GENERAL (PLAGUE).

Notification No. Pg. 1184, dated Bangalore, 10th February 1899.

In exercise of the powers conferred by Section 2 of the Epidemic Diseases Regulation, 1897, the Government of Mysore are pleased to prescribe the following Regulations to be observed in the City of Mysore:—

I. From the date of this Notification, no person shall leave the Mysore City by rail unless he has provided himself with either a disinfection certificate (in Form B attached), or a certificate of exemption from disinfection (in Form C attached) in addition to the pass described in Regulation 9 of the Additional Regulations for the Cities of Bangalore and Mysore, published under Notification No. 2729—M. F. 21-96, dated 27th August 1898 (as subsequently amended, Appendix B). The booking clerks at the Mysore Railway Station shall issue no ticket unless, with the fare, is tendered the pass and also one or other of the certificates just mentioned.

Provided that this regulation shall not operate in the case of—

- (a) Mysore or British Government or Railway officials, travelling on duty, who can satisfactorily establish their identity,
- (b) persons holding through tickets and who have not been in Mysore for more than 6 hours.

II. Commencing from the date mentioned in the previous regulation, no person shall be booked outwards from the Mysore direction at any of the following stations, viz.—

Paschimavahini, Seringapatam, and Kadakola, unless he is in possession of a pass and also a certificate of exemption from disinfection (in Form C attached).

Provided that this regulation shall not operate—

- (i) in the case of Mysore or British Government officials travelling on duty, who can satisfactorily establish their identity,
- (ii) in the case of persons holding through tickets and who have not been in Mysore for more than 6 hours, and
- (iii) at the Stations of Paschimavahini, Seringapatam and Kadakola, in the case of persons who can produce a certificate from the Amildar or other local authority including—

- (a) Local Medical Officer,
- (b) Station House Officer,
- (c) Patel or Shanbhog,
- (d) Shekdar of the hobli,

that they have not within the past ten days resided within or visited an infected area.

III. Disinfection certificates referred to in Regulation I can be obtained in the manner prescribed in the attached rules (Appendix A), wherein also the time, place and mode of disinfection as well as the articles liable to be disinfected, are described. After disinfection each person will receive a certificate stating that he or she has been disinfected, signed by the officer in charge of disinfecting

arrangements appointed by the Government, and will be required to remain in the disinfection camp until shortly before the departure of the train.

IV. The Officers authorised to grant passes and certificates of exemption from disinfection are—

- (i) The Senior Surgeon and Sanitary Commissioner to the Government of Mysore.
- (ii) The Chief Plague Officer, Mysore City.
- (iii) The President or Vice-President, City Municipality, at the Town Hall, between the hours of 2 and 5 P. M.
- (iv) The Health Officer, Mysore City, at his office in the Town Hall, between the hours of 2 and 5 P. M.

V. The officer empowered to grant certificates of exemption may dispense with the personal attendance of applicants in the case of ladies or children, on whose behalf application may be made by a male member of their family. The officers appointed by the Government for the duty of granting certificates of exemption from disinfection, have power for sufficient reason to refuse to grant such certificates.

VI. Special passes will be inoperative unless availed of within 3 days from date of issue and certificates shall be valid only for 48 hours commencing from the time at which they were granted. Such time shall be recorded thereon, and it shall be the duty of the booking clerks to ascertain, before issuing any ticket, that the pass or certificate presented to them is still valid.
