Municipal Budget.

Reviewing the Bellary — for 1899–1900.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From M.R.Ry. P. RAMA RAO Garu, B.A., Chairman, Municipal Council, Bellary, to the Secretary to Government, Local and Municipal Department (through the Revenue Officer in charge of Bellary Division), dated 16th January 1899, C.R. No. 70.

I have the honour to submit herewith the revised estimate for the current official year 1898–99 and the budget estimate of the Municipality of Bellary for the ensuing official year 1899–1900, and to request that the Government will be pleased to accord their sanction to the same.

REVISED ESTIMATE FOR 1898–99.

2. Credit is taken in the revised estimate for the balance of Rs. 6,490 in round numbers on 31st March 1899.

Receipts.

3. The revised receipts of the year, exclusive of the opening balance, amounted to Rs. 84,580 against Rs. 78,9[illegible]0 of the sanctioned budget. The increase chiefly occurs under "Tax on buildings," "Fees from educational institutions," "Other hospital receipts," "Fines under Municipal and other Acts", "Grants and contributions—(iii) Other purposes," "Other grants and contributions—(iii) Other purposes," "(6) Miscellaneous—(*a*) (ii) Other purposes—(*b*) Other items," "(iv) Other items," and it is partly counterbalanced by a decrease, chiefly under "Tolls" and "Income from slaughter-houses."

4. (2) *Municipal Rates and Taxes—(b) Tax on Buildings.*—Rs. 28,500 are anticipated against Rs. 27,500 of the sanctioned budget. The assessment on buildings, which have been considerably improved, having been enhanced and new houses erected during the year having been brought under taxation, an increase of Rs. 1,000 is anticipated.

5. (*b*) *Tolls.*—Rs. 12,000 were anticipated in the sanctioned budget, but only Rs. 9,000 were realized, as there were no higher bids at the sale on account of the apprehension of the plague.

6. (5) *Grants and Contributions—(c)* (iii) *Other Purposes.*—Credit is taken for a contribution of Rs. 6,530, as the Municipality will receive from other districts a contribution of two-thirds of the cost incurred by it in connection with plague preventive measures (*vide* G.O., No. 596 P., dated 20th June 1898).

Charges.

7. The total charges are estimated at Rs. 86,630 against Rs. 85,860 of the sanctioned budget. The increase in the expenditure chiefly occurs under Grant 3, Sanitation and Medical Services, on account of plague, and it is counterbalanced by a less expenditure under all the other grants.

8. *Grant 1, Public Works*—(2) *Repairs—Communications.*—Rs. 4,000 were allotted under this head in the sanctioned budget. On receipt of G.O., No. 420 M., dated 21st February 1898, reviewing the Bellary Municipal budget for the official year 1898–99, stating that the closing balance should be increased by effecting economies wherever possible in the course of the year, the Council, at their meeting held on the 21st June 1898, resolved to reduce expenditure under certain grants. The Collector of Bellary having drawn the attention of the Council to paragraphs 2 and 3 of G.O., No. 547 Financial, dated 18th June 1898, in view to the re-modelling of the budget

so as to provide sufficient funds for plague expenditure, the Council authorized the Chairman to save as much money by stopping works on roads which can be slightly touched and repaired, and sanctioned transfer of funds amounting to Rs. 700, and resolved, at their meeting held on 18th October 1898, to apply to Government for transfer of funds, amounting to Rs. 1,800, to meet charges in connection with plague, and application was accordingly submitted to Government with this office letter No. 744, dated 29th October 1898.

9. (*d*) *Water-supply*—(i) *Repairs to Works, Machinery, &c.*—The bunds of the supply channel to the Nallacheruvu tank breached in three places during the rains of last year. As the tank is vested in the Municipality, and as the repairs of the breaches were very urgent and necessary, they were undertaken and completed. It is estimated to cost Rs. 1,200, for which provision is now made. The sanction of Government is solicited for this expenditure.

10. *Grant 2, Education—2 Municipal Schools*—(i) *On Salary System—(a) Establishment.*—In April last the permanent headmaster of the Municipal high school died, and in June 1898, after the re-opening of the school after the midsummer vacation, the first assistant on Rs. 100 was appointed to act as headmaster on the minimum pay of Rs. 120, the second assistant on Rs. 54 to act as first assistant on Rs. 75, and the third assistant on Rs. 50 to act as second assistant on Rs. 54. The vacancy of the third assistant was not filled up, as one of the classes did not require a division into two sections for want of sufficient number of pupils. By these arrangements some savings were effected under this head.

11. *Grant 3, Sanitation and Medical Services*—(5) *Conservancy—(c) Epidemic Charges.*—Rs. 2,380 were provided under this head in the sanctioned budget. Government in their Order, No. 596 P., dated 20th June 1898, having requested Municipalities to scrutinize their budgets with a view to provide for plague expenditure debitable to them, the Council, at their meeting held on 18th October 1898, sanctioned transfer of funds amounting to Rs. 700 and resolved to apply to Government for transfer of funds amounting to Rs. 1,800. As the sum of Rs. 5,000 found short to make up Rs. 9,800, the estimated charges in connection with plague preventive measures for 1898–99 cannot be made up from the existing allotments, application was made to Government in this office letter No. 744, dated 29th October 1898, for an advance of Rs. 5,000 from Provincial funds.

