THE SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

MADRAS.

SIR,

The establishment of a new toll-gate near Bommarajin-palli at the 16th mile stone of the Vinukonda-Karempudi road was sanctioned with six others by Government in its order No. 261 M.S. dated 16th February 1899.

2. The privilege of collecting tolls was sold for Rs 304 for 1899-1900. It has been found that it is possible for carts passing along the road to leave it at the 3rd furlong of the 17th mile to go along the donka leading to Bhadrupalem evading the toll-gate and rejoining the main road at 3 or 4 furlongs from the present position of the toll-gate. The toll farmer complained of the loss he had to sustain by this evasion of payment of toll his income being in consequence reduced.

3. The District Board has therefore, resolved to move the gate

to 60 feet beyond the 3rd furlong post after the 1st mile
on that road from 1st April next, and the most that
Government will be allowed to erect on the
line after 1st April.

4. A copy of the sketch of the line to be
dated 1st April next, and a sketch of the present
and proposed position of the line, and the
