Requesting to be informed if it

is necessary whether the plan of Observations
of the Kistna District should necessarily be
of the scale of 4 miles to an inch.

To the C.M. of Kistna

With reference to your letter
of 20th 4th 1899, I have the honor
to inform you that my circular
letter No 991 of 27-12-98 was
issued under the instructions of
Govt. and that I do not see
sufficient reason to make an
exception in the case of your
District.

OFFICE

OF THE

COLLECTOR & MAGISTRATE,

MASULIPATAM,

KISTNA DISTRICT.

3rd January 1899.

FROM,

R. MORRIS ESQ.,

Acting COLLECTOR, KISTNA DISTRICT.

To,

THE Plague Commissioner, Madras.

SIR,

With reference to your letter No. 991, dated the 27th December 1898, I have the honour to state that in the case of a large District like Kistna, the scale of 4 miles to an inch would make the map inconveniently large.

Further, as a map showing the proposed circles has been prepared for Government on the 8 miles to 1 inch scale, copies can easily be traced from it while the 4 inch scale map would have to be specially prepared. In these circumstances, I request to be informed if you would accept in lieu of the map on the 4 miles to an inch scale, a copy of that prepared by order of Government.

I have the honor to be,

Sir,

Your most obedient Servant,

M. V. S. S. S. S.
for Collector.
