GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From SAIYID MUSTAFA Sahib Bahadur, Chairman, M cipal Council, Srívilliputtúr, to the Secretary to Government, Local and nicipal Depart- ment (through the Divisional-officer and the Collector of nevelly), dated 20th December 1898, No. 1144.

I have the honour to submit herewith the budget estimate of e Srívilliputtúr Municipality for the financial year 1899–1900, together with the vised estimate for the current financial year and other subsidiary statements.

REVISED ESTIMATE FOR 1898–99.

Receipts.

2. The total receipts of the year, including the opening ba e of Rs. 1,454, amount to Rs. 20,434 and the charges to Rs. 18,980 against Rs. 31, and Rs. 25,550 of the original budget. The closing balance of the year accordi to the revised estimate is Rs. 1,454 against Rs. 5,840 of the original estimate.

3. The decrease in the receipts in the revised estimate occur iefly under the following items : (*a*) *Contribution from Government*, (*b*) *Contrib n from "other bodies*," and (*c*) *Sale-proceeds of Government securities.*

(*a*) & (*c*) The decrease under (*a*) and (*c*) is due to the constr on of the new hospital building not having been taken on hand. Type designs hospital build- ings were received from the Sanitary Board only recently and p s and estimates according to these designs are under preparation.

(*b*) The annual contribution of Rs. 500 hitherto paid by the I ington Market Committee, Srívilliputtúr, as per its resolution No. 3, dated 6th Ma 1895, recorded by Government in G.O., Mis. No. 774 M., dated 6th May 1895, ha een reduced by the committee to Rs. 350 owing, it is stated, to want of funds ; l e the decrease under (*b*).

4. The reduced estimate under *tax on animals* has been ado with reference to the actuals of the previous year and of the first eight months of current year.

5. The number of warrants issued for the collection of taxes h g been far less numerous than was anticipated, the estimate under warrant fees ha een reduced in the revised estimate to Rs. 50 from Rs. 200 in the original budget.

6. Increases appear under (*a*) *Fines under the Municipal a other Acts*, (*b*) *Interest on investments*, (*c*) *Local Board's contribution under Medica l) Fishery rents*, (*e*) *Other advances.*

7. The increased estimates under (*a*) and (*e*) are with refere the actuals of the first eight months. The increase under (*c*) is with reference to cluding portion of paragraph 3 (3) of G.O., No. 1245 M., dated 11th July 1898 e same under (*b*) is due to Government securities not having been sold in the ye or the construc- tion of the new hospital building ; and that under (*d*) to the muni l portion of the fishery rent of the Periyakulam tank for three years from 189 6 having been recovered during the current year from the Srívilliputtúr Taluk Bo .

8. The other variations under receipts are explained in the sta ent No. VI.

Charges.

9. The decrease under charges occurs chiefly under ORIGINAL WORKS—BUILDINGS and *Repairs—Communications*. In the former case it is due to the construction of *the new hospital building not having been taken on hand, and in the latter case to* retrenchments made in order to find funds for plague expenditure (*vide G.O., Mis.* No. 1943 M., dated 18th November 1898). Increases under *plague charges* and *medicines and supplies* are unavoidably necessary.

10. The other variations are explained in the statement No. VI.

BUDGET ESTIMATE FOR 1899–1900.

Receipts.

11. The receipts for 1899–1900 including opening balance of Rs. 1,450 are estimated at Rs. 31,650 against Rs. 20,434 in the revised estimate. The principal variations are explained below :—

(i) *Interest on investments.*—As the Government securities of Rs. 9,100 standing to the credit of the Srívilliputtúr hospital will have to be sold early next year for raising funds for the construction of a new building for the hospital, the interest hitherto derived from them has been omitted from the account.

(ii) *Contribution from Government.*—Rs. 3,000 promised by Government in G.O., Mis. No. 1482 M., dated 2nd September 1896, towards the cost of the new hospital building has, as usual, been taken credit for under this head.

(iii) *Private scavenging fees.*—With a view to further extend the system of private scavenging, an increase of Rs. 70 has been taken credit for.

