We already get two Copies of the Estimate from each Collector for you & one for this Office & it will mean one day's work for a clerk in the Collr's Office to send a third Copy. Is it really necessary to send a copy of the orders on each estimate & the A.G. with a copy of the Estimate? Will not a copy of the Consolidated Estimate & the G.O. thereon be sufficient? The G.C. will let me know your views.

It is proposed, instead of deferring the issue of the orders on the monthly Plague estimates until all of them come in, to issue a mis. order on each district estimate as received; enter up the accepted figures in the blank statements," and when all the estimates have been reviewed to issue a general order in print with the consolidated estimates. This order would not reprint in full the Plague Commissioner's or Government's proceedings on each separate estimate, but could merely read again the no. and ate of the Government proceedings. he November estimates ran to 79 pages f print and as the order was communicated to all Collectors, a large nount of Stationery was really asted - e.g. Vizagapatam does not wish, r require, to know what the Plague mmissioner or Government has said the North Arcot estimates.
