cent. of the demand to Rs. 4,45,182 or 91 per cent., the increase being due to the imposition of the tax in the unions newly constituted during the year and to the enhancement of the rate in some of the existing unions. The average incidence per house taxed again rose, having been As. 11–2 or four pies more than in the previous year. The rate-payers generally paid the taxes without difficulty.

6. *Educational Receipts.*—Excluding the sale-proceeds of books, which are now credited to "Debt heads," the receipts under this head rose from Rs. 2,24,040 to Rs. 2,35,332, the increase occurring chiefly under school fees and "Miscellaneous."

7. *Miscellaneous Receipts.*—The income under this head was made up chiefly of choultry, market and avenue rents and amounted to Rs. 6,47,536 or Rs. 43,582 more than in the previous year. The rent of lands attached to choultries and other receipts connected with them rose from Rs. 2,70,393 to Rs. 2,94,251, the increase which occurred chiefly in Tanjore being due partly to prompt collections and partly to a rise in the commutation rate of prices. The receipts from markets also rose from Rupees 1,62,200 to Rs. 1,73,473, the increase which occurred mainly in Anantapur, Coimbatore and Madura being due either to the collection of arrears or to competition at the sale of the leases. The Taluk Boards maintained 592 markets or four less than in 1897–98 and fees were levied in 528 of them against 530 in that year. The balance in favour of these institutions at the end of the year was enhanced from Rs. 2,14,213 to Rs. 2,38,068; but the Taluk Boards concerned have either promised or have been directed by Government to take the necessary steps for spending the greater portion of this amount on the improvement of the markets and the construction and repair of the roads leading to them. The receipts from avenues were almost stationary, being Rs. 1,18,196 against Rs. 1,18,052 in 1897–98, while the expenditure incurred on their extension and maintenance fell from Rs. 1,01,478 to Rs. 99,400. The condition of the avenues is reported to have been, on the whole, satisfactory.

8. *Ferry Rents.*—These amounted to Rs. 1,85,595 or Rs. 7,368 more than in the previous year, the increase which appeared mainly in Gódávari and South Canara being due partly to keen competition at the sale of the leases and partly to the establishment of additional ferries.

9. *Tolls.*—These were levied at 300 gates or fourteen more than in the previous year in all the districts except Gódávari and the total collections under this head rose from Rs. 7,71,155 to Rs. 7,83,726. Of this sum, Rs. 6,47,975 were realised at the Local Fund toll-gates and Rs. 1,35,751 were contributed by Municipal Councils on account of tolls levied by them on through traffic against Rs. 6,50,529 and Rs. 1,20,626, respectively, in 1897–98. The decrease under Local Fund tolls occurred chiefly in South Arcot, being due to the abolition of two gates, and the increase under municipal tolls, which occurred mainly in Madura, was due partly to an increase in the amount for which the municipal gates were leased out and partly to the collection of the arrears of the previous year. The net receipts from tolls, excluding the cost of establishments and contingencies and the contributions paid to Provincial and Municipal Funds, amounted to Rs. 7,62,899 or 33 per cent. of the expenditure on the maintenance of roads.

10. *Contributions.*—Grants amounting to Rs. 3,07,411 were received from Provincial Funds for the following purposes against Rs. 3,15,143 in 1897–98:—

	1897–98.	1898–99.
	Rs.	Rs.
(1) Public Works	1,62,198	1,31,985
(2) Schools	92,958	92,699
(3) Hospitals and Dispensaries	7,118	5,501
(4) Choultries	33,850	34,073
(5) General purposes	19,000	21,047
(6) To cover deficits	..	22,106
(7) Refunds	19	..
Total ..	3,15,143	3,07,411

In addition to this a sum of Rs. 390 was recovered from Special Funds, being chiefly the proportionate cost of the travelling allowances of the local audit clerks.

11. *Contributions from other Boards.*—The receipts under this head comprised the following items:—

	Rs.
Allotments from District to Taluk Funds	3,50,980
„ from „ to Union „	1,030
„ from Taluk to District „	53,037
„ from „ to Union „	94,363
„ from Union to District „	9,374
Total ..	5,08,784

12. *Debt.*—The receipts under this head rose from Rs. 4,07,516 to Rs. 4,42,856.

