LOCAL AND MUNICIPAL DEPARTMENT

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Proceedings of the Judicial Department No. 92 dated 17th January 1899:—

Read the following paper:—

From the Commissioner of Police, Madras, No. 130 dated 2nd December 1898:—

I have the honor to request inform you that the President, Madras Municipal Commission, has requested me to confer on the pensioned Sepoys employed by the Municipality for guarding health camps and plague hospitals in Madras City the powers of a police officer for the better fulfilment of their duties.

2. I informed him that I was prepared to enlist them as Special Constables under Act II of 1888 (Madras City Police Act) limiting their powers to the marginally noted sections of the Criminal Procedure Code, Act V. of 1898

3. I may state that similar powers were given to men employed by the Municipality for plague duty in Bombay and even here Sannuds are being granted to S.P.C.A. agents appointing them police officers with power to act only under Section 53, Act III of 1898 (Madras City Police Act)

4. The Orders of Government are requested as to whether they approve of my proposal.

5. I understand that it is the desire of Government that the regular Police shall have as little to do with the carrying out of plague Regulations as possible.

Order No. 92 dated 17th January 1899.

The Commissioner's proposal to confer on the pensioned Sepoys employed by the Municipality for the purpose of guarding health camps and plague hospitals in Madras City the powers of a Police Officer under the marginally noted Sections of the Criminal Procedure Code, is approved