12. *Advances Recoverable.*—The increase under this head is due to advances made for the construction of plague sheds and for repairing the breaches in the supply channel to the Nallacheruvu tank.

The fluctuations in the important items of receipts and charges are fully explained in column 7 of Statement VI of the revised estimate.

BUDGET ESTIMATE FOR 1899–1900.

Receipts.

13. The revised estimate for the year 1898–99 closes with a balance of Rs. 4,440, which has been adopted as the opening balance of the ensuing year. The estimated receipts of the year amount to Rs. 1,17,296 exclusive of the opening balance against Rs. 84,580 of the revised estimate. The increase is chiefly attributable to credit being taken for Rs. 24,036, being the amount of loan promised by Government in their Order, Mis. No. 2183 M., dated 16th December 1898, for the construction of a Municipal high school building. An application for the loan in the form prescribed will be submitted to Government in due course. The only points calling for remarks are under the following heads.

14. *Municipal Rates and Taxes—(a) Tax on Arts.*—An increase of Rs. 500 over the revised and sanctioned estimate is anticipated under this head.

15. (*b*) *Tax on Buildings.*—Rs. 30,000 are estimated against Rs. 28,500 of the revised estimate. An increase of Rs. 1,500 is expected from the rental on new and improved houses under the revision of assessment which the Municipal Council contemplate carrying out during 1899–1900.

16. (*c*) *Tax on Vehicles with springs and Palanquins.*—An increase of Rs. 100 is anticipated over the revised and sanctioned estimate under this head.

17. (*f*) *Tax on Animals.*—Rs. 2,000 are estimated under this head against Rs. 1,800 of the revised estimate.

18. (*d*) *Fees from Educational Institutions.*—The estimate of Rs. 6,000 of the sanctioned budget for the current year is repeated.

19. (i) *Income from Markets.*—Rs. 300 are estimated under this head against Rs. 200 of the revised estimate. It is under the contemplation of the Council to levy fees on bullocks brought for sale in the bullock bazaar on market days; hence the increase.

20. (ii) *Income from Slaughter-houses.*—Rs. 4,000 are estimated under this head against Rs. 3,170 of the revised estimate. An increase is anticipated, as the Council have raised the fees leviable for the slaughter of cattle and sheep. Sanction for approval of rates was solicited in this office letter, No. 662, dated 29th November 1898, and the proposed scale of fees was approved by Government in their Order, Mis. No. 13 M., dated 3rd January 1899.

21. (*g*) (ii) *License Fees.*—An increase of Rs. 300 over the revised and sanctioned estimate is anticipated.

22. (5) *Grants and Contributions*—(*c*) *Other Grants and Contributions*—(iii) *Other Purposes.*—Credit is taken for a contribution of Rs. 12,000, being two-thirds of the estimated cost, on account of plague preventive measures for reasons stated in paragraph 6 *supra*.

23. (7) *Extraordinary and Debt*—(*h*) *Loans*—(i) *From Government.*—Credit is taken for a loan of Rs. 24,036 for the construction of a Municipal high school building sanctioned by Government in their Order, Mis. No. 2183 M., dated 16th December 1898.

Charges.

24. The charges are estimated at Rs. 1,21,086 against the revised estimate of Rs. 86,630, the increase appearing mainly under Grants 1, 2 and 3.

25. *Grant 1, Public Works—New Works*—(*b*) *Buildings.*—Rs. 24,036 are allotted for the construction of a building for the location of the Municipal high school and the Government training school. The proposed building will consist of two storeys, the lower being intended for the Municipal high school and the upper storey to accommodate the Government training school. Government in their Order, No. 502, Educational, dated 13th August 1898, have transferred the plan and estimate, amounting to Rs. 42,400, for the proposed building to the Public Works Department. The Municipal Council represented to Government that the present financial position of the Municipality does not permit of any expenditure being incurred for the construction of a high school building, and if the Government will be pleased to favour the Municipality with a loan, they will be glad to undertake the work. Government in their Proceedings, Mis. No. 2183 M., dated 16th December 1898, have intimated that they are prepared to advance from Provincial funds in 1899–1900 the sum of Rs. 24,036, repayable in ten years, with interest at 4 per cent. per annum, and requested me to submit an application for the loan in the form prescribed.

26. (2) *Repairs*—(*a*) *Communications.*—Rs. 3,000 are allotted under this head, against Rs. 1,500 of the revised estimate and Rs. 4,000 of the sanctioned estimate, for the maintenance of the roads in the town in addition to the provision of Rs. 1,500 made under "(5) Contribution—(*c*) To others for Public Works" as an allowance to the Military Works Department for the maintenance of the roads in the cantonment. Government in their Order, No. 7599, dated 30th November 1892, Military Department, sanctioned an allowance of Rs. 2,000 for the maintenance of the roads in the cantonment, but the allotment for the year under this head cannot be more than Rs. 1,500, as the income from tolls is not expected to be more than Rs. 9,000. The sanction of Government is solicited for the reduction of the allowance from Rs. 2,000 to Rs. 1,500.

27. (*d*) *Water-supply*—(i) *Repairs to Works, Machinery, &c.*—A provision of Rs. 100 is made under this head against Rs. 1,250 of the revised estimate. The latter sum includes the provision for repairing the supply channel to the Nallacheruvu tank.