13. *Taxation.*—As in the previous year, the average incidence of Local Fund taxation per head of the population was As. 3–2 including tolls and As. 2–9 excluding them. The incidence of the total Local Fund receipts, excluding the special contributions and the nominal transactions specified in the preceding three paragraphs, however, rose from As. 3–11 to As. 4–6.

III.—Expenditure.

14. *General Establishments of Local Funds.*—The cost of these establishments amounted to Rs. 3,89,184 against Rs. 3,96,414 in 1897–98 as shown below:—

	1897–98.	1898–99.
	Rs.	Rs.
Controlling establishments at the Presidency, including pensionary charges	76,926	65,550
District audit establishments, including Taluk Local Fund gumastahs	36,980	36,052
Collectors' account establishments	22,637	22,643
Local Boards' office establishments, including contingencies	2,59,871	2,64,939
Total ..	3,96,414	3,89,184

The decrease which appears mainly under the first head was due to the fact that one-fourth of the cost of the staff of Assistant Inspectors of Local Fund Accounts for the years 1893–94 to 1896–97, which was erroneously debited to Local Funds instead of to Forest in those years, was during the year under review deducted from the contribution recoverable from Local Funds.

15. *Education.*—The charges under this head fell from Rs. 10,95,782 to Rs. 10,74,250, the decrease occurring chiefly under Boards' primary schools.

(*a*) *Inspection.*—As in the previous year, the District Boards employed 201 Inspecting Schoolmasters for supervising their educational operations.

(*b*) *Training and Special Schools.*—A training school was again maintained by each of the District Boards of Madura and Tinnevelly; but the training section of

the school at Melaviraraghavapuram in Tinnevelly was transferred to Government on the 1st January 1899. The working of the normal department of the Technical Institute at Madura was fair; but the results of the examination in the normal department of the other school, which was conducted after its transfer to Government, have not been reported. The District Boards also maintained 56 sessional schools at which village schoolmasters were trained for three or four months in the year and prepared for the Primary examination. Excluding the school in Malabar, the progress of which has not been reported, the working of these institutions was, on the whole, good. The progress made by the industrial school at Bezwada in Kistna was satisfactory, except that the students who underwent training in blacksmiths' work fared badly in the Technical examination. The industrial class attached to the training school at Melaviraraghavapuram in Tinnevelly also made good progress, while the examination results of the industrial department of the Technical Institute at Madura were not satisfactory.

(*c*) *Board and Aided Schools.*—There were 2,648 Boards' schools, of which 10 were high schools, 102 middle schools and 2,536 primary schools against 10, 105 and 2,688, respectively, in 1897–98. The number of schools aided from Local Funds, however, rose from 9,700 to 9,740, while the total number of boys under instruction in the Boards' and aided schools fell from 338,376 or 14·2 per cent. of the male population of school-going age to 338,036 or 14·0 per cent.

16. (*a*) *Hospitals and Dispensaries.*—The Local Boards maintained 131 hospitals as in the previous year; but the number of dispensaries was reduced from 226 to 222. The net cost of these institutions amounted to Rs. 5,18,693 against Rs. 5,41,957 in the previous year. There was again a fall in the total number of patients treated, which was 2,499,198 against 2,573,054 in 1897–98, the decrease which occurred, chiefly in Salem, Bellary, Trichinopoly, North Arcot and Anantapur being ascribed partly to the scare caused by the prevalence of plague and partly to the closure of some of the institutions temporarily owing to the deputation of the medical subordinates concerned on plague or cholera duty. Besides the ten nurses in Cuddapah who attended 705 cases of labour, the Local Boards maintained 221 trained midwives or eleven more than in the previous year at a cost of Rs. 29,291 against Rs. 26,437 in that year. They attended in all 16,312 cases of labour or 3,001 more than in 1897–98.

(*b*) *Vaccination.*—Fifty-two Deputy Inspectors of Vaccination and 687 vaccinators and probationers were employed by the District Boards and the number of operations performed by the vaccinators and probationers was 909,925 against 1,066,287 in the previous year. In addition to this the medical subordinates attached to the Local Fund hospitals and dispensaries vaccinated 14,310 persons against 16,210 in 1897–98. Thus the total number of vaccine operations was 924,235, of which 793,563 or 86 per cent. were successful, the corresponding figures for the previous year being 1,082,497, 962,223 and 89 per cent. The average cost of each successful case by the Local Fund vaccine staff was As. 4–4 or 8 pies more than in 1897–98. In all the districts vaccination was, as usual, conducted exclusively with animal lymph.

