(Through the Divisional Officer)

Sir,

In forwarding for the information of Government copy of the enclosed resolution of the Vellore Municipal Council, no. 14 dated 6th December '98, I have the honor to request the decision of Government on the following point: viz: -

(1) Whether the Manager of an Educational Institution being a Municipal Councillor is debarred under section 30 clause 3 of Act IX of 1884 as amended by Act III of 1897 from giving his vote on any question affecting the interests of that institution when the matter comes before the Council for decision?

(2) This objection has been raised on several occasions, but as the former manager of the American Mission College refrained from

voting

361/m/99

voting, there was therefore no necessity
for a reference to Government on the
subject, but in the case under reference
as the present manager insisted
on his vote being recorded on the
ground that he has not personally
any pecuniary interest in the question
before the Council, and as this has
been objected to by one of the Councillors,
as it is in opposition to the terms of the
Section above quoted, the whole Council
has resolved to obtain an authoritative
ruling, once for all, on this much vexed
question.

I have the honor to be
Sir
your most obedient servant,

W. A. H. H.

Chairman

C. No. 3617/99

SUBJECT.

Voting of interested Councillors.

FOR ORDERS.

It is doubtful whether the Manager of an Educational Institution can be said to have a "pecuniary interest" in all questions affecting the interests of the institution, so as to be ineligible to vote on them under Section 30(3) of the Act.

I quite agree. He has a pecuniary interest - the law does not say "personal pecuniary interest." His pecuniary interest is as manager.

Mr. Scudder's point - that personally he has no pecuniary interest - does not seem well taken. And manager he has such an interest.
