Sir,

With reference to your letter Ref. on Cur. No. 199 of '99, dated 29-6-1899 regarding the Tallapudi Lower Secondary school, I have the honor to observe that the Taluk Board is itself competent to close the Tallapudi school, provided three months' notice of such intention is given to the Inspector of Schools of the circle, as required under Article 186 of the Local Fund Code: Please state if such notice has been given.

2. As to the proposal to convert the Anglo-Vernacular school at Nidadavole into an English Lower Secondary school, I have to enquire whether the local Educational officers have -- been consulted on the subject, as required under Article 185 of the Local Fund Code.

3. The letter should have been submitted to Government not only through the District Board, but also through the Director of Public Instruction (Vide Article 185 of Local Fund Code).

*Sir,*

Referring to para. 1 of your Ref.on Cur.No. 1561/D.B.of'99, dated 24- 7- 1899 I have the honor to state that the school at Tallapudi will not be closed before December next. Sanction is not now solicited in regard to the closure; the change going to be made has been noted in the proposition statement. As it is the Assistant Inspector of Schools that has full control over the Lower Secondary Schools, vide chapter III. IV (3) of the Inspection Code, and as it was he that suggested its closure, vide his Ref.on Cur.No.2972/C, dated 16th May 1899, it was thought that no further notice to any other officer was necessary nor anything more than communication of a copy of the Taluk Board's resolution No.2, dated 31- 5- 99 sanctioning its closure to the Assistant Inspector himself.

2. As to para. 2, I have to state that the Assistant Inspector of Schools himself, in his communication referred to above, suggested the conversion of the vernacular Lower Secondary school in Nidadavole into an English Lower Secondary School.

3. I request that you will be good enough to forward my letter to Government through the Director of Public Instruction. It was obviously assumed that you would do so yourself.

I have &c, &c,

~~*Sir,*~~

Through the President, District Board, Godavari.

Sir,

In submitting herewith a copy of the Ellore Taluk -- Board's Resolution No. 2(1), dated 31- 5- 1899, proposing to --- abolish the English Lower Secondary School at Tallapudi and to convert the Vernacular Lower Secondary School at Nidadavole -- into an English Lower Secondary School, I have the honor to request that sanction of the Government for the same be obtained.

2. As regards the abolition of the English Lower Secondary School at Tallapudi, I beg to state that after the removal of the Taluk Office and other public offices from Tallapudi to Kovvur, the attendance in the school at Tallapudi has greatly fallen off, the average being only 25. The Taluk Board retained the school in the village for nearly two years after the removal of the public offices to Kovvur with a view to ascertain how it would work; but during the period, matters have not improved. Thus the school has been on the decline ever since and any attempt to prop it up was considered a mere waste of public funds.

3. As for the necessity of converting the school in Nidadavole into an English Lower Secondary school, I would point out that the village is very near ~~to~~ Settipeta where there is an Executive Engineer's Office and to Kovvur where the Taluk

and

and other public offices are now located. The village Nidadavole itself contains a population of [illegible] and has considerable traffic, being situated near the junction of [illegible] in the Western [illegible] and on the borders of the Yernagudem Taluk. There is also a Railway Station for the village. The [illegible] Lower Secondary -- school already established in the village has fairly large number of pupils on its rolls, the average attendance of boys being 84 and there is no doubt but that an English Lower Secondary -- school will become self-supporting in the course of a year. It is principally on this ground, viz, that no expense will have to be borne by the Local Funds - that it is proposed to open a Lower -- Secondary school in Nidadavole. Tallapudi school being the only English Lower Secondary school in the Yernagudem Taluk, it has -- been thought desirable to remove it to Nidadavole which, though situated in the Tanuku Taluk, is on the borders of the [illegible] Taluk Yernagudem. In these circumstances the sanction of Government is solicited.

4. A proposition statement for the sanction of Government is also enclosed.

I have &c, &c,
