SIR,
I have the honour to submit the following report on my recent inspection of the Local Fund Accounts of the Gangam District for the period extending from July 1898 to May 1899.

2. The accounts were examined generally for the whole period in accordance with the instructions given in the enclosure to Accountant-General's letter to Government, No. L.F.D. 622, dated the 29th February 1892, as modified by subsequent Government Orders, and in detail for the month of March 1899.

3. A note on the defects found in the accounts has been forwarded to the President, District Board. The following points, however, deserve to be brought to the notice of Government. The general result of the inspection may be said to be fairly satisfactory when compared with previous years, but there is much room for improvement in the detail Accounts and the check of receipts, while the question of union Inspections should receive more attention. Detailed suggestions and instructions on these

and other points have been embodied in the
Notes.
