Sir,

With reference to your proceedings
Refon C No 788 dated 5th instant I have
the honor to state that as it will appear
from Clause 3 of G.O. No 1365 P dated
25th October 1898 and Mr Hammick's
Proceedings No 788 dated 27th idem, it was
intended that the Sepoy Guard should be
kept at Jalapet in lieu of the Police. There
have been eight escapes from the Camp up
to date, one being a plague patient,
in the Hospital, in spite of the Sepoy
Guard, which I think may be considered
better than a Police Guard. I do not
advocate dispensing with the Sepoy
Guard.

guard unless a strong police guard
is provided, which this District cannot
furnish. Only in this case the Sepoys
might be retained.

Sir,

Ref. 100/80

With reference to your letter
of the 30th of 26-10-88,
I have the honor to inquire whether
the military guard at the Jalapet
Camp may not now be dispensed
with, and the troops utilized, if
necessary, in disinfection work
at the indigenous plague
centres in your district, or sent back
to Bangalore. It now appears
I have been Mr. Hammett's
intention not to keep the troops
at Jalapet for more than a
fortnight.

Yours faithfully,

SIR,

In continuation of my letter no. 368 dated 20th instant, I have the honor to state that I asked Captain Hodgson in charge of the troops at Vaniambady whether if troops return to Bangalore, the detachment may be kept at Jolarpet as now arranged. He replied in his telegram of the 25th inst. that there was no objection and that he had already informed Bangalore (the Assistant Adjutant General) that they would stay at Jolarpet. I have therefore informed him that the troops may now return to Bangalore leaving the necessary guard for the Camps at Jolarpet. There are 60 men deputed to Jolarpet which seem to be far

more than necessary. I have asked Captain
Hodgson to inform me if such a large
guard is required.