(*c*) *Sanitation.*—The expenditure under this head amounted to Rs. 5,13,766 against Rs. 5,26,972 in the previous year; but it was 88 per cent. of the allotment as in that year. The details of the expenditure are given below:—

	1897–98.	1898–99.
	Rs.	Rs.
Improvement of water-supply	1,13,358	94,881
„ „ village-sites	31,058	42,970
Conservancy establishments	3,35,654	3,37,277
Arrangements at fairs and festivals	19,081	14,842
Other sanitary outlay	27,821	23,796
Total ..	5,26,972	5,13,766

Further particulars are given in Statement IV. Fair attention continued to be paid to the sanitation of the rural tracts.

(*d*) *Plague.*—In all the districts except Nellore, the Local Boards adopted measures to prevent the spread of the bubonic plague and the expenditure on this account amounted to Rs. 3,18,716 against Rs. 41,110 in the previous year.

(*e*) *Medical Colleges and Schools.*—There were 47 students under training in the Prince of Wales' Medical School at Tanjore maintained by the District Board. Of these, fourteen appeared for the Hospital Assistants' examination and eight passed.

17. *Choultries.*—The Local Boards had under their control 570 choultries against 564 in 1897–98 and the expenditure incurred on them amounted to Rs. 2,27,171 against Rs. 2,29,852. Travellers were fed in 59 of these institutions, the remaining ones being mere rest-houses.

18. *Public Works.*—The charges under this head amounted to Rs. 33,31,367 or 88 per cent. of the allotment against Rs. 35,29,227 or 85 per cent. in the previous year as detailed below :—

	1897–98.	1893–99.
	RS.	RS.
By the Local Fund Engineering establishments ..	33,43,738	31,92,571
By the Revenue Department	1,47,165	1,11,029
By the Public Works Department	38,324	27,767
Total ..	35,29,227	33,31,367

The expenditure on communications, bridges, culverts, &c., fell from Rs. 31,24,040 to Rs. 29,91,098. One hundred and twenty-three and a half miles of road were newly constructed and 21,180 miles were repaired against 80½ and 21,210, respectively, in 1897–98. The outlay on the construction and repair of buildings, such as school-houses, hospitals, dispensaries, choultries, &c., amounted to Rs. 1,47,781 and that on miscellaneous public improvements, such as the plantation and maintenance of avenues and the construction and repair of markets, tanks and wells was Rs. 1,92,488, the corresponding figures for the previous year being Rs. 1,75,894 and Rs. 2,29,293.

19. *Establishment and Tools and Plant.*—The expenditure incurred on account of the Local Fund Engineering establishments, including contingencies, amounted to Rs. 6,02,892 or 19 per cent. of the outlay on works executed by them against Rupees 5,81,426 or 17 per cent. in 1897–98 and the maximum limit of 20 per cent. fixed by Government. The outlay on tools and plant was Rs. 52,562 or 1·6 per cent. of the expenditure on works against Rs. 39,912 or 1·2 per cent. in the previous year, the maximum limit prescribed by Government for all districts except the Nilgiris being 1 per cent.

20. *Railways.*—The balance to the credit of the Railway Guarantee Fund in Tanjore at the commencement of the year was Rs. 7,66,000 in Government securities and Rs. 1,25,897 in cash. From the working of the Máyavaram-Muttupet Railway during the twelve months ending with 31st December 1898, the District Board derived a net profit of Rs. 41,285, which represents 3·3 per cent. on the capital outlay. A sum of Rs. 12,000 was paid to the Agent of the South Indian Railway towards the cost of survey of the extension of the line from Muttupet to Avadaiyárkóyil and Rs. 2,14,100 were invested in Government securities. The balance to the credit of the fund at the close of the year was Rs. 9,80,100 in Government securities and Rs. 90,378 in cash.

NOVEMBER.

Local Boards and Union Panchayats.

Forwarding to the Government of India report on the working of the — in the Madras Presidency for 1898-99.

LOCAL AND MUNICIPAL DEPARTMENT.

LETTER—from

H. TREMENHEERE, Esq., I.C.S.,
Secretary to the Government of Madras,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT.

SIR,

I am directed to forward the statements showing the working of the Local Boards and Union Panchayats in this Presidency for the year 1898-99, with a brief report explaining the main features of their administration.

I have the honour to be,
Sir,
Your most obedient servant,

FORT ST. GEORGE,
21*st November* 1899.