(iv) *Fishery rents.*—As stated in paragraph 7 above, the fishery rent of the Periyakulam tank for three years is shown in the revised estimate. For the next year, therefore, only Rs. 100 can be expected under this head which is the annual amount entered in the budget for that year.

(v) *Sale-proceeds of Government securities.*—This is for the purpose of constructing the new hospital building.

(vi) The estimates under the other heads closely follow the figures of the revised estimate.

Charges.

12. (i) *Communications.*—The allotments under original works and repairs amount to Rs. 1,410, which is 40·28 per cent. of the net receipts from tolls. The Council finds itself unable to provide more funds this year for this purpose, owing to the heavy burden of plague expenditure which has taxed the slender resources of the municipality to its utmost.

(ii) *Building.*—Under this head, a provision of Rs. 7,000 is made for the construction of a new building for the hospital and for putting up three bamboo mat latrines, funds for the purchase of a sufficient number of iron latrines not being available. Provision is also made for extending the Municipal Mahammadan school building, its present accommodation having been, for sometime past, found to be inadequate for the requirements of those resorting to it.

(iii) *Water-supply.*—Under this head a sum of Rs. 230 has been provided for the improvement of the existing wells. The travellers' bungalow watch has been dispensed with as unnecessary. There is at present one watchman for the Tirumakkulam tank, on one bank of which is situated the travellers' bungalow. The bungalow is seldom visited by travellers and those that occupy it come during particular seasons almost. The tank watch can very well look after the bungalow also in these circumstances. The pay of this watch (Rs. 6) will be debited in equal shares to water-supply and bungalow establishment. The necessary provision has been accordingly made. A further allotment of Rs. 230 is made for completing the construction of a well for the new burning and burial ground, in addition to a provision of Rs. 220 for the same in the current year's budget.

13. *Grant 2.*—Under this grant there are no variations. The Council, for want of funds, is unable to comply for the current year with the recommendation of the Educational authorities to raise the allotment for result grants by two or three

hundred rupees so as to admit of fixed grants being given to schools which may become eligible therefor. The provision now made has to be utilized for both kinds of grants.

14. *Grant 3, Hospitals and dispensaries.*—Under this item the pay for the midwife has been raised from Rs. 10 to Rs. 12 rising to Rs. 15 by annual increments of Re. 1, so as to secure the services of a diplomæd midwife.

15. *Conservancy establishment.*—Provision is made for engaging 17 sweepers on Rs. 5 each, 13 boy sweepers at Rs. 2½ each, 9 scavengers on Rs. 5 each and 10 scavengers on Rs. 4 each, making in all 49 hands against 40 (24 sweepers and 16 scavengers) on Rs. 5 each in the current year, the present proposals involving a net increase of Rs. 2½ per mensem.

16. *Other charges.*—The provision under this head includes the cost of purchasing three additional carts (one rubbish, one night-soil and one sewage), the hire of 15 bullocks, and sundry charges, such as purchase of spades, baskets, dry earth, &c. It also includes a sum of Rs. 100 for the payment of pony allowance to the Sanitary Inspector at the rate of Rs. 8 per mensem.

17. *Private scavenging.*—Under this, provision is made for the entertainment of two additional scavengers, increasing the present number to 8. The increased cost can be met from the increased receipts taken credit for under "private scavenging fees."

18. *Epidemic charges.*—A sum of Rs. 800 has been provided under this head, which is all that the Council can provide at present. It however hopes to effect a saving in the current year under this head, which will also become available for expenditure in the next year, thus virtually raising the allotment for the next year by a few hundred rupees.

19. *Grant 4.*—Provision has been made for the putting up of six additional lamps during the year 1899–1900.

20. Provision for an avenue cooly for planting new trees and looking after existing ones, has now been made, as the Council considers the appointment of separate servant necessary. His pay has been fixed at Rs. 5 per mensem.

21. A sum of Rs. 150 is provided for payment of compensation for lands to be acquired for a night-soil depot and for latrines.

