Municipal Budget.

Reviewing the Chidambaram — for 1899-1900.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From M.R.Ry. M. RAMASWAMI AIYAR, Chairman, Municipal Council, Chidambaram, to the Secretary to Government, Local and Municipal Department (through the Head Assistant Collector and Collector of South Arcot), dated 26th December 1898, No. 589.

I have the honour to submit the revised estimate for 1898–99 and the budget estimate for 1899–1900, together with the usual statements including the proposition statement for revision of establishment.

2. The principal variations under "Receipts" and "Charges" between the budget and revised estimate for 1898–99 are explained in column 7 of the revised estimate.

BUDGET ESTIMATE FOR 1899–1900.

Receipts.

3. Material differences between the revised estimate for 1898–99 and the budget estimate for 1899–1900 are explained below :—

(*a*) *Taxes on Arts.*—Amount in column 4 of statement I includes arrears of Rs. 160.

(*b*) *Taxes on Buildings.*—Amount in column 4 includes arrears of Rs. 360.

(*c*) *Taxes on Lands.*—Amount in column 4 includes arrears of Rs. 290 ; further difference of Rs. 60 is due to probable remission on appeals, &c., in cases in which there has been some erroneous taxation.

(*d*) *Tolls.*—Seeing that the renters of 1897–98 and 1898–99 have fallen in arrears, the probable highest bid for the next year is estimated at Rs. 6,000 or Rupees 1,000 less than the amount for which the farm for the current year was first sold.

(*e*) *Realizations under Special Acts—Fees under Act II of* 1888.—This is not a permanent source of income and we cannot be sure that there will be applications for licenses next year.

(*f*) *Rent of Buildings.*—As the apothecary says that he has made a further reference to his departmental superiors claiming to be provided with "free quarters," column II is left blank pending disposal of the reference.

(*g*) *License Fees.*—It is expected that there will be an increase by the enforcement of licenses after the issue of the notice prescribed in section 188 (1) of Act IV of 1884 and by the levy of pandal-fees, &c., with reference to G.O., Mis. No. 2197 M., dated 17th December 1898.

(*h*) *Contribution from Local Boards*—(ii) *Medical.*—Column 4 includes Rupees 554-5-6, being a portion of the amount of contribution due for the previous year.

(iii) *Other Purposes.*—No estimate for any repairs, &c., to hospital buildings is pending. Hence column 2 is left blank.

Charges.

2. Repairs—	
(*a*) Communications	2,300
(*b*) Buildings	150
(*d*) Water-supply	400
Total ..	2,850

4. *Grant 1, Public Works.*—Details of provision made under the heads noted in the margin are given in statement II-A, Parts I and II.

(*d*) *Water-supply*—(ii) *Establishment.*—The tank watchmen are paid at Rs. 4 each per mensem. Considering the rate of pay allowed by Local Fund Boards for this class of servants, it is proposed to reduce the pay to Rs. 3–8–0.

(iii) *Contingencies.*—It is thought that a provision of Rs. 100 will suffice for the cost of supplying water to the tanks of the town when they need it in hot weather.

(3) *Establishment.*—The entertainment of two coolies in addition to the existing number, viz., six, is necessary for carrying out general repairs to the roads and streets throughout the year.

5. *Grant 2, Education*—(6) *Inspection.*—The inspecting schoolmaster will be re-entertained on Rs. 15 per mensem which was the rate of pay allowed when the appointment was created, and provision is made for this and other items under this grant in accordance with the recommendation of the Educational authorities.

6. *Grant 3, Sanitation and Medical Services*—(1) *Hospitals and Dispensaries.*—Provision is made in accordance with the recommendation of the District Medical and Sanitary Officer.

Conservancy, Road-cleaning and Road-watering—(*a*) (i) *Establishment.*—The certificated sanitary inspector employed here is paid Rs. 20 salary *plus* Rs. 7 pony allowance per mensem. The Sanitary Commissioner recommends that he should be paid Rs. 15 horse allowance. It is proposed to raise the allowance to Rs. 10 for the present. Eleven hired rubbish carts are now in use. One more cart is necessary to give three to each of the four divisions. Hence provision is made for the hiring of a cart and for the employment of two additional sweepers to attend to it. It may be noted here that, though the rate of pay of scavengers was entered in the current year's budget at Rs. 6 per mensem, yet they have been actually paid at the usual rate of Rs. 5 only ; however, the increased rate is provided in this budget also in order that there may be no difficulty should necessity arise for giving a higher pay to this class of servants, the demand for whose services is increasing on all sides.

Private Scavenging.—The maistries are paid only Rs. 6 per mensem which is the rate of pay of the scavengers. It is desirable that the maistries' pay should be at least a rupee higher than that of the scavengers. Hence provision is made for this increase. There is only one night-soil cart drawn by bullocks besides the hand carts used by scavengers. It is found necessary to have another cart drawn by bullocks, and provision is made for its cost and for entertaining two additional scavengers to attend to the cart.

