No 276 Pmis of 21.2.99

It is not considered advisable that the P.C. should accompany Port to the Hills, as he be very frequently, if not constantly, on tour, putting himself in personal communication with the D. officers, & encouraging & stimulating those who are engaged in the repression & extermination of Plague. He will be sent for ~~to~~ for whenever he may be required by Port, or may without special permission visit ~~at~~ the Outposts either to counsel Port or to inspect the administration of plague measures in that district.

CHIEF SECRETARY
GOVERNMENT OF MADRAS

Note for L & M Department, through
Financial Department.

For rem.

H. H. & C. M.

1/2/99

I am in hopes that as the hot
weather sets in, plague will so
diminish that the appt. of
Plague Commr. may be
abolished. But as long as
it continues, the P.C. ought,
as I noted on the fortnightly
report a few days ago, to
be very frequently, if
not constantly on foot,
pushing himself in personal
communication with the
St. officers & encouraging
& stimulating those who are
engaged in the repression
of plague.
The P.C.'s appointment
is not required

It is requested that the orders of
Government may be obtained whether the Plague
Commissioner is to go with Government to the
Hills.

The question needs decision so that
warm clothing and accommodation may be provid-
ed for the Establishment.

If the Plague Commissioner goes to
Ootacamund he will take only 2 or 3 clerks
and 2 peons. It is believed that accommo-
dation for these can be found without great
difficulty.

It has been noted by H. H. more than
once that Plague Commissioner should work in
close touch with L & M Department, but he is
a peripatetic officer and is often on tour.
Mr. Fennick was at first directed to be with
Government at Ootacamund.

I understand that Chief Secretary con-
siders Plague Commissioner should be with
Government; the Financial Department request-
ed Plague Commissioner when framing his
budget to provide for bill allowances, on
the understanding that office would go to
Ootacamund with Government.

Plague Commissioner.

for office work which can be
done by the Secy. aided by the
Office Asst. The P.C.'s touring
will be more prolonged & there
will be less inclination to cut it
short, if his P. Quarters remain
at Madras. I think therefore he
should not accompany Govt. to
the Hills. He will be sent for
whenever he may be required,
& if he wishes to have personal
discussion he can ^{come} ~~certify~~
~~for permission to come~~ ^{without special permission}
as the whole Presy. is under him
for Plague purposes, and he
can go to to be examined
as elsewhere.