22. *Grant 5.*—This grant calls for no remarks.

23. The year closes with a balance of Rs. 6,200, of which Rs. 127 relates to endowment funds and Rs. 5,100 to funds reserved for the hospital building.

24. The necessary proposition statement, copy of the Council's resolution passing the report, and the statements are herewith enclosed.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 10th January 1899, No. 324.

Referring to the budget estimate of the Srívilliputtúr Municipality for 1899–1900, I have the honour to state that the allotments made therein under the several

heads of Grant 2 call for no remarks and may be accepted. The net expenditure proposed is Rs. 1,900 (2,110—210), which is about 13·3 per cent. of the estimated income of the municipality from taxation, markets and rents.

2. The heading "Result grants" should be altered to "Fixed and result grants."

From Surgeon-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 12th January 1899, No. 32.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the Srívilliputtúr Municipality for the year 1899–1900 is sufficient and calls for no further remarks.

From Lieut.-Colonel W. G. KING, M.B., C.M., D.P.H., I.M.S., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 4th February 1899, No. 366-S.

I have the honor to state that the Srívilliputtúr Municipal Council proposes to spend next year about 29 per cent. of its ordinary estimated receipts on the conservancy of the town. The proportion, though in advance of the current year, is yet insufficient for actual requirements. The scavenging staff needs strengthening. The epidemic reserve is much less than desirable. The allotment for vaccination calls for no special remark.

2. No extracts from statements II-A and II-B have accompanied the budget.

Reviewing the Srívilliputtúr — for 1899–1900.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following papers :—

From SAIYID MUSTAFA Sahib Bahadur, Chairman, Municipal Council, Srívilliputtúr, to the Secretary to Government, Local and Municipal Department (through the Divisional-officer and the Collector of Tinnevelly), dated 20th December 1898, No. 1144.

I have the honour to submit herewith the budget estimate of the Srívilliputtúr Municipality for the financial year 1899–1900, together with the revised estimate for the current financial year and other subsidiary statements.

Revised Estimate for 1898–99.

Receipts.

2. The total receipts of the year, including the opening balance of Rs. 1,454, amount to Rs. 20,434 and the charges to Rs. 18,980 against Rs. 31,390 and Rs. 25,550 of the original budget. The closing balance of the year according to the revised estimate is Rs. 1,454 against Rs. 5,840 of the original estimate.

3. The decrease in the receipts in the revised estimate occurs chiefly under the following items: (*a*) *Contribution from Government*, (*b*) *Contribution from "other bodies,"* and (*c*) *Sale-proceeds of Government securities.*

(*a*) & (*c*) The decrease under (*a*) and (*c*) is due to the construction of the new hospital building not having been taken on hand. Type designs for hospital buildings were received from the Sanitary Board only recently and plans and estimates according to these designs are under preparation.

(*b*) The annual contribution of Rs. 500 hitherto paid by the Pennington Market Committee, Srívilliputtúr, as per its resolution No. 3, dated 6th March 1895, recorded by Government in G.O., Mis. No. 774 M., dated 6th May 1895, has been reduced by the committee to Rs. 350 owing, it is stated, to want of funds; hence the decrease under (*b*).

4. The reduced estimate under *tax on animals* has been adopted with reference to the actuals of the previous year and of the first eight months of the current year.

5. The number of warrants issued for the collection of taxes having been far less numerous than was anticipated, the estimate under warrant fees has been reduced in the revised estimate to Rs. 50 from Rs. 200 in the original budget.

6. Increases appear under (*a*) *Fines under the Municipal and other Acts*, (*b*) *Interest on investments*, (*c*) *Local Board's contribution under Medical*, (*d*) *Fishery rents*, (*e*) *Other advances.*

7. The increased estimates under (*a*) and (*e*) are with reference to the actuals of the first eight months. The increase under (*c*) is with reference to concluding portion of paragraph 3 (3) of G.O., No. 1245 M., dated 11th July 1898; the same under (*b*) is due to Government securities not having been sold in the year for the construction of the new hospital building; and that under (*d*) to the municipal portion of the fishery rent of the Periyakulam tank for three years from 1895–96 having been recovered during the current year from the Srívilliputtúr Taluk Board.