Secretary to Government.

APPENDIX.

REPORT to accompany the statements showing the working of the Local Boards and Union Panchayats in the Madras Presidency during the year 1898–99.

I.—CONSTITUTION OF THE LOCAL BOARDS AND UNION PANCHAYATS.

District Boards.—As in previous years, there were 21 District Boards with a sanctioned maximum strength of 700. On the 31st March 1899 these Boards consisted of 645 members against 647 in the previous year. Of these, 79 were *ex-officio* members, 275 (85 officials and 190 non-officials) were nominated by Government and 291 (88 officials and 203 non-officials) were elected by the Taluk Boards, the corresponding figures for the previous year being 79, 272 (77 officials and 195 non-officials) and 296 (67 officials and 229 non-officials). Classed according to race, there were 126 Europeans or Eurasians and 519 natives against 126 and 521, respectively, in the previous year. Under the election rules in force, one-half of the sanctioned number of members for each District Board was elected by the Taluk Boards in all the districts except the Nilgiris, in which there are no Taluk Boards. The number of meetings held by the District Boards was 230 or seven less than in 1897–98; but the average attendance of members at each meeting continued to be seventeen (six officials and eleven non-officials) out of an average strength of 31 for each Board. The working of these Boards continued to be, on the whole, satisfactory.

2. *Taluk Boards.*—There were eighty Taluk Boards as in the previous year. These Boards had on the 31st March last 1,121 members against 1,122 in the preceding year, while the sanctioned maximum strength continued to be 1,172. Of these, 290 were officials and 831 non-officials against 289 and 833, respectively, in the previous year. Classified according to nationality, 70 were Europeans or Eurasians and 1,051 natives against 68 and 1,054, respectively, in 1897–98. The appointment of these members rested with Government, while the powers of re-appointing the members who were originally appointed by Government continued to be exercised by the Presidents of District Boards. The Taluk Boards held altogether 1,030 meetings or four less than in the previous year, and each meeting was as in that year attended, on an average, by eight members (two officials and six non-officials) out of an average strength of fourteen for each Board. These Boards continued to work, on the whole, satisfactorily.

3. *Union Panchayats.*—There were altogether 381 Union Panchayats, or five more than in 1897–98, in all the districts except South Canara, Malabar and the Nilgiris, where no unions have yet been formed. At the end of the year these Panchayats had an aggregate strength of 3,626 members against 3,551 in the previous year, out of a sanctioned maximum strength of 3,728 against 3,668. The powers of appointing and removing these members continued to be exercised by the Presidents of District Boards under the authority delegated to them by Government. Of the Panchayatdars 845 were village officers, who were *ex-officio* members, 292 other officials and 2,489 non-officials, the corresponding figures for the previous year being 840, 281 and 2,430. Fifty-seven of the members were Europeans or Eurasians and the remaining 3,569 were natives against 49 and 3,502, respectively, in 1897–98. In twelve of these Panchayats there was a preponderance of the official element; but the necessary steps to reduce this have since been taken or ordered to be taken. The Panchayats met in all 5,046 times against 4,938 in the previous year; but the average number of meetings for each Panchayat continued to be thirteen. Excluding the Panchayats newly formed during the year, 53 of these bodies failed to meet once a month, as required by section 129 of the Local Boards Act, and the Presidents of the Taluk Boards concerned have been directed to adopt the necessary measures for avoiding this irregularity in future. The average attendance at each meeting continued to be six (two officials and four non officials). The work of these bodies continued the same as in previous years and it was discharged, on the whole, in a satisfactory manner.

II.—RECEIPTS.

4. *Land-cess.*—This tax, which forms the principal source of local revenue, was, as in the preceding years, levied at two annas per rupee of the assessment in Malabar and the Nilgiris (except South-East Wynaad), at As. 1–6 in South Canara and at one anna in the remaining districts and in South-East Wynaad. The collections under this head amounted to Rs. 50,89,165 or 94 per cent. of the demand against Rupees 51,85,000 or 93 per cent. in 1897–98.

5. *House-tax.*—This was levied in 380 unions or six more than in the previous year. The maximum rates were in force in 248 unions, three-fourths rates in 64, two-thirds rates in eight and half rates in the remaining sixty. The collections rose from Rs. 4,14,011 or 90 per cent. of the demand to Rs. 4,45,482 or 91 per cent., the increase being due to the imposition of the tax in the unions newly constituted during the year and to the enhancement of the rate in some of the existing unions. The average incidence per house taxed again rose, having been As. 11–2 or four pies more than in the previous year. The rate-payers generally paid the taxes without difficulty.

