Municipal Budget.

Reviewing the Tiruvannámalai — for 1899–1900.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From V. VENUGOPAUL CHETTY, Esq., I.C.S., Sub-Collector and Ex-officio Chairman, Municipal Council, Tiruvannámalai, to the Secretary to Government, Local and Municipal Department (through the Collector of South Arcot), dated 18th December 1898, Cur. No. 415-Eng.

I have the honour to submit herewith, for the sanction of Government, the revised estimate of the Tiruvannámalai Municipality for the current year and the budget estimate for the next financial year 1899–1900 along with the prescribed statements and a proposition statement for revision of establishments. A copy of the proceedings of the Council passing the budget is also enclosed. The alterations made by the Council have all been embodied.

REVISED ESTIMATE FOR 1898–99.

2. The actual opening balance as per administration report of last year is Rs. 3,110.

Receipts.

3. The total receipts of the year excluding the opening balance are estimated at Rs. 21,160 against the budget estimate of Rs. 21,840.

Charges.

4. The total estimated charges, viz., Rs. 21,960 fall below the budget estimate (including subsequent allotments and transfers) by only Rs. 250.

5. Full explanations for all variations are given in statement No. VI.

6. There has been a loss in receipts to the Municipality this year of Rs. 4,060 owing to the closure of the annual cattle market. It has been, however, nearly made up by the liberal contribution of Rs. 2,500 excluding the usual contribution of Rs. 500 promised by the District Board towards the sanitary arrangements of the recent Karthigai festival and by the increased income derived from the farming out of the tolls.

7. The allotment under plague was increased from Rs. 430 to Rs. 1,520, as a temporary establishment consisting of a number of sanitary inspectors for observation purposes and the necessary medical staff and attendants had to be maintained during the Karthigai festival and as several sheds had to be put up in this connection. In consequence of the fall in receipts and in deference to G.O., No. 2031 L., dated 22nd October 1898, the allotments under Grant 1, New Works and Repairs were not fully utilized.

8. Almost all the items of revenue within the first eight months have been realized. About 58 per cent. of the expenditure entered under Grant 1 in the revised budget has now been incurred. In addition, works costing about 19 per cent. have been executed but not paid for. The balance of about 23 per cent. will be expended before the close of the year.

BUDGET ESTIMATE FOR 1899–1900.

9. The total receipts of the year are estimated at Rs. 21,430 as against Rs. 21,160 of the revised estimate and Rs. 21,990, the actuals of 1897–98.

10. The total charges come up to Rs. 21,350 as against Rs. 21,960 of the revised estimate and Rs. 20,430, the actuals of last year.

11. The budget closes with a balance of Rs. 2,390 which is a little above 10 per cent. of the total receipts.

12. The principal variations between the budget and the revised estimate for 1898–99 under the different heads of receipts and charges are explained below.

Receipts.

13. *Tax on Buildings, Rs.* 2,350.—The revision of the tax on buildings is now under progress. As it is not possible to forecast the probable increase at present, the current year's figure has been repeated.

14. *Tax on Animals and Carts, Rs.* 1,400.—This represents the normal income from this source.

15. *Tolls, Rs.* 6,600.—This amount is the normal income from this source.

16. *Income from Markets, Rs.* 4,560.—This represents the probable income from this source as the Council has resolved to enhance the rate of fees on each head of cattle from 5 to 6 annas.

17. *Grants and Contributions from Government—Other Purposes, Rs.* 60.—This represents salary grants derivable from Provincial funds as it is intended to utilize the services of the gymnastic instructor attached to the lower secondary school for giving physical instruction to all the primary schools in the town.

18. *Contributions from Local Boards—(b)* (ii) *Medical, Rs.* 1,000.—This is the amount promised by the Taluk Board, Tindivanam, towards the upkeep of the local Municipal hospital for the year.

19. *(b)* (iii) *Other Purposes, Rs.* 500.—This is the usual contribution paid by the District Board towards the sanitary arrangements of the Karthigai festival.

20. *Other Grants and Contributions—Other Purposes, Rs.* 260.—The decrease of Rs. 100 is due to the reduction of contribution by the temple trustee who states that his income has considerably fallen during the recent festival.

21. *Private Scavenging, Rs.* 220.—An increase is anticipated from extension of the system.

Charges.

22. *Grant 1, New Works.*—The allotment under communications is intended for the construction of tunnels and road dams which are considered necessary.