7. *Grant 4, Lighting and Miscellaneous—Municipal purposes*—(5) *Avenues.*—It is resolved to have cocoanut plants planted in all the gaps in the cocoanut avenue lines in the four car streets. As the present number (four) of coolies will not be sufficient to water all the plants and take care of them, provision is made for two additional coolies.

8. *Grant 5.*—The provision of Rs. 1,980 under this grant calls for no remarks.

9. The total receipts, including the opening balance as per revised estimate, are anticipated to amount to Rs. 26,800, and the estimated charges to Rs. 24,420, leaving a closing balance of Rs. 2,380 which is 10 per cent. of the estimated receipts.

10. A copy of the Council's proceedings passing the budget is enclosed.

2. The provision of Rs. 5,000 for plague charges as directed in G.O., No. 44 L., dated 11th January 1899, will be almost an impossibility. The sum provided in the budget for festival and plague charges includes only Rs. 890 on the latter account. This with the whole estimated balance comes to a little more than Rs. 3,000. New works may perhaps all be cut out and another Rs. 1,000 saved. The only source from which any considerable enhancement of income can be looked for is tolls. The Municipal Council is involved in suits for the collection of arrears of tolls for the past two years, and there is reason to believe that the toll-gate contractors have formed a combination against which the Municipal Council has so far proved exceedingly weak. Unless the bids for the tolls exceed Rs. 7,000 at least the Council ought to resolve to work the toll-gates departmentally. I am quite sure that traffic has not fallen off to the extent indicated by the fall in the toll-gate revenue during the past two years.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 9th January 1899, No. 276.

Adverting to the budget estimate of the Chidambaram Municipality for 1899–1900, I have the honour to state that the provision made therein for education calls for no remarks and may be accepted. The net expenditure proposed is Rs. 2,460 (2,490—30), which is about 13 per cent. of the estimated income of the Municipality from taxation, markets and rents.

From Surgeon-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 10th January 1899, No. 17.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the Chidambaram Municipality for the year 1899–1900 is sufficient and calls for no further remarks.

From W. G. KING, M.B., C.M., D.P.H., I.M.S., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated 8th February 1899, No. 447-S.

I have the honour to state that I have no remarks to offer on the allotments made for vaccination and conservancy in the Chidambaram Municipal budget for 1899–1900. The proposed expenditure on conservancy is 36·3 per cent. of the estimated current receipts.

ORDER—No. 376 M., dated 15th March 1899.

REVISED ESTIMATE FOR 1898–99.

2. The current receipts and charges are now estimated at Rs. 24,630 and Rs. 25,600, respectively, against Rs. 22,470 and Rs. 23,340 anticipated in the sanctioned budget. There is an increase in the receipts which occurs chiefly under the tax on buildings, contributions from local boards and private scavenging fees, but it is partly counterbalanced by a decrease under tolls, license fees and fishery rents. The increase in the charges which appears under Grants 1 and 3 is partly met by a decrease under Grants 2 and 4. The sanction of Government should have been obtained for the abolition of the post of inspecting schoolmaster, especially as this proposal was objected to by the Director of Public Instruction. It is, however, now approved. With reference to G.O., No. 285, Financial, dated 22nd February 1899, communicated with G.O., No. 534 L., dated 8th March 1899, the Government now considers that it will be sufficient to provide a sum of Rs. 980 for plague charges in the current year. The provision made for this purpose will accordingly be reduced by Rs. 300. The balance to be carried forward to the ensuing year's budget will then be Rs. 3,300.

BUDGET ESTIMATE FOR 1899–1900.

3. *Receipts.*—The receipts for the ensuing year are put down at Rs. 23,880 against the revised estimate of Rs. 24,630. There is a decrease under the taxes on arts, buildings and lands and contributions from local boards, but it is partly met by an increase under tolls and license fees. The attention of the Municipal Council is drawn to the remarks of the Collector in the concluding portion of paragraph 2 of his endorsement. Credit will be taken for a loan of Rs. 3,000 from Imperial funds in order to enable the Municipal Council to make sufficient provision for plague charges.

4. *Charges.*—(1) The probable charges are entered as Rs. 24,420 against Rupees 25,300 in the revised estimate. There is a decrease under Grant 1, but it is partly met by an increase under Grants 2 and 3.

(2) *Grants 1 and 2.*—The Municipal Council's proposals to reduce the salary of the tank watchmen by As. 8 each and to entertain two additional road coolies on Rs. 5 each and an inspecting schoolmaster on Rs. 15, referred to in paragraphs 4 and 5 of the Chairman's letter, are sanctioned.