8. The other variations under receipts are explained in the statement No. VI.

Charges.

9. The decrease under charges occurs chiefly under Original Works—Buildings and *Repairs—Communications*. In the former case it is due to the construction of the new hospital building not having been taken on hand, and in the latter case to retrenchments made in order to find funds for plague expenditure (*vide* G.O., Mis. No. 1943 M., dated 18th November 1898). Increases under *plague charges* and *medicines and supplies* are unavoidably necessary.

10. The other variations are explained in the statement No. VI.

REVISED ESTIMATE FOR 1898–99.

2. The current receipts and charges are now estimated at Rs. 18,980 in each case against Rs. 30,440 and Rs. 25,550, respectively, anticipated in the sanctioned budget. A decrease in the receipts occurring chiefly under contributions from Government and sale-proceeds of Government securities is partly counterbalanced by an increase under fines, interest on investments, fishery rents and advances recovered, and the decrease in the charges appears mainly under Grant 1.

BUDGET ESTIMATE FOR 1899–1900.

3. *Receipts.*—The receipts for the ensuing year are put down at Rs. 30,210 against Rs. 18,980 in the revised estimate, the increase appearing chiefly under grants and contributions from Government and sale-proceeds of Government securities. Credit will be taken for a loan of Rs. 4,700 from Imperial Funds in order to enable the Council to make the necessary provision for plague charges.

4. *Charges.*—(1) The [illegible] charges are entered as Rs. 25,450 against Rupees 18,980 in the revised budget for the year from those being marked under Grant 1.

(2) The other variations under receipts

(2) *Grant 1.*—The allotment for communications is only 40·2 per cent. of the net receipts from tolls, against the minimum of 50 per cent. prescribed by Government; but in the circumstances stated in paragraph 12 (I) of the Chairman's letter, this will be allowed to stand. The Municipal Council's proposals to dispense with the services of the watchman attached to the Traveller's bungalow and to increase the salary of the tank watchman from Rs. 4–8–0 to Rs. 6 and the arrangement referred to in paragraph 12 (III) are approved.

(4) *Grant 3.*—The increase in the salary of the hospital midwife, the additions to, and alterations in, the conservancy and private scavenging establishments and the payment of a pony allowance of Rs. 8 per mensem to the Sanitary Inspector proposed in paragraphs 14 to 17 of the Chairman's letter are sanctioned. The attention of the Chairman is drawn to the omissions pointed out by the Sanitary Commissioner in paragraph 2 of his letter read above. The provision for epidemic charges will be raised from Rs. 800 to Rs. 5,538, or Rs. 5,540 in round numbers, with reference to G.O., No. 44 L., dated 11th January 1899.

(5) *Grant 4.*—The entertainment of an avenue cooly on Rs. 5, referred to in paragraph 20, is sanctioned.

5. As revised by Government, the budget closes with a balance of Rs. 6,170, of which Rs. 5,100 is reserved for expenditure on the construction of the new hospital building, leaving Rs. 1,070, or 59 per cent. of the estimated ordinary receipts, available for general purposes.

6. If the loan of Rs. 4,700 from Imperial Funds for which credit has been taken in paragraph 3 *supra*, be not sanctioned by the Government of India, the budget will have to be recast.

For the C.S.

The paper is sent to ..l. for c.i with reference to the portion marked with red pencil in para 3 of the draft viz "Credit will be taken for a loan of Rs 4,700 from Imperial funds" for plague charges. The papers regarding the application to be made to India for funds to grant loans to Dt. Boards & Municipalities for Plague Expendre in 1898-99 & 1899-1900 are with L&M, & until that dept has formulated its proposals and India has sanctioned the loans, it would perhaps be as well for L&M. not to issue these budget orders. This question of loans should, it is subd, be treated as very urgent.
