Sir, D/ 28/1/99

In the revised budget for 1898–99 sanctd. in G.O. No 1246 Fin. d/ 17-12-98, a sum of Rs 66,750 has been provided ~~in revised budget for 1898-99~~ on account of contribution to private plague hospitals. In reply to a reference from this office enquiring whether this grant is likely to be wholly or partially utilised in the current year, the Collectors of S. Arcot, S. Canara, Chingleput, Cuddapah, Ganjam, Godavari, Kistna, Madras, Malabar, Nellore, Tanjore and Municipality of Vizagapatam report that ~~them~~ they do not require any allotment this year. The Collector of Coimbatore asks for Rs 3,000 but as this amount is not likely to be all spent during the next two months, it may

may be reduced to Rs 1,000. The Collr of the Nilgiris has applied for Rs 2,400, but it is not probable that not more than Rs 2,000 will be actually required. The Collectors of the remaining Dts ask for the following sums

Anantapur.	Rs 1000
N. Arcot	Rs 3000
Bellary	Rs 1500
Kurnool	Rs 2000
Salem	Rs 1500
Trichinopoly	Rs 300

2. As regards the City of Madras, the President has ~~[illegible]~~ made provision of Rs 15,750 in his latest estimate. In forwarding this estimate, I reduced the amount to Rs 10,500 ~~[illegible]~~ ~~[illegible]~~ by omitting the provision for the current month.

3. The total amount thus required, including the amount proposed for transfer to meet the cost of the addl. estabt in this office, is Rs 22,000, and I have the honour to surrender the balance of Rs 44,750 out of the estimate of Rs 66,750.

SIR,

With reference to your memorandum Ref. circ no. 175 of 99, dated 5th January 99, I have honor to report that in none of the places in this district people have yet come forward with proposals to erect private hospitals and segregation camps. In the month of October 98, the Brahmin Community of Vellore informed me personally that they wanted to have sheds built for their own use and that they had also subscribed about Rs 300 for the purpose. I selected a site for them in consultation with the District Medical and Sanitary officer and encouraged them to build the same, but they have not moved further in the matter. Towards the beginning of November 1898, the leading men of of Tirupati held public meetings and intimated to me through the chairman of the Municipality their desire to have private hospitals and camps for the different sects of people. I informed them that I would be glad to encourage and assist them if they came forward with definite proposals. They have not done so yet. Probably the decrease of plague in Bangalore accounts for the inactivity of the people in this direction. Now that plague has broken out seriously in this District, I expect that I may get some applications for the erection of private hospitals and camps. A sum of Rs 3000 out of Rs 50,000 provided in para 26 of G.O. No 1122 Financial dated 28-11-98, may therefore be provided for this district.