28. (2) *Establishment.*—The allotment of Rs. 500 in the current year's sanctioned budget is repeated.

29. *Grant 2, Education*—(1) *Training Schools—Allowance to Teachers undergoing training.*—Rs. 100 are provided under this head against Rs. 300 of the sanctioned budget as proposed by the Inspector of Schools, Central Circle.

30. (2) *Municipal Schools*—(*a*) *Establishment.*—The provision of Rs. 9,600 in the current year's sanctioned budget is repeated in accordance with the suggestions of the Educational authorities.

31. (ii) *On Salary-results System*—(*a*) *Fixed Payments.*—Rs. 1,700 are allotted under this head against Rs. 1,900 of the sanctioned budget. The decrease is due to no provision being made for a teacher of the Millerpetta Hindustani day school on Rs. 10, as the school for want of sufficient number of pupils has been amalgamated with the Glass Bazaar Hindustani day school. A statement of proposition for revision of establishment is herewith submitted.

32. (4) *Fixed and Result Grants.*—Rs. 1,200 are provided against Rs. 1,000 of the revised and sanctioned estimate in accordance with the recommendation of the Inspector of Schools, Central Circle.

33. (7) *Miscellaneous*—(*a*) *Buildings, Furniture, &c., Grants.*—The provision of Rs. 100 of the current year's sanctioned budget is repeated.

34. *Grant 3, Sanitation and Medical Services*—(1) *Hospitals and Dispensaries*—(*b*) *Medicines and Supplies.*—Owing to the crippled state of the finances a provision of Rs. 1,200 is made under this head against Rs. 1,500 of the revised estimate.

35. (*c*) *Diet of Patients.*—The allotment of Rs. 1,500 of the current year's sanctioned budget is repeated.

36. (5) *Conservancy, Road-cleaning and Road-watering*—(*a*) (i) *Establishment.*—The provision of Rs. 13,910 of the sanctioned budget for the current year is repeated.

37. (ii) *Other Charges.*—The allotment of Rs. 12,100 against the revised estimate of Rs. 12,850 is considered sufficient.

38. (*c*) *Epidemic Charges.*—Rs. 18,000 are allotted under this head against the revised estimate of Rs. 9,800. This is the amount provided in the estimate of expenditure in connection with plague charges for the year 1899–1900 submitted to the Collector of Bellary as required by G.O., No. 1054, dated 14th November 1898.

39. *Grant 4, Lighting and Miscellaneous Municipal purposes*—(*b*) *Contingencies.*—Rs. 2,250 are allotted against Rs. 2,500 of the revised estimate. The provision seems to be sufficient.

40. (6) *Public Gardens*—(*b*) *Purchase of Seeds, Repair of Well, Purchase of Bullocks, &c.*—The decrease under this head is attributable to the reduction of contribution from Rs. 25 to Rs. 15 per mensem on account of the Bandstand garden in the cantonment for want of funds.

41. (9) *Other Charges*—(v) *Other Items.*—The provision of Rs. 70 for the entertainment of a watchman at the Gun Powder Magazine is omitted, as Government in their order, Mis. No. 1193 M., dated 5th July 1898, have intimated that a Bill to repeal Madras Act I of 1880 is before the Local Legislative Council, which when passed into law will relieve Municipal Councils of the duty of providing and maintaining magazines for the storage and deposit of gun powder.

42. *Grant 5*—(*a*) *General Establishment*—(i) *Office Establishment.*—Rs. 6,410 are allotted under this head against Rs. 6,560 of the sanctioned budget for the current year. The decrease is due to no provision being made for the entertainment of two watchmen on Rs. 6 each per mensem to guard the cash chest in the Municipal office and stores at nights owing to the exequity of funds. It is proposed that this work, which was hitherto done by the two watchmen, should be done by the office peons and division peons by turns. A statement of proposition for revision of establishment is herewith submitted.

Revised Estimate for 1898–99.

2. The current receipts and charges are now estimated at Rs. 84,580 and Rupees 86,630, respectively, against Rs. 78,980 and Rs. 85,660 anticipated in the sanctioned budget. An increase in the receipts occurs chiefly under the tax on buildings, school fees, fines, grants from Government and contributions from other bodies; but it is partly counterbalanced by a decrease under tolls and slaughter-house fees; while an increase in the charges which appears mainly under Grant 3 is partly met by a decrease under the other grants. With reference to paragraph 2 of G.O., No. 7, Financial, dated 3rd January 1899, communicated with G.O., No. 145 P., dated 30th January 1899, the contribution of Rs. 6,530 expected from other districts for plague charges will be struck out. In order to enable the Municipal Council to make the necessary provision for these charges, however, credit will be taken for a loan of Rs. 4,000 from Imperial funds. The transfer and allotment of funds, referred to in paragraphs 8 and 9 of the Chairman's letter, are sanctioned. From the last column of Statement VI it appears that a temporary reduction was made in the water-supply establishment and that the private scavenging toties were paid at the rate of Rs. 6 each instead of Rs. 7, sanctioned in the budget. The sanction of Government should have been obtained for these alterations, which are, however, now approved. Under G.O., No. 918 L., dated 25th April 1889, the sanction of Government should have also been obtained for the appointments made in the Municipal high school in consequence of

the death of the permanent headmaster. This should now be done. The amalgamation of the Millerpeta Hindustani day school with the Glass bazaar Hindustani day school and the abolition of the post of teacher of the former school on Rs. 10, referred to in paragraph 31 of the Chairman's letter, are approved. With reference to G.O., No. 130, Financial, dated 21st January 1899, communicated with G.O., No. 273 L., dated 7th February 1899, the provision made for plague charges will be raised from Rs. 9,800 to Rs. 11,560. The balance to be carried forward to the ensuing year's budget will then be Rs. 150.