6. *Educational Receipts.*—Excluding the sale-proceeds of books, which are now credited to "Debt heads," the receipts under this head rose from Rs. 2,24,040 to Rs. 2,35,332, the increase occurring chiefly under school fees and "Miscellaneous."

7. *Miscellaneous Receipts.*—The income under this head was made up chiefly of choultry, market and avenue rents and amounted to Rs. 6,47,536 or Rs. 43,582 more than in the previous year. The rent of lands attached to choultries and other receipts connected with them rose from Rs. 2,70,393 to Rs. 2,94,251, the increase which occurred chiefly in Tanjore being due partly to prompt collections and partly to a rise in the commutation rate of prices. The receipts from markets also rose from Rupees 1,62,200 to Rs. 1,73,473, the increase which occurred mainly in Anantapur, Coimbatore and Madura being due either to the collection of arrears or to competition at the sale of the leases. The Taluk Boards maintained 592 markets or four less than in 1897–98 and fees were levied in 528 of them against 530 in that year. The balance in favour of these institutions at the end of the year was enhanced from Rs. 2,14,213 to Rs. 2,38,068; but the Taluk Boards concerned have either promised or have been directed by Government to take the necessary steps for spending the greater portion of this amount on the improvement of the markets and the construction and repair of the roads leading to them. The receipts from avenues were almost stationary, being Rs. 1,18,196 against Rs. 1,18,052 in 1897–98, while the expenditure incurred on their extension and maintenance fell from Rs. 1,01,478 to Rs. 99,400. The condition of the avenues is reported to have been, on the whole, satisfactory.

8. *Ferry Rents.*—These amounted to Rs. 1,85,595 or Rs. 7,368 more than in the previous year, the increase which appeared mainly in Gódávari and South Canara being due partly to keen competition at the sale of the leases and partly to the establishment of additional ferries.

9. *Tolls.*—These were levied at 300 gates or fourteen more than in the previous year in all the districts except Gódávari and the total collections under this head rose from Rs. 7,71,155 to Rs. 7,83,726. Of this sum, Rs. 6,47,975 were realised at the Local Fund toll-gates and Rs. 1,35,751 were contributed by Municipal Councils on account of tolls levied by them on through traffic against Rs. 6,50,529 and Rs. 1,20,626, respectively, in 1897–98. The decrease under Local Fund tolls occurred chiefly in South Arcot, being due to the abolition of two gates, and the increase under municipal tolls, which occurred mainly in Madura, was due partly to an increase in the amount for which the municipal gates were leased out and partly to the collection of the arrears of the previous year. The net receipts from tolls, excluding the cost of establishments and contingencies and the contributions paid to Provincial and Municipal Funds, amounted to Rs. 7,62,899 or 33 per cent. of the expenditure on the maintenance of roads.

10. *Contributions.*—Grants amounting to Rs. 3,07,411 were received from Provincial Funds for the following purposes against Rs. 3,15,143 in 1897–98:—

	1897-98.	1898-99.
	Rs.	Rs.
(1) Public Works	1,62,198	1,31,985
(2) Schools	92,958	92,699
(3) Hospitals and Dispensaries	7,118	5,501
(4) Choultries	33,850	34,073
(5) General purposes	19,000	21,047
(6) To cover deficits	..	22,106
(7) Refunds	19	..
Total ..	3,15,143	3,07,411

In addition to this a sum of Rs. 390 was recovered from Special Funds, being chiefly the proportionate cost of the travelling allowances of the local audit clerks.

11. *Contributions from other Boards.*—The receipts under this head comprised the following items:—

	Rs.
Allotments from District to Taluk Funds	3,50,980
" from " to Union "	1,030
" from Taluk to District "	53,037
" from " to Union "	94,363
" from Union to District "	9,374
Total ..	5,08,784

12. *Debt.*—The receipts under this head rose from Rs. 4,07,516 to Rs. 4,42,856.

13. *Taxation.*—As in the previous year, the average incidence of Local Fund taxation per head of the population was As. 3–2 including tolls and As. 2–9 excluding them. The incidence of the total Local Fund receipts, excluding the special contributions and the nominal transactions specified in the preceding three paragraphs, however, rose from As. 3–11 to As. 4–6.

