The Plague Commissioner
Madras.

Sir,

We learn from the Superintendent of the Straits Settlements Emigration Depot at this port that you have instructed him to keep the Coolies arriving from Plague infected area under observation for ten days before embarkation. But the Straits Government has already imposed nine days' quarantine at Penang on arrivals from the Madras Presidency ports; under this circumstance we have the honor to request that you will be good enough to inform us if the detention of such Coolies in Negapatam for 10 days before embarkation is requisite, as it only amounts to a double inspection when they are also placed in quarantine at

~~Negapatam~~. Penang