Budget Estimate for 1899–1900.

3. *Receipts.*—The receipts for the ensuing year are put down at Rs. 1,17,300 against the revised estimate of Rs. 82,050, the increase being chiefly under the taxes on arts and buildings, slaughter-house and license fees, contributions from other bodies and loans. With reference to paragraph 2 of G.O., No. 7, Financial, dated 3rd January 1899, communicated with G.O., No. 145 P., dated 30th January 1899, the contribution of Rs. 12,000 expected from other districts for plague charges will be struck out, but to enable the Municipal Council to provide sufficient funds for this purpose, credit will be taken for a loan of this amount from Imperial funds.

4. *Charges.*—(1) The probable charges are entered as Rs. 1,21,090 against Rs. 88,390 in the revised estimate. There is an increase under Grants 1 to 3 and 5, which is partly counterbalanced by a decrease under Grant 4 and advances recoverable.

(2) *Grant 1.*—For want of funds, the allotment for the maintenance of roads which is only 33·3 per cent. of the municipal income from tolls against the minimum of 50 per cent. fixed by Government, will be passed. The attention of the Municipal Council is drawn to the remarks of the Deputy Collector and the Collector in paragraph 4 of their endorsements. Separate orders will be passed on the Municipal Council's proposal to reduce the contribution to the Military Department for the maintenance of the roads in the cantonment, referred to in paragraph 26. Meanwhile the current year's allotment under this head will be repeated.

(3) *Grants 3, 4 and 5.*—With reference to G.O., No. 1259, Financial, dated 28th December 1898, communicated with G.O., No. 44 L., dated 11th January 1899, the provision for plague charges will be reduced from Rs. 18,000 to Rs. 11,310. The abolition of the posts of watchman of the gunpowder magazine and of the two Municipal office watchmen, referred to in paragraphs 41 and 42, is approved.

5. As revised by Government, the budget closes with a balance of Rs. 2,550 or only 3·1 per cent. of the ordinary receipts.

6. If the loan of Rs. 12,000 from Imperial funds for which credit has been taken in paragraph 3 *supra* be not sanctioned by the Government of India, the budget will have to be recast. The delay in its submisson noticed in paragraph 2 of the Collector's endorsement should have been explained.

Municipal Budget.

Reviewing the Bellary — for 1899–1900.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From M.R.Ry. P. RAMA RAO Garu, B.A., Chairman, Municipal Council, Bellary, to the Secretary to Government, Local and Municipal Department (through the Revenue Officer in charge of Bellary Division), dated 16th January 1899, C.R. No. 70.

I have the honour to submit herewith the revised estimate for the current official year 1898–99 and the budget estimate of the Municipality of Bellary for the ensuing official year 1899–1900, and to request that the Government will be pleased to accord their sanction to the same.

REVISED ESTIMATE FOR 1898–99.

2. Credit is taken in the revised estimate for the balance of Rs. 6,490 in round numbers on 31st March 1899.

Receipts.

3. The revised receipts of the year, exclusive of the opening balance, amounted to Rs. 84,580 against Rs. 78,980 of the sanctioned budget. The increase chiefly occurs under "Tax on buildings," "Fees from educational institutions," "Other hospital receipts," "Fines under Municipal and other Acts", "Grants and contributions—(iii) Other purposes," "Other grants and contributions—(iii) Other purposes," "(6) Miscellaneous—(*a*) (ii) Other purposes—(*b*) Other items," "(iv) Other items," and it is partly counterbalanced by a decrease chiefly under "Tolls" and "Income from slaughter-houses."

4. (2) *Municipal Rates and Taxes—(b) Tax on Buildings.*—Rs. 28,500 are anticipated against Rs. 27,500 of the sanctioned budget. The assessment on buildings, which have been considerably improved, having been enhanced and new houses erected during the year having been brought under taxation, an increase of Rs. 1,000 is anticipated.

5. (*b*) *Tolls.*—Rs. 12,000 were anticipated in the sanctioned budget, but only Rs. 9,000 were realized, as there were no higher bids at the sale on account of the apprehension of the plague.

6. (5) *Grants and Contributions—(c)* (iii) *Other Purposes.*—Credit is taken for a contribution of Rs. 6,530, as the Municipality will receive from other districts a contribution of two-thirds of the cost incurred by it in connection with plague preventive measures (*vide* G.O., No. 596 P., dated 20th June 1898).

Charges.

7. The total charges are estimated at Rs. 86,630 against Rs. 85,860 of the sanctioned budget. The increase in the expenditure chiefly occurs under Grant 3, Sanitation and Medical Services, on account of plague, and it is counterbalanced by a less expenditure under all the other grants.