III.—Expenditure.

14. *General Establishments of Local Funds.*—The cost of these establishments amounted to Rs. 3,89,184 against Rs. 3,96,414 in 1897–98 as shown below:—

	1897-98.	1898-99.
	Rs.	Rs.
Controlling establishments at the Presidency, including pensionary charges	76,926	65,550
District audit establishments including Taluk Local Fund gumastahs	36,980	36,052
Collectors' account establishments	22,637	22,643
Local Boards' office establishments, including contingencies	2,59,871	2,64,939
Total ..	3,96,414	3,89,184

The decrease which appears mainly under the first head was due to the fact that one-fourth of the cost of the staff of Assistant Inspectors of Local Fund Accounts for the years 1893–94 to 1896–97, which was erroneously debited to Local Funds instead of to Forest in those years, was during the year under review deducted from the contribution recoverable from Local Funds.

15. *Education.*—The charges under this head fell from Rs. 10,95,782 to Rs. 10,74,280, the decrease occurring chiefly under Boards' primary schools.

(*a*) *Inspection.*—As in the previous year, the District Boards employed 201 Inspecting Schoolmasters for supervising their educational operations.

(*b*) *Training and Special Schools.*—A training school was again maintained by each of the District Boards of Madura and Tinnevelly; but the training section of

the school at Melaviraraghavapuram in Tinnevelly was transferred to Government on the 1st January 1899. The working of the normal department of the Technical Institute at Madura was fair; but the results of the examination in the normal department of the other school which was conducted after its transfer to Government have not been reported. The District Boards also maintained 56 sessional schools at which village schoolmasters were trained for three or four months in the year and prepared for the Primary examination. Excluding the school in Malabar, the progress of which has not been reported, the working of these institutions was, on the whole, good. The progress made by the industrial school at Bezwada in Kistna was satisfactory, except that the students who underwent training in blacksmiths' work fared badly in the Technical examination. The industrial class attached to the training school at Melaviraraghavapuram in Tinnevelly also made good progress, while the examination results of the industrial department of the Technical Institute at Madura were not satisfactory.

(*c*) *Board and Aided Schools.*—There were 2,643 Boards' schools, of which 10 were high schools, 102 middle schools and 2,536 primary schools against 107, 105 and 2,688, respectively, in 1897–98. The number of schools aided from Local Funds, however, rose from 9,700 to 9,740, while the total number of boys under instruction in the Boards' and aided schools fell from 338,376 or 14·2 per cent. of the male population of school-going age to 338,036 or 14·0 per cent.

16. (*a*) *Hospitals and Dispensaries.*—The Local Boards maintained 131 hospitals as in the previous year; but the number of dispensaries was reduced from 226 to 222. The net cost of these institutions amounted to Rs. 5,18,693 against Rs. 5,41,957 in the previous year. There was again a fall in the total number of patients treated, which was 2,499,198 against 2,573,054 in 1897–98, the decrease which occurred, chiefly in Salem, Bellary, Trichinopoly, North Arcot and Anantapur being ascribed partly to the scare caused by the prevalence of plague and partly to the closure of some of the institutions temporarily owing to the deputation of the medical subordinates concerned on plague or cholera duty. Besides the ten nurses in Cuddapah who attended 705 cases of labour, the Local Boards maintained 221 trained midwives or eleven more than in the previous year at a cost of Rs. 29,291 against Rs. 26,437 in that year. They attended in all 16,312 cases of labour or 3,001 more than in 1897–98.

(*b*) *Vaccination.*—Fifty-two Deputy Inspectors of Vaccination and 687 vaccinators and probationers were employed by the District Boards and the number of operations performed by the vaccinators and probationers was 909,925 against 1,066,287 in the previous year. In addition to this the medical subordinates attached to the Local Fund hospitals and dispensaries vaccinated 14,310 persons against 16,210 in 1897–98. Thus the total number of vaccine operations was 924,235, of which 793,563 or 86 per cent. were successful, the corresponding figures for the previous year being 1,082,497; 962,223 and 89 per cent. The average cost of each successful case by the Local Fund vaccine staff was As. 4–4 or 8 pies more than in 1897–98. In all the districts vaccination was, as usual, conducted exclusively with animal lymph.

