SIR,

With reference to your Proceedings
No. 845, dated 5th December 1898,

I have the honor to request that
you will be so good as to let
me know whether the total
number of plague cases in the
District should be shewn
against item 3 in the Appendix
or whether the total number of
plague cases in the village
alone should be shewn. I pre-
sume that the number of cases
in the village alone should be
shewn, but as the matter is

not entirely free from doubt
I make this reference to you.

I have the honor to be

Yr

Yours most obedient servant.
