note In Bellary nothing has yet been spent & in Kurnool only Rs 1-2-0. In all 500, the expenditure is being met on proposed Rs 1000 for "Contingencies - Miscellaneous" under local or Municipal as the case may be. This seems correct under the existing form. When the form is revised, a separate heading may be provided.

Long

The Collectors of Kurnool, Bellary, Anantapur, Madhavaram are requested from to report from what funds compensation for articles destroyed in the course of disinfection is being paid and what provision has been made on this account in their plague budgets.

FROM

R. H. Campbell Esquire

COLLECTOR OF

To

THE Plague Commissioners

Madras.

SIR,

I have the honour to state that I understood your Ref on C no  $\frac{1043}{25.1.97}$  referred only to compensation paid for the articles destroyed in the course of disinfection of articles belonging to passengers detained at the railway inspection station for disinfection and observation, and therefore reported in my letter no  $\frac{221}{4.2.97}$  that no such articles were destroyed up to date. On reconsideration I think your reference includes also the compensation paid for articles destroyed in the course of disinfecting the houses in the infected localities. Rs 518-13-0 have been paid under this head in Chippagiri Village, where plague first broke out in this district in an indigenous form. The cost was debited to 'miscellaneous 24 & medical grants for medical purposes - local'.
