HYDERABAD RESIDENCY ORDERS.

NOTIFICATION.

HYDERABAD RESIDENCY, the 16th February 1899.

No. 16.

In exercise of the powers conferred upon him by the Governor-General in Council in Notifications Nos. 444-I. A., dated the 4th February 1897, and 1232-I. A., dated the 3rd April 1897, the Resident at Hyderabad is pleased to make the rules hereinafter set forth under section 2 of the Epidemic Diseases Act, 1897, as applied to Railway lands in His Highness the Nizam's territory by Foreign Department Notification No. 443-I. A., dated the 4th February 1897, and to cancel the rules published under *Residency Orders* Notifications Nos. 3 and 2, dated respectively the 17th January 1898 and 12th January 1899:—

I. The Police at all railway stations, or, where there are no Police, the Station Master, shall obtain from all passengers alighting from stations within the Bombay Presidency (excluding Sind) or from stations within any other area declared from time to time to be infected, their names and addresses, the places whither they are bound, and the length of time they mean to stay there.

II. Such Police Officer shall, at places where individual medical inspection is made accompany the Inspecting Officer, and obtain the foregoing information under his orders. At stations where there is no Inspecting Officer, the Railway staff shall assist such Police Officer to take down the particulars either in the course of collection of tickets or by checking the exit of passengers or otherwise as may be found most convenient.

III. The particulars so obtained shall be communicated by the person who has obtained them, as the case may be, to the Police Officer of His Highness' service attending the station, and shall, if such Police Officer so desires, permit him to take a copy of the entry containing the particulars for transmission to his superiors.

The Railway Police at Hyderabad and Secunderabad shall also communicate the particulars so obtained to the Residency Surgeon and Superintendent of Police, Residency Bazars, and the Civil Surgeon and Superintendent of Police, Secunderabad, respectively; and at Raichur Cantonment, the Station Master shall communicate them to the Superintendent of Police, Raichur Cantonment.

IV. If any traveller from an infected area appears to be attempting to evade inspection by alighting at a station short of that of which his ticket bears the name, the Railway officials shall insist on his continuing his journey to such latter station, and shall take all measures necessary to compel him to do so.

V. If any traveller from an infected area shall alight at an intermediate station with the object of obtaining a fresh ticket so as to conceal the fact that he is a traveller from an infected area, the Police, or, in the absence of the Police, the Station Master, shall endorse the word "plague" in red ink on the fresh ticket issued, so that such traveller may on alighting at his destination be brought under observation.