23. The provision under "Buildings" is for a latrine on the standard design with thatched roof and masonry walls and for the purchase of some corrugated iron dust-bins. The cost of an iron latrine is too heavy for the present resources of this Municipality. Provision has also been made for a compound wall for the Municipal office the absence of which has been felt during the recent heavy rains.

24. The provision under water-supply is intended for sinking a well in the Big Paracherry, the residents of which have no separate water-supply at present.

25. *Grant 1, Repairs.*—The allotment under "Communications" is nearly the same as that entered in the revised estimate. This amount is required for repairing certain tunnels and roads and metalling anew some of the streets.

26. *Buildings, Rs.* 150.—The provision is made for repairs to the Municipal hospital and the travellers' bungalow.

27. *Water-supply, Rs.* 200.—This amount is intended for repairs to two works and for petty repairs to others.

28. (3) *Establishment.*—A sum of Rs. 7-8-0 per mensem has been proposed as horse allowance for the sub-overseer, who is in charge of "Public works." The Council has resolved to give this, as otherwise the sub-overseer cannot efficiently discharge his duties of inspection of the roads which cover about 25 miles.

29. *Tools and Plant, Rs.* 60.—This sum is intended for the purchase of some road-making implements, &c.

30. *Grant 2.*—Under this grant, the figures furnished by the Director of Public Instruction have all been adopted.

31. (2) (i) (*a*) *Establishment, Rs.* 1,320.—The decrease of Rs. 120 is due to the gymnastic instructor's pay being exhibited under 7, *Miscellanaous* (*b*), *Common Gymnasium Establishment.*

32. (2) (i) (*b*) *Contingencies, Rs.* 70.—The increase of Rs. 20 is provided for the purchase of books and maps.

33. (ii) (*c*) *Contingencies, Rs.* 80—includes house-rent for the Panchama school.

34. (7) *Miscellaneous* (*b*) (ii) Rs. 10—here provided is for meeting contingent charges of the common gymnastic instructor.

35. *Grant 3, Hospitals and Dispensaries.*—The recommendations of the District Medical and Sanitary Officer have been followed.

36. *Conservancy, Road-cleaning Establishment.*—No alterations have been made.

37. *Plague Charges, Rs.* 500.—This is the amount already proposed by the Collector in the special plague budget for Municipalities in this district.

38. *Grant 4, Avenue Establishment, Rs.* 50.—An avenue has just been planted on both sides of the new Railway feeder road. A number of trees has fallen in the old roads and their places are being supplied. An avenue cooly has been found to be a sad desideratum. A cooly on Rs. 4 is proposed to be maintained and a small sum is provided to meet contingencies.

39. *Grant 5,* (*a*) (i), *Establishment.*—It is proposed to increase the pay of the manager and the accountant by Rs. 2 and Re. 1, respectively. The Council consider that they have been discharging their arduous duties efficiently and deserve the increase here proposed.

40. *Contribution for the Central Office Establishment*—has been put down at Rs. 240.

Endt. Dis. No. 86-Eng.—D.

Forwarded to the Secretary to Government, Local and Municipal Department.

2. *Paragraph* 13 *of the Covering letter.*—The revision of the house-tax registers must be finished and notified before the end of the current year to enable the Council to collect the tax at the revised rates during the ensuing official year.

3. *Paragraph* 16.—It is improbable that any income from markets will be realized next year either as the danger of plague being imported from Mysore is scarcely likely to have altogether disappeared.

4. *Paragraph* 20.—The temple trustee should be induced, if possible, to take a more public spirited view of the question of contribution from temple funds. The ratepayers of the Municipality and of the district generally pay a very heavy contribution in order that the concourse of pilgrims attracted to the temple festival may not lead to the dissemination of disease, and Provincial revenues have also to bear a considerable charge for the conveyance of additional police forces. No means exist at present of taxing the pilgrims themselves, and I think the contribution made by the trustee should be regarded in the light of a cess collected by the temple authorities from the visitors to the temple, and that it should bear a larger proportion to the collections. The Tiruvannámalai temple is in the enjoyment of a large tasdik allowance.

