The Secretary to Government,
Revenue Department,
Ootacamund.

Sir,

I have the honour to inform you that at the last
Annual Meeting of this Association it was resolved:

"That this Association draw the attention of Government
to the extreme importance of, and the great saving of
money which will result from, the prompt granting of funds
to keep existing roads in order, as opposed to delaying
such grants till the roads practically want reconstructing"

It is improbable that you will require any arguments
advanced in support of this resolution, which was passed after
due consideration of the financial stringency with which your
Government has had to cope of late years. In the event, how-
ever, of the Government's view of this matter not being in full
sympathy with that of the Association, I shall be glad to re-
ceive an intimation to that effect, so that I may place at your
disposal, for favorable consideration, a more elaborate exposi-
tion of the Association's opinion.

I have the honour to be, Sir,
Your most obedient Servant,
Harry Ormerod
