With reference to para 2 of G.O.

(Local & Municipal), I have the honor to
state that the man employed by the
State that the man employed by the
Government as a clerk was not a cooly,
but a Road Ministry of the permanent
establishment, who being an English-knowing
man, was made to faircopy his reports
without prejudice to his legitimate work.
This arrangement does not, I think, require
the sanction of Government.

2. The sweeper boys 3 in number, deputed
temporarily to look after the Casuarina
trees on the beach were borne on the
Conservancy establishment, and they
have been recalled to their permanent
work.

3. The pay of the 2 sweepers employed

Disputed of being
dispensed with, as first
resolved by the Council.

in the municipal garden and of the scavenger working in the Hospital has been debited to Grant IV - 6 (a) "Public garden" and Grant III - 1(a) "Hospitals and Dispensaries" respectively.

4. The Leper Hospital was handed over to the medical mission, with an annual contribution of Rs 200, and the building, and in consideration of the large expenditure which it involved, a municipal scavenger was deputed to conserve the premises free.

5. The rates of school fees have been raised and brought to the level of the rates levied in Local Board schools, as required by para 6 of the Council's resolution dated 24th Aug 1898.

The District Medical & Sanitary Officer Malabar is of opinion that the number of Hospital Assistants cannot be reduced, but one of the 1st class Hospital Assistants has been replaced by a 2nd class Hospital Assistant with effect from the 13th October 1898 thereby causing a saving of Rs 20 per mensem to the municipality. The other proposals referred to in the Council's