8. *Grant 1, Public Works—(2) Repairs—Communications.*—Rs. 4,000 were allotted under this head in the sanctioned budget. On receipt of G.O., No. 420 M., dated 21st February 1898, reviewing the Bellary Municipal budget for the official year 1898–99, stating that the closing balance should be increased by effecting economies wherever possible in the course of the year, the Council, at their meeting held on the 21st June 1898, resolved to reduce expenditure under certain grants. The Collector of Bellary having drawn the attention of the Council to paragraphs 2 and 3 of G.O., No. 547, Financial, dated 18th June 1898, in view to the re-modelling of the budget

so as to provide sufficient funds for plague expenditure, the Council authorized the Chairman to save as much money by stopping works on roads which can be slightly touched and repaired, and sanctioned transfer of funds amounting to Rs. 700, and resolved, at their meeting held on 18th October 1898, to apply to Government for transfer of funds, amounting to Rs. 1,800, to meet charges in connection with plague, and application was accordingly submitted to Government with this office letter No. 744, dated 29th October 1898.

9. (*d*) *Water-supply*—(i) *Repairs to Works, Machinery, &c.*—The bunds of the supply channel to the Nallacheruvu tank breached in three places during the rains of last year. As the tank is vested in the Municipality, and as the repairs of the breaches were very urgent and necessary, they were undertaken and completed. It is estimated to cost Rs. 1,200, for which provision is now made. The sanction of Government is solicited for this expenditure.

10. *Grant 2, Education—2 Municipal Schools*—(i) *On Salary System—(a) Establishment.*—In April last the permanent headmaster of the Municipal high school died, and in June 1898, after the re-opening of the school after the midsummer vacation, the first assistant on Rs. 100 was appointed to act as headmaster on the minimum pay of Rs. 120, the second assistant on Rs. 54 to act as first assistant on Rs. 75, and the third assistant on Rs. 50 to act as second assistant on Rs. 54. The vacancy of the third assistant was not filled up, as one of the classes did not require a division into two sections for want of sufficient number of pupils. By these arrangements some savings were effected under this head.

11. *Grant 3, Sanitation and Medical Services—(5) Conservancy—(c) Epidemic Charges.*—Rs. 2,380 were provided under this head in the sanctioned budget. Government in their Order, No. 596 P., dated 20th June 1898, having requested Municipalities to scrutinize their budgets with a view to provide for plague expenditure debitable to them, the Council, at their meeting held on 18th October 1898, sanctioned transfer of funds amounting to Rs. 700 and resolved to apply to Government for transfer of funds amounting to Rs. 1,800. As the sum of Rs. 5,000 found short to make up Rs. 9,800, the estimated charges in connection with plague preventive measures for 1898–99 cannot be made up from the existing allotments, application was made to Government in this office letter No. 744, dated 29th October 1898, for an advance of Rs. 5,000 from Provincial funds.

12. *Advances Recoverable.*—The increase under this head is due to advances made for the construction of plague sheds and for repairing the breaches in the supply channel to the Nallacheruvu tank.

The fluctuations in the important items of receipts and charges are fully explained in column 7 of Statement VI of the revised estimate.

BUDGET ESTIMATE FOR 1899–1900.

Receipts.

13. The revised estimate for the year 1898–99 closes with a balance of Rs. 4,440, which has been adopted as the opening balance of the ensuing year. The estimated receipts of the year amount to Rs. 1,17,296 exclusive of the opening balance against Rs. 84,580 of the revised estimate. The increase is chiefly attributable to credit being taken for Rs. 24,036, being the amount of loan promised by Government in their Order, Mis. No. 2183 M., dated 16th December 1898, for the construction of a Municipal high school building. An application for the loan in the form prescribed will be submitted to Government in due course. The only points calling for remarks are under the following heads.

14. *Municipal Rates and Taxes—(a) Tax on Arts.*—An increase of Rs. 500 over the revised and sanctioned estimate is anticipated under this head.

15. (*b*) *Tax on Buildings.*—Rs. 30,000 are estimated against Rs. 28,500 of the revised estimate. An increase of Rs. 1,500 is expected from the rental on new and improved houses under the revision of assessment which the Municipal Council contemplate carrying out during 1899-1900.

16. (*c*) *Tax on Vehicles with springs and Palanquins.*—An increase of Rs. 100 is anticipated over the revised and sanctioned estimate under this head.

17. (*f*) *Tax on Animals.*—Rs. 2,000 are estimated under this head against Rs. 1,800 of the revised estimate.

18. (*d*) *Fees from Educational Institutions.*—The estimate of Rs. 6,000 of the sanctioned budget for the current year is repeated.

19. (i) *Income from Markets.*—Rs. 300 are estimated under this head against Rs. 200 of the revised estimate. It is under the contemplation of the Council to levy fees on bullocks brought for sale in the bullock bazaar on market days; hence the increase.

20. (ii) *Income from Slaughter-houses.*—Rs. 4,000 are estimated under this head against Rs. 3,170 of the revised estimate. An increase is anticipated, as the Council have raised the fees leviable for the slaughter of cattle and sheep. Sanction for approval of rates was solicited in this office letter, No. 662, dated 29th November 1898, and the proposed scale of fees was approved by Government in their Order, Mis. No. 13 M., dated 3rd January 1899.

