the adjustment will appear in the statement of plague charges for the quarter ending 31st December 1898. The difference, Rs. 62, is the travelling allowance paid to the Assistant Surgeon E. L. Chalke in South Arcot for the journeys made by him while employed as Additional Medical Officer on plague duty at Anantapur, and the amount has therefore been debited to the head "24. District Grants for Medical Purposes."

December 1898, I have the honour to state that the sum of Rs. 1,394-6-1 referred to consists of items noted in the margin. Of this, the sum of Rs. 1,332-6-1, which was originally debited to "24-D. Grants for Medical Purposes," has since been transferred to 24-A. Medical—"Medical Establishment" under the revised classification of charges ordered in Madras G.O., No. 698, Financial, dated 15th August 1898, and

2. The total expenditure from PROVINCIAL, LOCAL and MUNICIPAL was as follows and compares with the estimates passed in the marginally-noted Proceedings as shown below:—

		Estimates accepted in G.O., No. 1122, Financial, dated 28th November 1898.	Estimates accepted in G.Os., Nos. 1246 and 1259, Financial, dated 17th and 18th December 1898.	Estimates accepted in G.Os., Nos. 130 and 134, Financial, dated 21st and 24th January 1899.	Actuals.

(a) Up to 31st December 1898.

(b) Up to 30th November 1898.

3. The direct Provincial expenditure under 24-D. GRANTS FOR MEDICAL PURPOSES against the Presidency town amounted up to the 31st December 1898 to 30 lakh against an estimate of 83 lakh for the entire year, whereas the indirect expenditure under 24-A. MEDICAL ESTABLISHMENTS (Rs. 7,140) has not been provided for. This is due to the fact that the estimates include as *direct* expenditure all expenditure on special plague doctors, nurses, &c., procured from England and not yet actually posted to plague duty. The Surgeon-General will, in addition to the statement called for in paragraph 4 of G.O., No. 134, Financial, dated 24th January 1899, forward to the Financial Department, so as to reach it before the 5th of each month, beginning with February 1899, an estimate in the prescribed form providing for all Medical officers, nurses, &c., who have been sent out by the Secretary of State and are temporarily attached to hospitals, &c., in Madras prior to their services being placed at the disposal of the President, Municipal Commission, Madras, or their being posted to districts in connection with plague work. The Accountant-General will be requested to furnish the Surgeon-General with the necessary forms and with complete information as to the classification of the charges and past actuals.

4. The sum of Rs. 3,120, shown against South Arcot under 24-A. MEDICAL ESTABLISHMENT is apparently due to the inclusion of charges connected with Dr. Beit referred to in the letter from the Accountant-General, No. 207, dated 20th January 1899, read above. As, however, Dr. Beit's appointment to South Arcot was not made in consequence of plague, the charges in connection with his appointment in that district should not be treated as plague charges, *direct* or *indirect*.

5. It is further observed that while the Collectors of Cuddapah and Gódvári have not reported any expenditure under 24-A. MEDICAL ESTABLISHMENT, the statements submitted by the Accountant-General show that actuals amounting to Rs. 6,522 and Rs. 2,125, respectively, have been incurred. The Accountant-General is requested to furnish particulars of these figures and to ensure that these represent plague charges.

6. A sum of Rs. 404 is shown in the Accountant-General's statements against the Nilgiri district under PROVINCIAL—24-D. GRANTS FOR MEDICAL PURPOSE as the actual expenditure under that head up to 31st December 1898. The Accountant-General will be requested to furnish particulars for the amount.