5. *Paragraph* 2.—Efforts should be made to extend the private scavenging service. According to G.O., No. 1259, Financial, dated 28th December 1898, communicated with G.O., No. 44 L., dated 11th January 1899, Rs. 5,000 have to be set apart for plague charges, that is, Rs. 4,500 more than the amount budgeted for. The balance

is estimated at Rs. 2,390. Rs. 1,000 might be saved under Grant 1 (*a*) and (*b*) by cutting out the new works proposed, and Rs. 600 may perhaps be expected from the revision of the house-tax registers, but this amounts to only Rs. 4,000 altogether and the probable entire loss of income from market fees amounting to Rs. 4,560 has also to be taken into consideration. The District Board is not in a position to raise its grant from Rs. 500 to Rs. 5,000 and the deficit cannot be made up by raising the rate at which the tax on buildings is levied. Such an enhancement accompanying a revision of the house-tax registers would fall heavily on the rate-payers especially as Tiruvannámalai is not a wealthy town and it seems that the Council will have to seek aid from Provincial funds.

6. A small saving might be effected by revising the Municipal boundaries as the cost of maintaining the trunk roads now included in Municipal limits amounts to Rs. 1,100. The toll-gate on the Chengam side of the Salem frontier road is nearly four miles from the town. The toll-gate appears to have been put so far out in view to deriving revenue from cess on cultivated lands, but it is a question whether the cess collected is commensurate with the expenditure that has to be incurred on the roads. During the continuance of the present financial pressure all hope of carrying out a water-supply scheme must be abandoned. The horse allowance proposed for the overseer should be granted as he has a very large mileage of roads to look after. The delay in submitting this is regretted. It is due partly to my absence at the volunteer camp last week and to the general pressure of work after the holidays.

CUDDALORE,
23*rd January* 1899.

(Signed) L. M. WYNCH,
Ag. Collector.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 5th January 1899, No. 100.

Adverting to the budget estimate of the Tiruvannámalai Municipality for 1899–1900, I have the honour to state that the provision made therein for education is sufficient and may be accepted. The net expenditure proposed under Grant 2 is Rs. 1,330 (Rs. 2,460—1,130), or nearly 8 per cent. of the estimated income of the Municipality from taxation, markets and rents.

From the Surgeon-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 10th January 1899, No. 10.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the Tiruvannámalai Municipality for the year 1899–1900 is sufficient and calls for no further remarks.

From Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., I.M.S., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 3rd February 1899, No. 351-S.

Referring to the Tiruvannámalai Municipal Budget for 1899–1900, I have the honour to state that the allotment for vaccination is sufficient. That for conservancy is 32·1 per cent. of the estimated current receipts. Statement II-B shows that there are only nineteen scavengers in the service of the municipality. For the requirements of the population of the town, there ought to be nine more.

ORDER—No. 363 M., dated 15th March 1899.

The estimated receipts and charges of the Tiruvannámalai Municipality for 1899–1900, as passed by Government, are compared below with the budget and revised estimates for the year 1898–99 and the actuals of 1897–98.

REVISED ESTIMATE FOR 1898-99.

2. The current receipts and charges are now estimated at Rs. 21,160 and Rupees 21,960, respectively, against Rs. 21,840 and Rs. 21,860 anticipated in the sanctioned budget. Although the totals do not differ materially, there is a marked decline in the receipts under market rents, which is nearly met by increases under tolls and contributions from Local Boards and from other bodies, while under charges, the

increase which appears chiefly under Grant 3 is almost counterbalanced by a fall under Grant 1. The attention of the Municipal Council is drawn to the remarks of the Collector in paragraph 2 of his endorsement regarding the revision of the house-tax registers.

BUDGET ESTIMATE FOR 1899-1900.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 21,430 against the revised estimate of Rs. 21,160, an increase which appears mainly under income from markets being nearly counterbalanced by a decline under tolls and contributions from Local Boards and from other bodies. The estimate under the taxes on buildings and lands will be raised from Rs. 3,100 to Rs. 3,700, and that under income from markets will be struck out with reference to the Collector's remarks in paragraphs 5 and 3, respectively, of his endorsement. Credit will, however, be taken for a loan of Rs. 5,900 from Imperial funds in order to enable the Council to make sufficient provision for plague charges. The Collector is requested to address the temple authorities with a view to persuade them to contribute a larger proportion of the festival charges and report the result to Government. The attention of the Municipal Council is drawn to his remarks in paragraph 5 of his endorsement regarding the extension of the private scavenging service and to his suggestion in paragraph 6 regarding the alteration of the municipal limits.

4. *Charges*—(1) The probable charges are entered as Rs. 21,350 against Rupees 21,960 in the revised estimate, the decrease being marked under Grant 3.