(*c*) *Sanitation.*—The expenditure under this head amounted to Rs. 5,13,766 against Rs. 5,26,972 in the previous year; but it was 88 per cent. of the allotment as in that year. The details of the expenditure are given below:—

	1897-98.	1898-99.
	Rs.	Rs.
Improvement of water-supply	1,13,358	94,881
" of village-sites	31,058	42,970
Conservancy establishments	3,35,654	3,37,277
Arrangements at fairs and festivals	19,081	14,842
Other sanitary outlay	27,821	23,796
Total ..	5,26,972	5,13,766

Further particulars are given in Statement IV. Fair attention continued to be paid to the sanitation of the rural tracts.

(*d*) *Plague.*—In all the districts except Nellore, the Local Boards adopted measures to prevent the spread of the bubonic plague and the expenditure on this account amounted to Rs. 3,18,716 against Rs. 41,110 in the previous year.

(*e*) *Medical Colleges and Schools.*—There were 47 students under training in the Prince of Wales' Medical School at Tanjore maintained by the District Board. Of these, fourteen appeared for the Hospital Assistants' examination and eight passed.

17. *Choultries.*—The Local Boards had under their control 570 choultries against 564 in 1897–98 and the expenditure incurred on them amounted to Rs. 2,27,171 against Rs. 2,29,852. Travellers were fed in 59 of these institutions, the remaining ones being mere rest-houses.

18. *Public Works.*—The charges under this head amounted to Rs. 33,31,367 or 88 per cent. of the allotment against Rs. 35,29,227 or 85 per cent. in the previous year as detailed below :—

	1897–98.	1898–99.
	RS.	RS.
By the Local Fund Engineering establishments ..	33,43,738	31,92,571
By the Revenue Department	1,47,165	1,11,029
By the Public Works Department	38,324	27,767
Total ..	35,29,227	33,31,367

The expenditure on communications, bridges, culverts, &c., fell from Rs. 31,24,040 to Rs. 29,91,098. One hundred and twenty-three and a half miles of road were newly constructed and 21,180 miles were repaired against 80½ and 21,210, respectively, in 1897–98. The outlay on the construction and repair of buildings, such as school-houses, hospitals, dispensaries, choultries, &c., amounted to Rs. 1,47,781 and that on miscellaneous public improvements, such as the plantation and maintenance of avenues and the construction and repair of markets, tanks and wells was Rs. 1,92,488, the corresponding figures for the previous year being Rs. 1,75,894 and Rs. 2,29,293.

19. *Establishment and Tools and Plant.*—The expenditure incurred on account of the Local Fund Engineering establishments, including contingencies, amounted to Rs. 6,02,892 or 19 per cent. of the outlay on works executed by them against Rupees 5,81,426 or 17 per cent. in 1897–98 and the maximum limit of 20 per cent. fixed by Government. The outlay on tools and plant was Rs. 52,562 or 1·6 per cent. of the expenditure on works against Rs. 39,912 or 1·2 per cent. in the previous year, the maximum limit prescribed by Government for all districts except the Nilgiris being 1 per cent.

20. *Railways.*—The balance to the credit of the Railway Guarantee Fund in Tanjore at the commencement of the year was Rs. 7,66,000 in Government securities and Rs. 1,25,897 in cash. From the working of the Máyavaram-Muttupet Railway during the twelve months ending with 31st December 1898, the District Board derived a net profit of Rs. 41,285, which represents 3·3 per cent. on the capital outlay. A sum of Rs. 12,000 was paid to the Agent of the South Indian Railway towards the cost of survey of the extension of the line from Muttupet to Avadaiyárkóyil and Rs. 2,14,100 were invested in Government securities. The balance to the credit of the fund at the close of the year was Rs. 9,80,100 in Government securities and Rs. 90,378 in cash.

Brief report to the Government of India on the working of the Local Boards and Union Panchayats in 1898-99

No. 230 — 21st November 1899.

LOCAL AND MUNICIPAL DEPARTMENT.

Letter—from

M. HAMMICK, Esq., I.C.S.,
Acting Secretary to the Government of Madras,

To

The SECRETARY to the GOVERNMENT of INDIA,
Home Department.

Sir,

I am directed to forward the statements showing the working of the Local Boards and Union Panchayats in this Presidency for the year 1898-99, with a brief report explaining the main features of their administration.

I have the honour to be,
Sir,
Your most obedient servant,

Ag. Secretary to Government.

Fort St. George,
21st *November* 1899.
