FROM

THE RESIDENT IN MYSORE.

TO

The Secretary to the Govt. of Madras,
Local & Municipal Department.

Dated Bangalore, the 24/2/ 1899.

Sir,

I have the honour to forward for information, a copy of Notification No. 766 P., dated 18th February 1899, issued by the Resident in Mysore under the Epidemic Diseases Act of 1897, imposing certain conditions upon persons arriving in the Civil and Military Station, Bangalore, by road and at Bangalore City and Cantonment Railway stations by rail.

165.C.

I have the honour to be,

Sir,

Your most obedient servant,

For Resident.

For Resident.

THE RESIDENT IN MYSORE. Notification.

No. 776 P., dated Bangalore, the 18th February 1899.

In supersession of his Notification No. 334. P. of 12th January 1899, the Resident is pleased under Section 2 cl. (b) of the Epidemic Diseases Act III of 1897 to direct that all persons arriving in the Civil and Military Station by road shall report themselves to the medical officer of the district in which they intend to reside within twenty-four hours of their arrival. The District Medical Officer may, in his discretion, give a written notice to such persons requiring them to attend at his office for such number of days not exceeding ten as he thinks fit. A person holding an inoculation certificate, dated within six months previously, will be obliged to report himself to the medical officer within twenty-four hours of his arrival, but will not be liable to again attend at the District Medical Office.

2. In the case of persons arriving at the Bangalore City and Cantonment Railway Stations, who intend to reside within the limits of the Civil and Military Station, the medical or other officer appointed by the Resident in this behalf may demand of the person so arriving, his name, usual abode, and particulars of the places in which he has resided or which he has visited during the previous fifteen days, and also the address to which he is about to proceed, and any other particulars which the medical or other officer may think fit to ask in view of satisfying himself as to the likelihood of the said persons spreading the infection of plague. A person so interrogated shall be bound to answer truly to the best of his knowledge and belief all such questions and enquiries.

3. The medical or other officer, appointed by the Resident under Regulation 2 of this Notification may serve such person with a notice requiring him to report himself at the office of the District Medical Officer within whose district he is about to reside, (or to the special plague officer, Mayo Hall) within 24 hours, and to attend as subsequently directed by the District Medical Officer or Special Plague Officer. If any such person cannot, in the opinion of such medical or other officer appointed under Regulation 2 above, be relied on to report himself as directed, he may be sent by the medical or other officer to the office of the medical officer within whose district he is about to reside, under escort of a police constable, and may remain under such escort until his intended place of residence shall be satisfactorily ascertained.

Provided that no person holding a certificate of inoculation, dated within six months previously, will be required, unless he is unable to clearly indicate his intended place of residence, to report himself at the office of the District Medical Officer, or to the Special Plague Officer, Mayo Hall, but notice of his arrival will be sent by the medical or other officer at the Railway Station to the Medical Officer of the District in which he is about to reside, and he may be required to be present in his residence on such day and at such time as the District Medical Officer may appoint.

4. The District Medical Officer may direct any person who has come or is believed to have come from an infected area to undergo disinfection with his belongings.

5. Persons alighting at the Cantonment Station, who intend to reside within the limits of Bangalore City, may be directed by the medical or other officer appointed under Regulation 2 above, to report themselves to the ward officer of the ward in which they intend to reside, and may be sent to the ward officer under the escort of the Mysore State Police.

6. Nothing in these regulations shall require females who do not appear in public to be interrogated by any person other than a female at the Railway Station, or to attend at any office, but they may be examined in their houses by females deputed by the District Medical Officer for the purpose.

7. Any person disobeying or contravening or refusing to submit himself to any of these regulations shall be deemed to have committed an offence punishable under Section 188 of the Indian Penal Code and shall be liable, upon conviction, to undergo imprisonment of either description for a term which may extend to six months, or with fine which may extend to one thousand rupees, or with both.

"By Order,"
P. R. CADELL,
Assistant Resident.