(3) *Grant 3.*—The additions to and alterations in the conservancy and private scavenging establishments, proposed in paragraph 6, are sanctioned. With reference to G.O., No. 1259, Financial, dated 28th December 1898, communicated with G.O., No. 44 L., dated 11th January 1899, the provision made for epidemic charges will be increased by Rs. 4,570.

(4) *Grants 4 and 5.*—The entertainment of two additional avenue coolies on Rs. 5 each, proposed in paragraph 7, is sanctioned. With reference to G.O., No. 2250 L., dated 25th November 1898, the contribution for the central office establishments will be reduced from Rs. 208 to Rs. 204, or Rs. 200 in round figures.

5. As revised by Government, the budget closes with a balance of Rs. 1,200 or 5 per cent. of the ordinary receipts.

6. If the loan of Rs. 3,000 from Imperial funds for which credit has been taken in paragraph 3 *supra* be not sanctioned by the Government of India, the budget will have to be recast.

REVISED ESTIMATE FOR 1898–99.

2. The current receipts and charges are now estimated at Rs. 24,630 and Rs. 25,600, respectively, against Rs. 22,470 and Rs. 23,340 anticipated in the sanctioned budget. There is an increase in the receipts which occurs chiefly under the tax on buildings, contributions from local boards and private scavenging fees, but it is partly counterbalanced by a decrease under tolls, license fees and fishery rents. The increase in the charges which appears under Grants 1 and 3 is partly met by a decrease under Grants 2 and 4. The sanction of Government should have been obtained for the abolition of the post of inspecting schoolmaster, especially as this proposal was objected to by the Director of Public Instruction. It is, however, now approved. With reference to G.O., No. 285, Financial, dated 22nd February 1899, communicated with G.O., No. 534 L., dated 8th March 1899, the Government now considers that it will be sufficient to provide a sum of Rs. 980 for plague charges in the current year. The provision made for this purpose will accordingly be reduced by Rs. 300. The balance to be carried forward to the ensuing year's budget will then be Rs. 3,300.

BUDGET ESTIMATE FOR 1899–1900.

3. *Receipts.*—The receipts for the ensuing year are put down at Rs. 23,880 against the revised estimate of Rs. 24,630. There is a decrease under the taxes on arts, buildings and lands and contributions from local boards, but it is partly met by an increase under tolls and license fees. The attention of the Municipal Council is drawn to the remarks of the Collector in the concluding portion of paragraph 2 of his endorsement. Credit will be taken for a loan of Rs. 3,000 from Imperial funds in order to enable the Municipal Council to make sufficient provision for plague charges.

4. *Charges.*—(1) The probable charges are entered as Rs. 24,420 against Rupees 25,300 in the revised estimate. There is a decrease under Grant 1, but it is partly met by an increase under Grants 2 and 3.

(2) *Grants 1 and 2.*—The Municipal Council's proposals to reduce the salary of the tank watchmen by As. 8 each and to entertain two additional road coolies on Rs. 5 each and an inspecting schoolmaster on Rs. 15, referred to in paragraphs 4 and 5 of the Chairman's letter, are sanctioned.

f/ (3) *Grant 3.*—The additions to and alterations in the conservancy and private scavenging establishments, proposed in paragraph 6, are sanctioned. With reference to G.O., No. 1259, Financial, dated 28th December 1898, communicated with G.O., No. 44 L., dated 11th January 1899, the provision made for epidemic charges will be increased by Rs. 4,570.

c/ (4) *Grants 4 and 5.*—The entertainment of two additional avenue coolies on Rs. 5 each, proposed in paragraph 7, is sanctioned. With reference to G.O., No. 2250 L., dated 25th November 1898, the contribution for the Central office establishments will be reduced from Rs. 208 to Rs. 204, or Rs. 200 in round figures.

5. As revised by Government, the budget closes with a balance of Rs. 1,200 or 5 per cent. of the ordinary receipts.

6. If the loan of Rs. 3,000 from Imperial funds for which credit has been taken in paragraph 3 *supra* ~~is~~ not sanctioned by the Government of India, the budget will have to be recast. be/

Note

With reference to G.O. No 259 Finl. dated 28th December 1898 the L. and M. Department has provided in the budget of the Chidambaram Municipality Rs 710 and 6070 for the current and ensuing years respectively on account of plague. Since G.O. No 285* Finl dated 22d. February 1899, passing orders on the plague estimates for February 1899, the provision for the district has been raised from Rs 3033 to 4180, the amount provided for the Chidambaram Municipality for the current year will need to be correspondingly raised.

It is proposed to meet the expenditure for next year in part by taking credit for a loan of Rs 3000 from Imperial funds. In this, as in other cases, it appears to be desirable to add a para to the draft order stating that if the

loan is not granted, either by India, The budget will have to be recast.