21. (*g*) (ii) *License Fees.*—An increase of Rs. 300 over the revised and sanctioned estimate is anticipated.

22. (5) *Grants and Contributions*—(*c*) *Other Grants and Contributions*—(iii) *Other Purposes.*—Credit is taken for a contribution of Rs. 12,000, being two-thirds of the estimated cost, on account of plague preventive measures for reasons stated in paragraph 6 *supra*.

23. (7) *Extraordinary and Debt*—(*h*) *Loans*—(i) *From Government.*—Credit is taken for a loan of Rs. 24,036 for the construction of a Municipal high school building sanctioned by Government in their Order, Mis. No. 2183 M., dated 16th December 1898.

Charges.

24. The charges are estimated at Rs. 1,21,086 against the revised estimate of Rs. 86,630, the increase appearing mainly under Grants 1, 2 and 3.

25. *Grant 1, Public Works—New Works*—(*b*) *Buildings.*—Rs. 24,036 are allotted for the construction of a building for the location of the Municipal high school and the Government training school. The proposed building will consist of two storeys, the lower being intended for the Municipal high school and the upper storey to accommodate the Government training school. Government in their Order, No. 502, Educational, dated 13th August 1898, have transferred the plan and estimate, amounting to Rs. 42,400, for the proposed building to the Public Works Department. The Municipal Council represented to Government that the present financial position of the Municipality does not permit of any expenditure being incurred for the construction of a high school building, and if the Government will be pleased to favour the Municipality with a loan, they will be glad to undertake the work. Government in their Proceedings, Mis. No. 2183 M., dated 16th December 1898, have intimated that they are prepared to advance from Provincial funds in 1899–1900 the sum of Rs. 24,036, repayable in ten years, with interest at 4 per cent. per annum, and requested me to submit an application for the loan in the form prescribed.

26. (2) *Repairs*—(*a*) *Communications.*—Rs. 3,000 are allotted under this head, against Rs. 1,500 of the revised estimate and Rs. 4,000 of the sanctioned estimate, for the maintenance of the roads in the town in addition to the provision of Rs. 1,500 made under "(5) Contribution—(*c*) To others for Public Works" as an allowance to the Military Works Department for the maintenance of the roads in the cantonment. Government in their Order, No. 7599, dated 30th November 1892, Military Department, sanctioned an allowance of Rs. 2,000 for the maintenance of the roads in the cantonment, but the allotment for the year under this head cannot be more than Rs. 1,500, as the income from tolls is not expected to be more than Rs. 9,000. The sanction of Government is solicited for the reduction of the allowance from Rs. 2,000 to Rs. 1,500.

27. (*d*) *Water-supply*—(i) *Repairs to Works, Machinery, &c.*—A provision of Rs. 100 is made under this head against Rs. 1,250 of the revised estimate. The latter sum includes the provision for repairing the supply channel to the Nallacheruvu tank.

28. (2) *Establishment.*—The allotment of Rs. 500 in the current year's sanctioned budget is repeated.

29. *Grant 2, Education*—(1) *Training Schools—Allowance to Teachers undergoing training.*—Rs. 100 are provided under this head against Rs. 300 of the sanctioned budget as proposed by the Inspector of Schools, Central Circle.

30. (2) *Municipal Schools*—(*a*) *Establishment.*—The provision of Rs. 9,600 in the current year's sanctioned budget is repeated in accordance with the suggestions of the Educational authorities.

31. (ii) *On Salary-results System*—(*a*) *Fixed Payments.*—Rs. 1,700 are allotted under this head against Rs. 1,900 of the sanctioned budget. The decrease is due to no provision being made for a teacher of the Millerpetta Hindustani day school on Rs. 10, as the school for want of sufficient number of pupils has been amalgamated with the Glass Bazaar Hindustani day school. A statement of proposition for revision of establishment is herewith submitted.

32. (4) *Fixed and Result Grants.*—Rs. 1,200 are provided against Rs. 1,000 of the revised and sanctioned estimate in accordance with the recommendation of the Inspector of Schools, Central Circle.

33. (7) *Miscellaneous*—(*a*) *Buildings, Furniture, &c., Grants.*—The provision of Rs. 100 of the current year's sanctioned budget is repeated.

34. *Grant 3, Sanitation and Medical Services*—(1) *Hospitals and Dispensaries*—(*b*) *Medicines and Supplies.*—Owing to the crippled state of the finances a provision of Rs. 1,200 is made under this head against Rs. 1,500 of the revised estimate.

35. (*c*) *Diet of Patients.*—The allotment of Rs. 1,500 of the current year's sanctioned budget is repeated.

36. (5) *Conservancy, Road-cleaning and Road-watering*—(*a*) (i) *Establishment.*—The provision of Rs. 13,910 of the sanctioned budget for the current year is repeated.

37. (ii) *Other Charges.*—The allotment of Rs. 12,100 against the revised estimate of Rs. 12,850 is considered sufficient.

38. (*c*) *Epidemic Charges.*—Rs. 18,000 are allotted under this head against the revised estimate of Rs. 9,800. This is the amount provided in the estimate of expenditure in connection with plague charges for the year 1899–1900 submitted to the Collector of Bellary as required by G.O., No. 1054, dated 14th November 1898.

