Resolution.

Under the present

apprehension that plague

might at any time break

into the town by sea com.

munication, or by land

communication from the

Mysore Province, and

considering also the local

conditions, the Council

is of opinion that it is

quite inexpedient and unad-

visable to disturb the present sta-

of Sanitary Sub-Inspector

who are all locally tra-

and experienced men.
They are now exclusively
attending to sanitation and
form also the plague precaution
ary observation staff within
their respective wards.

Sir,

Enclosures.-

One.

Adverting to paragraph 3 of G. O. No.
1512 M. Mis. dated 25th August, 1898, I have
the honour to submit herewith a copy of
the resolution passed by the Municipal
Council as regards the proposed revision
of the staff of sanitary sub-inspectors,
and to request that, in the circumstances
stated by the Council, Government will
be pleased to put off the Sanitary
Commissioner's suggestion for the present.

Dis. No. 8. 2 of 1899

SOUTH CANARA COLLECTOR'S OFFICE,

Mangalore

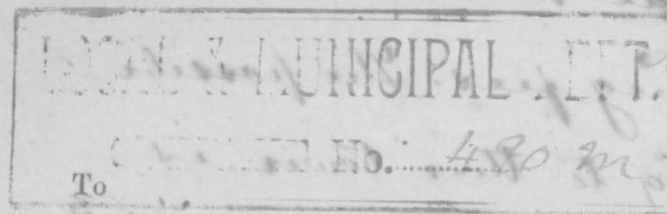

4th February 1899.

FROM

Esquire,

Collector of

South Canara.

THE CHIEF SECRETARY TO GOVERNMENT,

Local Municipal

Department,

Fort St. George.

Sir,

With reference to G.O. No. 1383 dated 14th December 1898, referring for my remarks

returned herewith together with its enclosure.

the letter of the Chairman of the Mangalore Municipal Council forward

ing copy of the Council's resolution with regard to the question of replacing the present staff of Sanitary Inspectors by an additional trained Sanitary Inspectors on Rs 20+15 and 4 assistants on Rs 10 each, as recommended by the Sanitary Commissioners. I have the honor to state that I do not consider the reasons put forward by the Council for maintaining the old Sanitary staff are good ones.

2. The 8 Sub-Inspectors that the Council wish to retain are not qualified except

largely this year in the ~~reduction~~ of the
land tax, and one still employed on
such extra duties as getting informa-
tion regarding vital statistics and
collecting scavenging fees. The possibi-
lity of plague coming to this town is
an argument for introducing the new
staff rather than for preserving the
old one. If some of the sub-inspectors
are found fit they might be taken
on as maistries on the reduced pay
which should be ample for men of
their stamp.

3. The real reason for the Council's
action is in my opinion a sentimental
one: The Council do not like doing
any thing that would injure or affect
the present sub-inspectors.

4. I observe the Council took till
October to consider the G.O. of August
1898, and the resolution was not com-
municated to Government till a month
later.

I have the honor to be,
Sir,

Your most Obedient Servant.
