## LOCAL AND MUNICIPAL DEPARTMENT.

C. No. 3406, 3415 & 3526. m.

SUBJECT. Estimate of plague expenditure in the Bellary Municipality in the current year.

## FOR ORDERS.

Under go. No. 843. Financial dated 13<sup>th</sup> October 1898, the estimated expenditure in the current year on plague preventive measures in the Municipality of Bellary is Rs 9877. With the first letter read above, the Chairman submits an application for the transfer of Rs 2500 from various heads to plague charges, and from the statement received with the last letter, it appears that no more savings can be effected in the allotment for works. A sum of Rs 2380 has been provided in the current year's budget for epidemic charges, so that the total amount that can be allotted for plague expenditure is Rs 4880; but of this, Rs 4514 have already been spent. As the allotments for works do not appear to be capable of

of further reduction, the Municipal Council states that it will be unable to provide the balance of the required money (viz. 5000) and applies for an advance of this amount from Provincial funds. It is submitted that the Financial Department may be requested to grant this advance at an early date. Vide para 5 of G.O. No. 888-Fin. dated 11<sup>th</sup> October 1898 in G.O. No. 2031-L. dated 22<sup>nd</sup> October 1898.