39. *Grant 4, Lighting and Miscellaneous Municipal purposes*—(*b*) *Contingencies.*—Rs. 2,250 are allotted against Rs. 2,500 of the revised estimate. The provision seems to be sufficient.

40. (6) *Public Gardens*—(*b*) *Purchase of Seeds, Repair of Well, Purchase of Bullocks, &c.*—The decrease under this head is attributable to the reduction of contribution from Rs. 25 to Rs. 15 per mensem on account of the Bandstand garden in the cantonment for want of funds.

41. (9) *Other Charges*—(v) *Other Items.*—The provision of Rs. 70 for the entertainment of a watchman at the Gun Powder Magazine is omitted, as Government in their order, Mis. No. 1193 M., dated 5th July 1898, have intimated that a Bill to repeal Madras Act I of 1880 is before the Local Legislative Council, which when passed into law will relieve Municipal Councils of the duty of providing and maintaining magazines for the storage and deposit of gun powder.

42. *Grant 5*—(*a*) *General Establishment*—(i) *Office Establishment.*—Rs. 6,410 are allotted under this head against Rs. 6,560 of the sanctioned budget for the current year. The decrease is due to no provision being made for the entertainment of two watchmen on Rs. 6 each per mensem to guard the cash chest in the Municipal office and stores at nights owing to the exequity of funds. It is proposed that this work, which was hitherto done by the two watchmen, should be done by the office peons and division peons by turns. A statement of proposition for revision of establishment is herewith submitted.

43. *Contributions for Central Office and Audit Establishments.*—Rs. 680 are allotted under this head against Rs. 670 of the revised estimate. The increase is due to the contributions being calculated on the actuals of 1897–98 at the rates sanctioned in G.O., No. 2250 L., dated 25th November 1898.

44. The budget closes with a balance of Rs. 650. The small balance is due to a fall in income under "Tolls" on account of the apprehension of plague and to the increased expenditure under Grant 3, Epidemic charges.

45. A copy of the resolution of the Municipal Council passing the budget is herewith submitted.

E.R. No. 75.

Submitted through the Collector.

2. No provision is made for the construction of the new hospital buildings, though the subject has been pending for a long time.

3. The provision under "Repairs—Communications," viz., Rs. 3,000, is quite insufficient in view of the unsatisfactory condition of the roads.

4. Nothing is provided for affording shelter in the "Brucepeta vegetable market," though credit is taken for Rs. 300 under "Income from markets".

5. The provision under "Private scavenging establishment," viz., Rs. 3,140, remains the same as in the current year's budget. It is a pity that no improvement has been effected in this direction. At a recent meeting the Council has resolved to increase the pay of the existing number of toties by one rupee a month in order to make them clean the latrines twice a day. It is doubtful if the object intended can be achieved without an additional establishment. No little difficulty is, however, experienced in securing the services of this class of servants.

18*th January* 1899. (Signed) T. RAMA RAO,
Deputy Collector.

Dis. C. No. 155.

Forwarded.

2. The delay of over a fortnight in the submission of the budget has not been explained.

3. The omission in the covering letter of all notice of the remarks made by Government in paragraph 2 of its order, No. 420 M., dated 21st February 1898, regarding the selection of a site for the proposed hospital buildings is unsatisfactory. As a matter of fact, the Chairman was until lately in correspondence with the Sanitary Board, Madras, and the Executive Engineer, Bellary, regarding the sites available. I have expressed an opinion in favour of one of the sites, and the Council's final decision is awaited: if no decision is arrived at by the middle of next month, a special report will be submitted to Government.

4. The Council might well have provided for the erection in the Brucepeta vegetable market of a few temporary stalls, which would cost but little and afford protection from the sun.

5. The Divisional officer's remarks about the inadequacy of the provision for repairing the roads and for the private scavenging establishment are endorsed.

20*th January* 1899. (Signed) E. A. ELWIN,
Ag. Collector.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 30th January 1899, No. 1134.

Referring to the budget estimate of the Bellary Municipality for 1899–1900, I have the honour to state that the allotments made therein under the several heads

of Grant 2 call for no remarks and may be accepted. The net expenditure proposed is Rs. 7,290 (Rs. 14,940—7,650), which is about 14 per cent. of the estimated income of the Municipality from taxation and markets.

2. Provision has been made under Grant 1 for a sum of Rs. 24,036 towards the construction of the high school building; the Council seems to have been promised a loan of the amount from Provincial funds.

From Surgeon-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 3rd February 1899, No. 128.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the Bellary Municipality for the year 1899–1900 is sufficient.

2. The question of selecting a suitable site for the construction of new hospital buildings has been in abeyance for the last three years and the Municipality does not appear to have come to a conclusion on this subject.

From Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., I.M.S., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Egmore, 23rd February 1899, No. 586—S.

Referring to the Bellary Municipal budget for 1899–1900, I have the honour to state that the allotment therein made for conservancy proper is 31·8 per cent. of the estimated receipts excluding the loan taken credit for. The number of scavengers is insufficient and should be increased by at least 20.

ORDER—No. 354 M., dated 13th March 1899.

Revised Estimate for 1898–99.