(2) *Grant* 1.—For want of funds the allotments of Rs. 830 and Rs. 200, respectively, under New Works—Communications and water-supply, and that of Rs. 200 for the construction of compound walls to the Municipal office will be struck out. The grant of a horse allowance of Rs. 7-8-0 per mensem to the Public Works Sub-overseer, proposed in paragraph 28 of the Chairman's letter, is sanctioned on the understanding that he keeps a pony and uses it for his work.

(3) *Grants 3 and 4.*—The provision for epidemic charges will be raised from Rs. 500 to Rs. 5,900 with reference to G.O., No. 1259, Financial, dated 28th December 1898, communicated with G.O., No. 44 L., dated 11th January 1899. The suggestion made by the Sanitary Commissioner in his letter read above, will be commended to the Municipal Council for careful consideration. The entertainment of an avenue cooly on Rs. 4, proposed in paragraph 38, is approved.

(4) *Grant 5.*—In the existing state of the Council's finances, the proposed increases in the salaries of the Municipal office manager and the accountant must be disallowed. With reference to G.O., No. 2250 L., dated 25th November 1898, the contribution for the central office establishments will be reduced from Rs. 240 to Rs. 204, or Rs. 200 in round figures.

5. As revised by Government, the budget closes with a balance of Rs. 240, or only 1·4 per cent. of the estimated ordinary receipts.

6. If the loan of Rs. 5,900 from Imperial funds for which credit has been taken in paragraph 3 *supra* be not sanctioned by the Government of India, the budget will have to be recast.

Municipal Budget.

Reviewing the Tiruvannámalai — for 1899–1900.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From V. VENUGOPAUL CHETTY, Esq., I.C.S., Sub-Collector and Ex-officio Chairman, Municipal Council, Tiruvannámalai, to the Secretary to Government, Local and Municipal Department (through the Collector of South Arcot), dated 18th December 1898, Cur. No. 415-Eng.

I have the honour to submit herewith, for the sanction of Government, the revised estimate of the Tiruvannámalai Municipality for the current year and the budget estimate for the next financial year 1899–1900 along with the prescribed statements and a proposition statement for revision of establishments. A copy of the proceedings of the Council passing the budget is also enclosed. The alterations made by the Council have all been embodied.

REVISED ESTIMATE FOR 1898–99.

2. The actual opening balance as per administration report of last year is Rs. 3,110.

Receipts.

3. The total receipts of the year excluding the opening balance are estimated at Rs. 21,160 against the budget estimate of Rs. 21,840.

Charges.

4. The total estimated charges, viz., Rs. 21,960 fall below the budget estimate (including subsequent allotments and transfers) by only Rs. 250.

5. Full explanations for all variations are given in statement No. VI.

6. There has been a loss in receipts to the Municipality this year of Rs. 4,060 owing to the closure of the annual cattle market. The Council has resolved to give this, as otherwise the sub-overseer cannot efficiently discharge his duties of inspection of the roads which cover about 25 miles.

29. *Tools and Plant, Rs.* 60.—This sum is intended for the purchase of some road-making implements, &c.

30. *Grant 2.*—Under this grant, the figures furnished by the Director of Public Instruction have all been adopted.

31. (2) (i) (*a*) *Establishment, Rs.* 1,320.—The decrease of Rs. 120 is due to the gymnastic instructor's pay being exhibited under 7, *Miscellanaous* (*b*), *Common Gymnasium Establishment.*

32. (2) (i) (*b*) *Contingencies, Rs.* 70.—The increase of Rs. 20 is provided for the purchase of books and maps.

33. (ii) (*c*) *Contingencies, Rs.* 80—includes house-rent for the Panchama school.

34. (7) *Miscellaneous* (*b*) (ii) Rs. 10—here provided is for meeting contingent charges of the common gymnastic instructor.

35. *Grant 3, Hospitals and Dispensaries.*—The recommendations of the District Medical and Sanitary Officer have been followed.

36. *Conservancy, Road-cleaning Establishment.*—No alterations have been made.

37. *Plague Charges, Rs.* 500.—This is the amount already proposed by the Collector in the special plague budget for Municipalities in this district.

38. *Grant 4, Avenue Establishment, Rs.* 50.—An avenue has just been planted on both sides of the new Railway feeder road. A number of trees has fallen in the old roads and their places are being supplied. An avenue cooly has been found to be a sad desideratum. A cooly on Rs. 4 is proposed to be maintained and a small sum is provided to meet contingencies.

