Note for the Secretary

With the current week's above the Plague Commissioner has forwarded the draft notification received from the Collector of Cuddapah regarding the prohibition of attendance at the ensuing Brahmotsavam festival at Kadiri of persons from

(1) the Mysore Province

(2) the Bombay Presidency

(3) the Nizam's dominions

(5) other plague infected parts.

The average attendance at the festival is 5000, of which one half is expected from plague infected parts. What these plague infected parts are from which people are expected has not been reported. There is nothing to show, beyond the mere mention of the name of places in the draft notification, that people from all the

plaigue-infected parts specified attend the festival. & the absence of this information we have to address all the other forts (Commonest Plgue Hyderabad & Bombay) without knowing for certain that people from those parts proceed to the festival.

It is therefore submitted that the Plague Commr. may be asked to furnish the ~~above~~ information. ~~for~~ ~~[redacted]~~. There is yet time for obtaining it ~~the info~~ ~~[redacted]~~ as the festival is to commence from the 20th. and the prohibition from the 15th. proximo.