2. The current receipts and charges are now estimated at Rs. 84,580 and Rupees 86,630, respectively, against Rs. 78,980 and Rs. 85,660 anticipated in the sanctioned budget. An increase in the receipts occurs chiefly under the tax on buildings, school fees, fines, grants from Government and contributions from other bodies, but it is partly counterbalanced by a decrease under tolls and slaughter-house fees; while an increase in the charges which appears mainly under Grant 3 is partly met by a decrease under the other grants. With reference to paragraph 2 of G.O., No. 7, Financial, dated 3rd January 1899, communicated with G.O., No. 145 P., dated 30th January 1899, the contribution of Rs. 6,530 expected from other districts for plague charges will be struck out. In order to enable the Municipal Council to make the necessary provision for these charges, however, credit will be taken for a loan of Rs. 4,000 from Imperial funds. The transfer and allotment of funds, referred to in paragraphs 8 and 9 of the Chairman's letter, are sanctioned. From the last column of Statement VI it appears that a temporary reduction was made in the water-supply establishment and that the private scavenging toties were paid at the rate of Rs. 6 each instead of Rs. 7, sanctioned in the budget. The sanction of Government should have been obtained for these alterations, which are, however, now approved. Under G.O., No. 918 L., dated 25th April 1889, the sanction of Government should have also been obtained for the appointments made in the Municipal high school in consequence of

the death of the permanent headmaster. This should now be done. The amalgamation of the Millerpeta Hindustani day school with the Glass bazaar Hindustani day school and the abolition of the post of teacher of the former school on Rs. 10, referred to in paragraph 31 of the Chairman's letter, are approved. With reference to G.O., No. 130, Financial, dated 21st January 1899, communicated with G.O., No. 273 L., dated 7th February 1899, the provision made for plague charges will be raised from Rs. 9,800 to Rs. 11,560. The balance to be carried forward to the ensuing year's budget will then be Rs. 150.

Budget Estimate for 1899–1900.

3. *Receipts.*—The receipts for the ensuing year are put down at Rs. 1,17,300 against the revised estimate of Rs. 82,050, the increase being chiefly under the taxes on arts and buildings, slaughter-house and license fees, contributions from other bodies and loans. With reference to paragraph 2 of G.O., No. 7, Financial, dated 3rd January 1899, communicated with G.O., No. 145 P., dated 30th January 1899, the contribution of Rs. 12,000 expected from other districts for plague charges will be struck out, but to enable the Municipal Council to provide sufficient funds for this purpose, credit will be taken for a loan of this amount from Imperial funds.

4. *Charges.*—(1) The probable charges are entered as Rs. 1,21,090 against Rs. 88,390 in the revised estimate. There is an increase under Grants 1 to 3 and 5, which is partly counterbalanced by a decrease under Grant 4 and advances recoverable.

(2) *Grant 1.*—For want of funds the allotment for the maintenance of roads which is only 33·3 per cent. of the municipal income from tolls, against the minimum of 50 per cent. fixed by Government, will be passed. The attention of the Municipal Council is drawn to the remarks of the Deputy Collector and the Collector in paragraph 4 of their endorsements. Separate orders will be passed on the Municipal Council's proposal to reduce the contribution to the Military Department for the maintenance of the roads in the cantonment, referred to in paragraph 26. Meanwhile the current year's allotment under this head will be repeated.

(3) *Grants 3, 4 and 5.*—With reference to G.O., No. 1259, Financial, dated 28th December 1898, communicated with G.O., No. 44 L., dated 11th January 1899, the provision for plague charges will be reduced from Rs. 18,000 to Rs. 11,310. The abolition of the posts of watchman of the gunpowder magazine and the two Municipal office watchmen, referred to in paragraphs 41 and 42, is approved.

5. As revised by Government, the budget closes with a balance of Rs. 2,550 or only 3·1 per cent. of the ordinary receipts.

6. If the loan of Rs. 12,000 from Imperial funds for which credit has been taken in paragraph 3 *supra* is not sanctioned by the Government of India, the budget will have to be recast. The delay in its submisson noticed in paragraph 2 of the Collector's endorsement should have been explained.

Revised Estimate for 1898-99

2. The current receipts and charges are now estimated at Rs 84,580 and Rs 86,630 respectively as against Rs 78,980 and Rs 85,860 anticipated in the sanctioned budget. An increase in the receipts occurs chiefly under the tax on buildings, School fees, fines, rents from Government and contributions from other bodies, but it is partly counterbalanced by a decrease ~~which appears~~ under tolls and slaughter-house fees; while the increase in the charges which appears mainly under grant 3 is partly met by a decrease under the other grants. With reference to para 2 of f.c. No 7 dated 3rd January 1899, communicated with f.c. No 1451 dated 30th January 1899, the ~~credit taken for~~ contributions (expected) of Rs 6530 from other districts for plague charges will be struck out. In order to enable the Municipal Council to make the necessary provision for ~~plague~~ these charges, however, credit will be taken for a loan of Rs 40,000 from Imperial funds from the

Note

With reference to G.O.
No 130 Fin dated 21st January 1899
and G.O. No 1259 Fin dated 28th
December 1898 the L. & M. department

current year for the Bellary district
has been reduced from Rs 16,800 to

It is proposed to meet the
expenditure in 1898-99 and 1899-1900
in that
by taking credit for loans of Rs
4000 and Rs 12000 respectively from
Imperial funds; and the draft