39. *Grant 5,* (*a*) (i), *Establishment.*—It is proposed to increase the pay of the manager and the accountant by Rs. 2 and Re. 1, respectively. The Council consider that they have been discharging their arduous duties efficiently and deserve the increase here proposed.

40. *Contribution for the Central Office Establishment*—has been put down at Rs. 240.

Endt. Dis. No. 86-Eng.—D.

Forwarded to the Secretary to Government, Local and Municipal Department.

2. *Paragraph* 13 *of the Covering letter.*—The revision of the house-tax registers must be finished and notified before the end of the current year to enable the Council to collect the tax at the revised rates during the ensuing official year.

3. *Paragraph* 16.—It is improbable that any income from markets will be realized next year either as the danger of plague being imported from Mysore is scarcely likely to have altogether disappeared.

4. *Paragraph* 20.—The temple trustee should be induced, if possible, to take a more public spirited view of the question of contribution from temple funds. The ratepayers of the Municipality and of the district generally pay a very heavy contribution in order that the concourse of pilgrims attracted to the temple festival may not lead to the dissemination of disease, and Provincial revenues have also to bear a considerable charge for the conveyance of additional police forces. No means exist at present of taxing the pilgrims themselves, and I think the contribution made by the trustee should be regarded in the light of a cess collected by the temple authorities from the visitors to the temple, and that it should bear a larger proportion to the collections. The Tiruvannámalai temple is in the enjoyment of a large tasdik allowance.

5. *Paragraph* 2.—Efforts should be made to extend the private scavenging service. According to G.O., No. 1259, Financial, dated 28th December 1898, communicated with G.O., No. 44 L., dated 11th January 1899, Rs. 5,000 have to be set apart for plague charges, that is, Rs. 4,500 more than the amount budgeted for. The balance

is estimated at Rs. 2,390. Rs. 1,000 might be saved under Grant 1 (*a*) and (*b*) by cutting out the new works proposed, and Rs. 600 may perhaps be expected from the revision of the house-tax registers, but this amounts to only Rs. 4,000 altogether and the probable entire loss of income from market fees amounting to Rs. 4,560 has also to be taken into consideration. The District Board is not in a position to raise its grant from Rs. 500 to Rs. 5,000 and the deficit cannot be made up by raising the rate at which the tax on buildings is levied. Such an enhancement accompanying a revision of the house-tax registers would fall heavily on the rate-payers especially as Tiruvannámalai is not a wealthy town and it seems that the Council will have to seek aid from Provincial funds.

6. A small saving might be effected by revising the Municipal boundaries as the cost of maintaining the trunk roads now included in Municipal limits amounts to Rs. 1,100. The toll-gate on the Chengam side of the Salem frontier road is nearly four miles from the town. The toll-gate appears to have been put so far out in view to deriving revenue from cess on cultivated lands, but it is a question whether the cess collected is commensurate with the expenditure that has to be incurred on the roads. During the continuance of the present financial pressure all hope of carrying out a water-supply scheme must be abandoned. The horse allowance proposed for the overseer should be granted as he has a very large mileage of roads to look after. The delay in submitting this is regretted. It is due partly to my absence at the volunteer camp last week and to the general pressure of work after the holidays.

CUDDALORE,
23*rd January* 1899.

(Signed) L. M. WYNCH,
Ag. Collector.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 5th January 1899, No. 100.

Adverting to the budget estimate of the Tiruvannámalai Municipality for 1899–1900, I have the honour to state that the provision made therein for education is sufficient and may be accepted. The net expenditure proposed under Grant 2 is Rs. 1,330 (Rs. 2,460—1,130), or nearly 8 per cent. of the estimated income of the Municipality from taxation, markets and rents.

From the Surgeon-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 10th January 1899, No. 10.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the Tiruvannámalai Municipality for the year 1899–1900 is sufficient and calls for no further remarks.

From Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., I.M.S., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 3rd February 1899, No. 351-S.

Referring to the Tiruvannámalai Municipal Budget for 1899–1900, I have the honour to state that the allotment for vaccination is sufficient. That for conservancy is 32·1 per cent. of the estimated current receipts. Statement II-B shows that there are only nineteen scavengers in the service of the municipality. For the requirements of the population of the town, there ought to be nine more.

ORDER—No. 363 M., dated 15th March 1899.

