In continuation of para 1 of my letter No 7082.L.D. dated the 20th January 1899, I have the honour to request that sanction may be accorded to the extension of the appointment of the temporary Assistant Inspector and his staff for a further period of one month. The necessity for this application arises from the fact that during the current official year the time allotted for the audits has been considerably exceeded in several cases owing to the bad state of the accounts (vide details in the margin) and the work has consequently fallen into arrears although my inspecting staff has been on tour almost continuously. It was hoped however that by special exertions it might be possible to complete the programme of work by the end of the year, without asking for any additional establishment, but I now find this is impossible. I am constrained, therefore, to ask for this extension, and would suggest that

the whole cost of the temporary staff for the entire three months be distributed between the four Municipalities concerned (i.e. the above three and Cannanore) in proportion to the number of days overstay in each case. This will relieve the Cannanore Municipality of a portion of the charge for the first two months, which seems only right under the circumstances.

I have the honour to be,

Sir,

your most obedient servant.