The estimated receipts and charges of the Tiruvannámalai Municipality for 1899–1900, as passed by Government, are compared below with the budget and revised estimates for the year 1898–99 and the actuals of 1897–98.

Revised Estimate for 1898-99.

2. The current receipts and charges are now estimated at Rs. 21,160 and Rupees 21,960, respectively, against Rs. 21,840 and Rs. 21,860 anticipated in the sanctioned budget. Although the totals do not differ materially, there is a marked decline in

the receipts under market rents, which is nearly met by increases under tolls and contributions from Local Boards and from other bodies, while under charges, the increase which appears chiefly under Grant 3 is almost counterbalanced by a fall under Grant 1. The attention of the Municipal Council is drawn to the remarks of the Collector in paragraph 2 of his endorsement regarding the revision of the house-tax registers.

Budget Estimate for 1899-1900.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 21,430, against the revised estimate of Rs. 21,160, an increase which appears mainly under income from markets being nearly counterbalanced by a decline under tolls, and contributions from Local Boards and from other bodies. The estimate under the taxes on buildings and lands will be raised from Rs. 3,100 to Rs. 3,700, and that under income from markets will be struck out with reference to the Collector's remarks in paragraphs 5 and 3, respectively, of his endorsement, credit will, however, be taken for a loan of Rs. 5,900 from Imperial funds in order to enable the Council to make sufficient provision for plague charges. The Collector is requested to address the temple authorities with a view to persuade them to contribute a larger proportion of the festival charges and report the result to Government. The attention of the Municipal Council is drawn to his remarks in paragraph 5 of his endorsement regarding the extension of the private scavenging service and to his suggestion in paragraph 6 regarding the alteration of the municipal limits.

4. *Charges*—(1) The probable charges are entered as Rs. 21,350 against Rupees 21,960 in the revised estimate, the decrease being marked under Grant 3.

(2) *Grant* 1.—For want of funds the allotments of Rs. 830 and Rs. 200, respectively, under New Works—Communications and water-supply, and that of Rs. 200 for the construction of compound walls to the Municipal office will be struck out. The grant of a horse allowance of Rs. 7-8-0 per mensem to the Public Works Sub-overseer, proposed in paragraph 28 of the Chairman's letter, is sanctioned on the understanding that he keeps a pony and uses it for his work.

(3) *Grants 3 and 4.*—The provision for epidemic charges will be raised from Rs. 500 to Rs. 5,900, with reference to G.O., No. 1259, Financial, dated 28th December 1898, communicated with G.O., No. 44 L., dated 11th January 1899. The suggestion made by the Sanitary Commissioner in his letter read above, will be commended to the Municipal Council for careful consideration. The entertainment of an avenue cooly on Rs. 4, proposed in paragraph 38, is approved.

(4) *Grant 5.*—In the existing state of the Council's finances, the proposed increases in the salaries of the Municipal office manager and the accountant must be disallowed. With reference to G.O., No. 2250 L., dated 25th November 1898, the contribution for the central office establishments will be reduced from Rs. 240 to Rs. 204, or Rs. 200 in round figures.

6. As revised by Government, the budget closes with a balance of Rs. 240, or only 1·4 per cent. of the estimated ordinary receipts.

Note - There is no need to alter the allotment for Plague charges as suggested by the F.D. in the accompanying note - the amount to be provided by the Timmanamalai Ry: according to fo. 2857 of 22-2-99 is only Rs 955; but the Comm^r had provided Rs 1520 for this purpose, out of which only Rs 40 were spent during the 8 odd months.

Revised Estimate for 1898-99

2. The Current receipts and Charges are now estimated at Rs 21,160 and Rs 21,960, respectively, against Rs 21,840 and 21,860, anticipated in the sanctioned budget. Note

With reference to G. O. No 1259 Fin. dated 28th December, 1898, the L. and M. Department has provided in the budget of the Tiruvannamalai Municipality Rs 1520 and Rs 5900 for the current and ensuing years on account of plague. In G. O. No 285 Fin. dated 22d February 1899 passing orders on the plague estimates for February the amount provided for the district for current year has been raised from Rs 3033 to Rs 4180, the provision made for the Tiruvannamalai municipality will need to be correspondingly altered.

It is proposed to meet the expenditure for 1898-1900 by taking credit for a loan of Rs 5900 from Imperial funds.

In this, as in other cases, it would be safer to add a para to the draft stating that if the

loan for 1899. 1900 is not
sanctioned, the budget will
have to be recast
